Asian Women Artists Mary Ellen

Snodgrass,2022-10-27 This book is a guide to identifying female creators and artistic movements from all parts of Asia, offering a broad spectrum of media and presentation representing a wide variety of milieus, regions, peoples and genres. Arranged chronologically by artist birth date, entries date as far back as Leizu's Chinese sericulture in 2700 BCE and continue all the way to the March 2021 mural exhibition by Malaysian painter Caryn Koh. Entries feature biographical information, cultural context and a survey of notable works. Covering creators known for prophecy, dance, epic and oratory, the compendium includes obscure artists and more familiar names, like biblical war poet Deborah, Judaeen dancer Salome, Byzantine Empress Theodora and Myanmar freedom fighter Aung San Suu Kyi. In an effort to relieve unfamiliarity with parts of the world poorly represented in art history, this book focuses on Asian women often passed over in global art surveys.

Naptime with Joey Laura Izumikawa,2017-10-03 From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes *Naptime with Joey*, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from *Stranger Things*. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog,

been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's taken the leap from the ranks of internet-baby-snoredom to the pages of a book. Naptime with Joey is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

The Dark Side of Asian Women Daniel

Marques, 2012-12-09 Are you fascinated by the allure of Asian women? Their commitment to family values and undeniable beauty make them highly sought after by men, particularly in the US. But, did you know that there is a side of Asian women that remains hidden from many? Unveiling the Veiled is the culmination of years of in-depth interviews with Asian women, encompassing their expectations, beliefs, and behaviors both before and after marriage. Through conversations with men who have married Asian women, a shocking truth has been unveiled - an obscure tendency that has transcended centuries and continues to persist, not only among Asian women in their native land but also among those residing in western countries. While these traits do transform in women who have spent many years outside of Asia, particularly those raised in foreign cultures, the strong bond they maintain with their families profoundly influences their subconscious. In order to dissect these paradigms and understand how Asian women truly feel, we compare younger and older generations, as well as women who have and haven't had contact with foreigners in their hometown. We aim to shed light on women who have been abroad and those who have engaged in relationships with foreigners. Unveiling the Veiled contains years of valuable information and countless face-to-face interviews. Our intent is not to

discriminate against Asian women, but rather to shed light on their behaviors while uncovering the underlying reasons behind them. By exposing these truths, we hope to foster more honest and genuine relationships. Discover the captivating stories and emotional journey of Asian women in this revealing book. Gain insight into their unique experiences and challenges, from the perspective of those who have lived it firsthand. Whether you're an avid reader or simply seeking a deeper understanding of Asian culture, *Unveiling the Veiled* is a must-read.

The Korean Wave Youna Kim, 2013-11-12 Since the late 1990s South Korea has emerged as a new center for the production of transnational popular culture - the first instance of a major global circulation of Korean popular culture in history. Why popular (or not)? Why now? What does it mean socially, culturally and politically in a global context? This edited collection considers the Korean Wave in a global digital age and addresses the social, cultural and political implications in their complexity and paradox within the contexts of global inequalities and uneven power structures. The emerging consequences at multiple levels - both macro structures and micro processes that influence media production, distribution, representation and consumption - deserve to be analyzed and explored fully in an increasingly global media environment. This book argues for the Korean Wave's double capacity in the creation of new and complex spaces of identity that are both enabling and disabling cultural diversity in a digital cosmopolitan world. The Korean Wave combines theoretical perspectives with grounded case studies in an up-to-date and accessible volume ideal for both undergraduate and postgraduate students of Media and Communications, Cultural Studies, Korean Studies and Asian Studies.

Issue 1 - Photo and Illustration S. A. D. Asian GIRLS, 2016-05-20 SAD ASIAN GIRLS CLUB presents: A collection of submitted work by female Asian artists and writers. VOLUME 1 is our first publication; with it we aim to give more representation to young contemporary Asian creatives in a white male dominant art world, while also creating a community of creative Asian women in which they may be inspired by other artists and writers like themselves. Issue 1 features photo-based work and illustrations.

