*CUT UP! An Anthology Inspired by the Cut-Up Method of William S. Burroughs & Brion Gysin* A.D. Hitchin, Joe Ambrose, 2014 In Paris in the late Fifties the Beat Generation writer William Burroughs and his sidekick Brion Gysin developed the cut-up method. It involved taking a piece of finished text and cutting it into pieces - then rearranging those pieces to create a new text or work of art. Burroughs wrote that: When you cut into the present the future leaks out. The cut-up had a profound effect on music, writing, painting, and film. Devotees of the cut-up include David Bowie, Radiohead, and Kathy Acker. In addition to bringing together new work by new people, CUT UP! also salutes some better known 20th Century voices who kept the spirit of Burroughs and Gysin alive. Contributors include Kenji Siratori, Claude Pelieu, Nina Antonia, Billy Chainsaw, Cabell McLean, Mary Beach, Marc Olmsted, Allen Ginsberg, Spencer Kansa, Michael Butterworth, Robert Rosen, Nathan Penlington, Sinclair Beiles, Gary J. Shipley, D M Mitchell, and Edward S. Robinson.

*Animated Mischief* Brian N. Duchaney, David S. Silverman, 2023-09-28 Over the last century, the medium of animation has served as an expression of childhood as well as a method of subverting the expectations of what society has promised for the future. Separated into three parts, this work assembles various explorations of taste, culture and passion through animation. Section I features essays that outline the historical changes in art and society that gave rise to an outsider culture that found a home in animation. In the second section, essays examine the practical use of animation as a voice for the underserved. Finally, in Section III, essays analyze the ways in which animation has reshaped the acceptance of outsider status to embrace otherness. Featuring everything from feature-length films to self-produced YouTube videos, the essays in this text reflect a shared love of animation and its unique ability to comment on society and culture.

The Mind of Africa Abraham, W.E.,2015-06-12 William Abraham studied Philosophy at the University of Ghana, and even more Philosophy at Oxford University. Thereafter, he gained permission to take part in the competitive examination and interview for a fellowship at All Souls' College. The examination was once described, with some exaggeration, as 'the hardest exam in the world!' It included a three-hour essay. Following his success in becoming the first African fellow of All Souls, his interest in African politics quickly developed into a Pan-African perspective. The Mind of Africa, written while he was still at All Souls, was a fruit of that enlarged perspective. After several years as a Fellow, he had occasion to visit Ghana in 1962. There Kwame Nkrumah, then President of Ghana, successfully persuaded him to return to Ghana to teach at the University of Ghana, Legon and he subsequently resigned from All Souls. In 1968, he went to the United States as a visiting professor. This was followed by invitations to teach at various academic institutions there, including Berkeley and Stanford. He subsequently settled in California, where he continued to teach and research philosophy in the University of California at Santa Cruz until his retirement. The Mind of Africa appeared at a time when a number of African countries were obtaining, or fighting for, their political freedom from their colonial rulers and becoming independent nations and expecting to build new societies in accordance with their own visions and conceptions, though not necessarily jettisoning all the features of their colonial heritage. Building new societies requires appropriate ideologies and philosophies fashioned within the crucible of their cultural and historical experiences. Thus, the relation between ideology and society is taken up at the very outset of the book... The Mind of Africa is important for Africa's future and identity.

The Lost Expedition Douglas Smith,2023-03-09 The Thrilling Conclusion to the Multi-Award-Winning Trilogy Will is the Dream Rider, the superhero who walks in our dreams but never in the streets of his own city. Case is his girlfriend, a survivor of those streets who hears voices warning her of danger. Fader, her brother, is very good at disappearing. In The Hollow Boys, they defeated a body

swapper and a witch to save the world. In *The Crystal Key*, they battled warring cults to protect an ancient artifact tied to Will's affliction. The Chakana. The Crystal Key. But the key to what? To finding answers, they hope, to the questions that rule their lives. What caused their strange powers? And Will's crippling agoraphobia? Can he be cured? Why did their parents travel to the jungles of Peru eight years ago? Are they still alive? Behind every question is the Chakana. What is the mysterious relic? Why will people kill to possess it? What hold does it have on Will? As creatures from Inca myths haunt the three friends, another attack on the Chakana threatens Will's life. To save him and solve the mystery of the lost expedition, only one choice remains. Return to Peru. With the Chakana. There, they find friends and foes, both old and new. And behind it all, an unseen enemy moving them like pieces on a chessboard. To win this deadly game, Will, Case, and Fader must master new powers to defeat the most dangerous adversary they've ever faced—a god. At stake this time? Every life, every world, every universe. **To Find and Wake the Dreamer** Hugh Cook, 2005-12-01 A fast-moving fantasy novel, a no-holds-barred novel written on an adult level, about the war on terror. In the city state of Oolong Morblock, where a certain proportion of the people have a natural ability to cause themselves to explode, in effect making them potential suicide bombers, Ibrahim Chess tries to find the middle road: to steer a course of moderation and sanity in a world which is going mad, and where the civil peace is threatened by the increasingly intolerant fanaticism of the conflict between the minority group to which Ibrahim belongs, the astrals, and the city state's dominant group, the

norms. Note: this book contains some disturbing scenes. If you do not find something in this book to disturb you then you are a seriously disturbed person. Are you a person of exquisite good taste? Then, sorry, but you are disqualified as a reader. This book pretty much takes the attitude that boundaries (especially boundaries of taste) are there to be breached. You have been warned!
