Will Eisner

Dropsie Avenue Will Eisner, 1995 A black-and-white graphic novel chronicle of the rise, decline, and rebirth of a neighborhood in the South Bronx over the course of more than one hundred years.

Faster Than a Speeding Bullet Stephen Weiner, Will Eisner, 2012 The groundbreaking history of the graphic novel, fully updated to include all of the latest must-reads, the milestones and the future of this exciting medium. The author of 101 Best Graphic Novels now tells the whole history of the graphic novel revolution, from the first modern urban autobiographical graphic novel, Will Eisner's *A Contract With God*, to the hip indie comics of the Hernandez Bros' *Love and Rockets*, the dark mysteries of Neil Gaiman's *Sandman* and the postmodern superheroics of Frank Miller's *Batman: The Dark Knight*.

Comics and the Senses Ian Hague, 2014-01-10 Attempts to define what comics are and explain how they work have not always been successful because they are premised upon the idea that comic strips, comic books and graphic novels are inherently and almost exclusively visual. This book challenges that premise, and asserts that comics is not just a visual medium. The book outlines the multisensory aspects of comics: the visual, audible, tactile, olfactory and gustatory elements of the medium. It rejects a synaesthetic approach (by which all the senses are engaged through visual stimuli) and instead argues for a truly multisensory model by which the direct stimulation of the reader's physical senses can be understood. A wide range of examples demonstrates how multisensory communication systems work in both commercial and more experimental contexts. The book concludes with a case study that looks at the works of Alan Moore and indicates areas of interest that multisensory analysis can draw out, but which are overlooked by more conventional approaches.

Will Eisner Reader Will Eisner, 2000 *Winning: A man runs a marathon to prove himself.*

V.I.C.'s (Vault Insider's Club) #1 (Gray-scale) Prasaad Bush, 2008-06-13 'V.I.C.'s (Vault Insider's Club's)' is an action-packed, adventure, comedy based on a puppet-character named Roger who lives in this imaginary town named Vickyville. His 3 silly abnormal cousins, Hammerhead, Laffy-Taffy, and Spiky, always annoy him with their foolish pranks and activities. In *Surprise Party*, Roger's toy-box, full of toys, would come to life and become his friends. Roger discovers something amazing; colorful, magnetic ice cubes, bright enough to shine the funhouse, full of magic. Meanwhile, Roger senses a dark side; the evil Emerald magically appears at the funhouse, and by the time Roger returns to the funhouse, the ice-cubes were stolen. It's up to Roger and his friends to prevent Emerald from ruining the V.I.C.'s party.

The Flash Vol. 2: The Road to Flashpoint Geoff Johns, 2012-10-02 The race towards FLASHPOINT continues in this Flash collection from comics' hottest writer Geoff Johns and artist Francis Manapul! Collects THE FLASH #8-12. Make way for Hot Pursuit - the latest speedster to come out of the Speed Force! He's here to make sure no one breaks the speed limit - hero or villain! This hardcover collection of THE FLASH #8-12 leading up to the epic events of FLASHPOINT follows Barry Allen and the family of speedsters, as they try to discover Hot Pursuit's identity and what he's doing in Keystone City! This volume also features the origin of Barry Allen's greatest foe, Professor Zoom! Eobard Thawne's story is just beginning -- and he intends to finish it with The Flash!

The Dreamer Will Eisner, 1986 In this new graphic novella, Will Eisner explores the hopes and dreams of a young man who desires to be a cartoonist. It takes place during the depressed economic time of the mid-1930s. As the young man nourishes his vision of the future, he discovers the newly created field of comic books. As he gains a foothold in the new industry, the young man learns and grows along with it. The people he meets, his success, his failures, his persistence of vision are all documented here. This is the story about businessmen and artists, pragmatists and dreamers, by a man who was indeed there at the beginning of comic books, and is recognized worldwide today as a master of the medium.--Jacket.

The Blacker the Ink Frances Gateward, John Jennings, 2015-07-16 When many think of comic books the first thing that comes to mind are caped crusaders and spandex-wearing super-heroes. Perhaps, inevitably, these images are of white men (and more rarely, women). It was not until the

1970s that African American superheroes such as Luke Cage, Blade, and others emerged. But as this exciting new collection reveals, these superhero comics are only one small component in a wealth of representations of black characters within comic strips, comic books, and graphic novels over the past century. *The Blacker the Ink* is the first book to explore not only the diverse range of black characters in comics, but also the multitude of ways that black artists, writers, and publishers have made a mark on the industry. Organized thematically into “panels” in tribute to sequential art published in the funny pages of newspapers, the fifteen original essays take us on a journey that reaches from the African American newspaper comics of the 1930s to the Francophone graphic novels of the 2000s. Even as it demonstrates the wide spectrum of images of African Americans in comics and sequential art, the collection also identifies common character types and themes running through everything from the strip *The Boondocks* to the graphic novel *Nat Turner*. Though it does not shy away from examining the legacy of racial stereotypes in comics and racial biases in the industry, *The Blacker the Ink* also offers inspiring stories of trailblazing African American artists and writers. Whether you are a diehard comic book fan or a casual reader of the funny pages, these essays will give you a new appreciation for how black characters and creators have brought a vibrant splash of color to the world of comics.

Encyclopedia of Black Comics Sheena Howard, Christopher Priest, 2017-09-15 The *Encyclopedia of Black Comics*, focuses on people of African descent who have published significant works in the United States or have worked across various aspects of the comics industry. The book focuses on creators in the field of comics: inkers, illustrators, artists, writers, editors, Black comic historians, Black comic convention creators, website creators, archivists and academics—as well as individuals who may not fit into any category but have made notable achievements within and/or across Black comic culture.