Twentieth-Century Pattern Design Lesley Jackson, 2007-02-08 Twentieth-Century Pattern Design combines photographs - including many newly published images - with soundly researched text, creating an essential resource for enthusiasts and historians of modern design. The book also serves as a creative sourcebook for students and designers, inspiring new flights of fancy in pattern design.--Jacket.

The Asian Woman as Representation of Western Fantasies Natalie Pehl, 2015-03-20 Seminar paper from the year 2013 in the subject Literature - Asia, grade: 1,7, Johannes Gutenberg University Mainz (Amerikanistik), language: English, abstract: The fascination of the orient and occident has been in the discussion for ages. But what makes this attraction between West and East? Why are we longing for the other side of the world and what fascinates us there? Especially femininity has brought a lot fascination to both of these sides of the world - orient and occident -. This hot discussed topic shall be illustrated with the example of Cho-Cho San from Madame Butterfly and Suzie Wong, the seductive stereotype of the Asian women portrayed in Richard Mason's novel The World of Suzie Wong.

Images of the 'modern Woman' in Asia Shoma

Munshi,2001 Examines the relationships between gender, media and modernity in Asian contexts. The contributors analyse gender and fluctuations of power by concentrating on the reach of global media and its (re)working in local contexts, and explore questions involving the relationship between global media flows, gender & modernity in Asia.

Images of Asian American Women by Asian American Women Writers Esther Mikyung Ghymn,1995 This is the first study which examines the images of Asian American women as presented by prominent Asian American women writers such as Maxine Hong Kingston, Amy Tan, Monica Sone, Mary Paik Lee, Wakao Yamauchi, Hisaye Yamamoto, Yoshiko Uchida, Jade Snow Wong, Kim Ronyoung, Ruthanne Lum McCunn, and Kathy Wong. By creating new images of mothers, daughters, children, wives, madwomen, prostitutes and pariahs, these writers have written their stories as a way of self-confirmation and a way to correct their stereotypical images. From these images we discover new meaning and assign new significance to Asian American women.

Turning to Wallpaper Heidi Wong,2021-09-28 Wear poetry as both perfume and armor. Wong's words and artistry are both vibrant with color, richly textured, defiant, and unapologetic in their boldness. Her speaker begins her spiritual journey of remembrance that transcends body, tradition, or even nation in the pursuit of authentic art that is constructed through the radical acceptance of the past in order to leave it all behind. *Turning to Wallpaper* is a story where no wounds are left unfronted or softened. It is beautiful, without beauty. There is pain, but no victimhood.

Transnational Migration and Childhood Naomi Tyrrell,Allen White,Caitriona Ni Laoire,Fina Carpena Mendez,2013-09-13 This book challenges the adult-centric tendencies of migration research and policy which often

overlooks children and young people's own experiences of migration. A wide range of international contributors provide careful analysis of the situations of children in contemporary transnational migratory contexts in the Global North and South. Drawing on studies with migrant children and young people in a variety of situations, *Transnational Migration and Childhood* makes a unique contribution to furthering our understandings of transnational childhoods. It explores the laws and policies that govern children and young people's experiences of transnational migration whilst foregrounding their own accounts of migration and transnationalism. The book shifts our attention away from dominant discourses of migrant children as 'victims', towards the development of broader conceptualisations of transnational migration and childhood. It incorporates different migratory flows, a variety of sending and receiving contexts, and child-centred perspectives. *Transnational Migration and Childhood* will be of interest to researchers and policy makers working in the fields of migration, asylum, and childhood at local, national, and transnational scales. This book was originally published as a special issue of the *Journal of Ethnic and Migration Studies*.

Journal of Asian American Studies, 2006 Official publication of the Association for Asian American Studies, explores all aspects of the Asian American experience. Publishes original works of scholarly interest to the field, including new theoretical developments; research results; methodological innovations; public policy concerns; pedagogical issues; and book, media reviews.

The Schooling and Identity of Asian Girls Farzana Shain, 2000 Challenging western misconceptions and stereotypes of young Asian girls this book through the analysis of Asian girls experiences reassesses the role that

schooling can play in shaping the identities of young people.

