The Lords of Avaris David M. Rohl, 2007 *The Lords of Avaris* is one man's journey in search of the legendary origins of the Western World. Our story begins in a small rock-cut tomb below the desolate ruin-mound of Jericho in the Jordan Valley. This is the start of an epic journey of discovery, in the Homeric mould, which ranges across the ancient lands and archaeological sites of the Mediterranean. From Joshua's Jericho to Romulus' Rome, the true chronicle of our pre-Christian past is uncovered revealing an extraordinary historical picture, previously unimagined by scholars. The epic legends of the West, which permeate the writings of Greece and Rome, appear to have been based on the exploits of genuine historical figures and actual events. There really was an 'Heroic Age' of brazen-clad warriors, the last of which fought before the walls of Troy, just as described in Homer's Iliad. At the beginning of the Middle Bronze Age - two thousand years before the assassination of Julius Caesar in the Roman Senate - a new people appeared on the stage of history to join the great civilisations of Mesopotamia and Egypt. These 'Indo-European'-speaking tribes were chariot-riding warriors from the northern mountains and plains. They became the Hittites, the Aryan kings of Mitanni, the Vedic heroes of the Indus, and the founders of the later empires of Greece, Persia and Rome. They had many legendary names - the Divine Pelasgians of Greece, the Luwians of Troy and western Anatolia, the Rephaim and Anakim of the Bible, and the Hyksos rulers of Avaris who suppressed Egypt for generations. Their heroes and heroines are legionary: Inachus, mythical king of Argos in the Peloponnese; his daughter the beautiful Princess Io who married an Egyptian pharaoh; Danaus, the Hyksos ruler who, fleeing from Egypt to Greece, founded the Mycenaean dynasty which culminated in Agamemnon's ill-fated Trojan War; Cadmus, the bringer of writing to the West; Minos, the Cretan high-king of Knossos who built the infamous Labyrinth; Mopsus, warrior and sage who led a vast Greek, Philistine and

Anatolian army into the Levant in a daring attempt to seize Egypt in the time of Ramesses III. All these, and more, are the stuff of legend - but *The Lords of Avaris* reveals these Classical heroes as flesh-and-blood characters from our ancestral past.

Hyksos Series, Book 1 Max Overton, 2020-03-18 The power of the kings of the Middle Kingdom have been failing for some time, having lost control of the Nile Delta to a series of Canaanite kings who ruled from the northern city of Avaris. Into this mix came the Kings of Amurri, Lebanon and Syria bent on subduing the whole of Egypt. These kings were known as the Hyksos, and they dealt a devastating blow to the peoples of the Nile Delta and Valley. When Arimawat and his son Harrubaal fled from Urubek, the king of Hattush, to the court of the King of Avaris, King Sheshi welcomed the refugees. One of Arimawat's first tasks for King Shesi is to sail south to the Land of Kush and fetch Princess Tati, who will become Sheshi's queen. Arimawat and Harrubaal perform creditably, but their actions have far-reaching consequences. On the return journey, Harrubaal falls in love with Kemi, the daughter of the Southern Egyptian king. As a reward for Harrubaal's work, Sheshi secures the hand of the princess for the young Canaanite prince. Unfortunately for the peace of the realm, Sheshi lusts after Princess Kemi too, and his actions threaten the stability of his kingdom...

The Oracle of Avaris Alisha Sevigny, 2022-01-18 A search for answers from a mysterious Oracle has Sesha and her friends navigating intrigue and danger in this thrilling series finale. Leaving the oasis, Sesha and her friends set sail for Avaris, intent on stopping the Hyksos chieftain from claiming the throne and declaring war on Thebes. On the journey, Sesha learns that she and the scroll are at the centre of a pair of prophecies made by a famed oracle — ones with staggering implications for both her and the Hyksos people. But when the crew arrives in the bustling port city, they are stunned to discover the oracle is missing. With the prophecies now in doubt and their lives in danger, Sesha, Paser, and Reb must race to find a mysterious priestess sect and witness the third, and final, prophecy before the upcoming lunar eclipse. As the young scribes seek answers, Sesha must untangle her past and future while keeping war from erupting in the present. For there is one person she cannot bear to face across the Hyksos battlefield: her brother. Be sure to read Sesha's earlier adventures, *The Lost Scroll of the Physician* and *The Desert Prince*.

Hyksos Series, Book 1: Avaris Max Overton, 2020-01-19

Moses of Avaris Robert T. Evans, 2009-02-25 A provocative and non-traditional tale of the life of a great prophet.

Moses of Avaris Robert T. Evans, 2011-07-01 During the sojourn of Israel in Egypt (about 1652 - 1424 BCE) Avaris was the capital and largest city of the province of Goshen. This is the story of the Departure of Israel, the last of the Hebrew (Hyksos) nations to leave Egypt, and of their leader, Moses the Prophet of God. This novel is classified fiction but is based on historical and scriptural truth and may paint a more accurate picture of the Exodus than do

traditional accounts. Moses of Avaris is a story of brutal oppression and sweet deliverance, of deep despair and wonderful hope, of love found, violently torn away and then regained. It considers the question of whether one should turn the other cheek to those seeking evil or retaliate with bitter vengeance upon the evil doers, . It is also a story of political intrigue at the highest levels of the Egyptian monarchy. It is about two able and ambitious women seeking to assert themselves in a culture dominated by men. It is the tale of an innocent babe, condemned at birth to a watery grave but preserved by the power of God to be raised up as a prince and heir to a throne; who then rejects that crown, humbling himself before the divine presence and receiving a portion of power and authority such that would provoke the envy of all earthly rulers.

The Kenryk Series: The Avaris Wela Kabane,2021-08-03 All Amari ever wanted growing up in the sleepy village of Synia was to become a Sage Warrior in the Great Kingdom of Sagar. Unfortunately, only men are allowed to become warriors. An impulsive decision forces her to leave home and travel through Sagar where she encounters her two companions; the emotionally unavailable Korin and his overprotective best friend, Forde. The trio travel through Sagar together under the heavy cloud of pursuing danger from not just a mercenary, but the mystical Emori. When Amari finds out her true parentage, she is forced to choose between her childhood dream of becoming a Sage Warrior or assume the role of a Kenryk Avaris. Which choice will she make?

Shalom- Peace. This book is presented to you all in the hopes that you are well and feeling vibrant. The content of this book is based on a historical matter. The book is not based on a philosophical nor theological standpoint. The book none-the-less does show how the hand of the Creator is involved in history. The book based on

history starts with the Hebrew's in Egypt in Avaris (Tel El Dab'a) and goes on to show how the Hebrews in this case, the Israelites, became the said Black Americans of today. For this we use prophecy and then show how history intertwines.

Moses of Avaris Robert Evans,2015-01-05 Moses of Avaris Part IV Son of Jethro covers the life of the prophet Moses from the time he left Egypt until the Passover. Sources for the book include The Bible, Pearl of Great Price (considered scripture by The Church of Jesus Christ of Latter Day Saints), Works of Josephus, Book of Jasher and various documents on Egyptian history.Moses struggles with two issues. First: Should he accept the call from God to liberate Israel from Egypt, even though Israel rejected his leadership. Second: Should he raise an army to defeat Egypt or follow the advice of his mentor, Jethro Reuel of Midian, and confront the might of Pharaoh with only God at his back.Moses is presented as more human than traditional stories and includes material found in sources other than the Bible.The book is directed toward adults and mature youth. The author would rate the book as PG-13.