10th Muse Crossovers #1 Darren G. Davis, 2015-12-10 Throughout the years the 10th Muse has teamed up with some of the top comics such as *Shi*, *Savage Dragon*, *Tellos*, *Legend of Isis*, and *Judo Girl*. All these amazing stories brought to you by top comic talent as Billy Tucci, Erik Larsen, Marv Wolfman, Roger Cruz, and Mike Wieringo are now gathered together in this single graphic novel. Also included is a never-before-seen crossover with Indie favorite *Koni Wave*!

The Backstagers #8 James Tynion IV, 2017-03-29 Final issue! The crew has spent so much time in the backstage world that they haven't gotten around to preparing anything for the show!

OuterSpeares Daniel Fischlin, 2014-11-05 For Shakespeare and Shakespearean adaptation, the global digital media environment is a “brave new world” of opportunity and revolution. In *OuterSpeares: Shakespeare, Intermedia, and the Limits of Adaptation*, noted scholars of Shakespeare and new media consider the ways in which various media affect how we understand Shakespeare and his works. Daniel Fischlin and his collaborators explore a wide selection of adaptations that occupy the space between and across traditional genres – what artist Dick Higgins calls “intermedia” – ranging from adaptations that use social networking, cloud computing, and mobile devices to the many handicrafts branded and sold in connection with the Bard. With essays on YouTube and iTunes, as well as radio, television, and film, *OuterSpeares* is the first book to examine the full spectrum of past and present adaptations, and one that offers a unique perspective on the transcultural and transdisciplinary aspects of Shakespeare in the contemporary world.

Comic Books Incorporated Shawna Kidman, 2019-04-30 *Comic Books Incorporated* tells the story of the US comic book business, reframing the history of the medium through an industrial and transmedial lens. Comic books wielded their influence from the margins and in-between spaces of the entertainment business for half a century before moving to the center of mainstream film and television production. This extraordinary history begins at the medium’s origin in the 1930s, when comics were a reviled, disorganized, and lowbrow mass medium, and surveys critical moments along the way—market crashes, corporate takeovers, upheavals in distribution, and financial transformations. Shawna Kidman concludes this revisionist history in the early 2000s, when Hollywood had fully incorporated comic book properties and strategies into its business models and transformed the medium into the heavily exploited, exceedingly corporate, and yet highly esteemed

niche art form we know so well today.

More Heroes of the Comics Drew Friedman,2016-11-09 Spanning the birth of the industry to its first few decades, this book has approximately 100 full-color portraits of the legends of American comic books—publishers, editors, and artists. Its subjects are popular and obscure, men and women, and it includes several pioneering artists of color.

Comic Book History of Comics: Comics For All Fred Van Lente,2018-06-27 At last! The amazing, inspiring story of the comics medium in comics form goes global! In this volume, Fred and Ryan tackle the origins of Japanese manga, French graphic albums, the British Invasion of the American scene, the battle for creators' rights in the US, and how comics have invaded cyberspace and Hollywood! Plus: the Her-Story of Comics continues, and we spotlight other countries' funnybooks across five continents! The Comic Book History of Comics goes wherever comics go--which is everywhere!

Big Game #5 Mark Millar,2023-11-15 MINISERIES FINALE This is it! The double-length conclusion to the best company crossover in years. We've seen all the beloved Millarworld characters together for the first time and watched as Nemesis murdered them one by one. But is there a chink of hope somewhere he's forgotten about? This book is a must for fans of KICK-ASS, KINGSMAN, THE MAGIC ORDER, NEMESIS, and all your favorites.

Crowded Vol. 1 Christopher Sebela,2019-03-20 Ten minutes in the future, the world runs on an economy of job shares and apps like Reaper, a platform for legal assassination. When the apparently average Charlie Ellison wakes up one day to find out she's the target of a million dollar Reapr campaign, she hires Vita, the lowest rated bodyguard on the Dfend app. Now, with all of Los Angeles hunting Charlie, she and Vita will have to figure out who wants her dead, and why, before the campaign's 30 days or their lives are over. From Eisner-nominated writer CHRISTOPHER SEBELA (SHANGHAI RED, We(l)come Back, Heartthrob), RO STEIN and TED BRANDT (Captain Marvel, Raven: The Pirate Princess), TRIONA FARRELL (Runaways, Mech Cadet Yu), and CARDINAL RAE (BINGO LOVE, ROSE). Collects CROWDED #1-6 HOLLYWOOD NEWS! Rebel Wilson has optioned the rights with the goal of starring in and producing the movie adaptation. Wilson will develop the project and produce it via her Camp Sugar production banner. Also producing is Oni Entertainment.

Perspectives on Digital Comics Jeffrey SJ Kirchoff,Mike P. Cook,2019-02-21 This collection of new essays explores various ways of reading, interpreting and using digital comics. Contributors discuss comics made specifically for web consumption, and also digital reproductions of print-comics. Written for those who may not be familiar with digital comics or digital comic scholarship, the essays cover perspectives on reading, criticism and analysis of specific titles, the global reach of digital comics, and how they can be used in educational settings.

The Art of Painted Comics Chris Lawrence,Alex Ross,2016-06-01 The history of painters in comics goes back to the dawn of pulp magazine covers. From The Shadow and The Spider to The Black Bat and so many other characters, painter's works have graced the covers of comics and pulps, which have influenced many artists over the decades. This deluxe coffeetable art book, edited and overseen by Alex Ross — one of the comic industry's most recognized painters, whose expertise has helped guide and define its contents — is the most important, most comprehensive prestige hardcover retrospective of the history of painters in comics, of all time.

The Non-Geeks Guide to Comic-Con Eric Tompkins,2012