Let's Do Everything and Nothing Julia Kuo, 2022-03-22
Let's Do Everything and Nothing is a lush and lyrical picture book from Julia Kuo celebrating special moments—big and small—shared with a child. Will you climb a hill with me? Dive into a lake with me? Reach the starry sky with me, and watch the clouds parade? Love can feel as vast as a sky full of breathtaking clouds or as gentle as a sparkling, starlit night. It can scale the tallest mountains and reach the deepest depths of the sea. Standing side by side with someone you love, the unimaginable can seem achievable. But not every magical moment is extraordinary. Simply being together is the best journey of all.

Vermeer's Family Secrets Benjamin Binstock, 2013-03-07
Johannes Vermeer, one of the greatest Dutch painters and for some the single greatest painter of all, produced a remarkably small corpus of work. In Vermeer's Family Secrets, Benjamin Binstock revolutionizes how we think about Vermeer's work and life. Vermeer, The Sphinx of Delft, is famously a mystery in art: despite the common claim that little is known of his biography, there is actually an abundance of fascinating information about Vermeer's life that Binstock brings to bear on Vermeer's art for the first time; he also offers new interpretations of several key documents pertaining to Vermeer that have been misunderstood. Lavishly illustrated with more than 180 black and white images and more than sixty color plates, the book also includes a remarkable color two-page spread that presents the entirety of Vermeer's oeuvre arranged in chronological order in 1/20 scale, demonstrating his gradual formal and conceptual development. No book on Vermeer has ever

done this kind of visual comparison of his complete output. Like Poe's purloined letter, Vermeer's secrets are sometimes out in the open where everyone can see them. Benjamin Binstock shows us where to look. Piecing together evidence, the tools of art history, and his own intuitive skills, he gives us for the first time a history of Vermeer's work in light of Vermeer's life. On almost every page of *Vermeer's Family Secrets*, there is a perception or an adjustment that rethinks what we know about Vermeer, his oeuvre, Dutch painting, and Western Art. Perhaps the most arresting revelation of *Vermeer's Family Secrets* is the final one: in response to inconsistencies in technique, materials, and artistic level, Binstock posits that several of the paintings accepted as canonical works by Vermeer, are in fact not by Vermeer at all but by his eldest daughter, Maria. How he argues this is one of the book's many pleasures.

Brown Girls Daphne Palasi Andreades, 2022-01-04
NEW YORK TIMES EDITORS' CHOICE • A "boisterous and infectious debut novel" (The Guardian) about a group of friends and their immigrant families from Queens, New York—a tenderly observed, fiercely poetic love letter to a modern generation of brown girls. "An acute study of those tender moments of becoming, this is an ode to girlhood, inheritance, and the good trouble the body yields."—Raven Leilani, author of *Luster* FINALIST: The New American Voices Award, The Carol Shields Prize for Fiction, The VCU Cabell First Novelist Award, The New American Voices Award, The Center for Fiction First Novel Prize ONE OF THE BEST BOOKS OF THE YEAR: PopSugar, Kirkus Reviews If you really want to know, we are the color of 7-Eleven root beer. The color of sand at Rockaway Beach when it blisters the bottoms of our feet. Color of soil . . . Welcome to Queens, New York, where streets echo with

languages from all over the globe, subways rumble above dollar stores, trees bloom and topple over sidewalks, and the funky scent of the Atlantic Ocean wafts in from Rockaway Beach. Within one of New York City's most vibrant and eclectic boroughs, young women of color like Nadira, Gabby, Naz, Trish, Angelique, and countless others, attempt to reconcile their immigrant backgrounds with the American culture in which they come of age. Here, they become friends for life—or so they vow. Exuberant and wild, together they roam The City That Never Sleeps, sing Mariah Carey at the tops of their lungs, yearn for crushes who pay them no mind—and break the hearts of those who do—all while trying to heed their mothers' commands to be obedient daughters. But as they age, their paths diverge and rifts form between them, as some choose to remain on familiar streets, while others find themselves ascending in the world, beckoned by existences foreign and seemingly at odds with their humble roots. A blazingly original debut novel told by a chorus of unforgettable voices, *Brown Girls* illustrates a collective portrait of childhood, adulthood, and beyond, and is a striking exploration of female friendship, a powerful depiction of women of color attempting to forge their place in the world today. For even as the conflicting desires of ambition and loyalty, freedom and commitment, adventure and stability risk dividing them, it is to one another—and to Queens—that the girls ultimately return.

Asian Illustration ,2021-06 Asia is now the center of comic illustration. This cutting-edge collection showcases the work of illustrators from Asia. Many new artists have been emerging recently from Asia, taking their place in the international comic illustration industry through social media. Although their work shows influences from Japanese anime and manga, the superior drawing skills and

pursuit of originality in each of these artists' work results in a fresh and intense take on traditional styles. This book showcases 46 illustrators focusing mainly on young up-and-coming artists and collects over 250 illustrations in total. Each artist is introduced in 2 to 6 pages. Most artists does digital drawing but there are some who does watercolor and ink painting. Immerse yourself in the work of these artists working at the forefront of the creative world of Asia. The Cover illustration was done by a Singaporean artist Guweiz.

Mean Girls at Work: How to Stay Professional When Things Get Personal Katherine Crowley, Kathi Elster, 2012-11-02 One of the New York Post's Top 10 Career Books of 2012 and a Booklist Top 10 Business Book
DO YOU WORK WITH A MEAN GIRL? A woman's field guide to the new frontier of professional development—working with other women Women-to-women relationships in the workplace are . . . complicated. When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Have you dealt with a woman in the workplace who: “Accidentally” excludes you from important meetings? Seems intent on taking you down professionally? Gossips about you with other coworkers? Makes you look bad by missing deadlines? Forms a “pack” of mean girls to make your life miserable? Mean Girls at Work isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean

behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, “You’ve just been judged”? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. Mean Girls at Work is your map to dodging the mines and moving forward in today's transformed workplace. Praise for Mean Girls at Work “An invaluable suit of armor for surviving nine to five!” —Leil Lowndes, bestselling author of *How to Talk to Anyone* “If you think the emotional cruelty of comedies like *Mean Girls* and *Heathers* doesn't exist in the real world workplace, think again. In *Mean Girls at Work*, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies.” —Ann Kreamer, author of *It's Always Personal: Navigating Emotion in the New Workplace* “Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . The authors have finally given women the tools and the sound advice necessary to deal with . . . conflicts that keep us all from succeeding. . . . Carry this book with you to work every day!” —Carolyn Cassin, President, Michigan Women's Foundation “A must-read for women of all ages in today's workforce. This book offers what we all need to develop the capacities to endure this ever-changing workplace. We know it is all about

relationships and you need the skills outlined in this book to survive and thrive when the Mean Girls attack.” —Kim Harrington, Coordinator, Professional Development and Training, Office of Human Resources, California State University, Sacramento

Kink R.O. Kwon, Garth Greenwell, 2021-02-09 A New York Times Notable Book *Kink* is a groundbreaking anthology of literary short fiction exploring love and desire, BDSM, and interests across the sexual spectrum, edited by lauded writers R.O. Kwon and Garth Greenwell, and featuring a roster of all-star contributors including Alexander Chee, Roxane Gay, Carmen Maria Machado, and more. A Most-Anticipated book of 2021 as selected by * Marie Claire * O, The Oprah Magazine * Cosmopolitan * Time * The Millions * The Advocate * Autostraddle * Refinery29 * Shape * Town & Country * Book Riot * Literary Hub * *Kink* is a dynamic anthology of literary fiction that opens an imaginative door into the world of desire. The stories within this collection portray love, desire, BDSM, and sexual kinks in all their glory with a bold new vision. The collection includes works by renowned fiction writers such as Callum Angus, Alexander Chee, Vanessa Clark, Melissa Febos, Kim Fu, Roxane Gay, Cara Hoffman, Zeyn Joukhadar, Chris Kraus, Carmen Maria Machado, Peter Mountford, Larissa Pham, and Brandon Taylor, with Garth Greenwell and R.O. Kwon as editors. The stories within explore bondage, power-play, and submissive-dominant relationships; we are taken to private estates, therapists’ offices, underground sex clubs, and even a sex theater in early-20th century Paris. While there are whips and chains, sure, the true power of these stories lies in their beautiful, moving dispatches from across the sexual spectrum of interest and desires, as portrayed by some of today’s most exciting writers.
