The Umbrella Conspiracy S. D. Perry,1998 A remote mountain community is suddenly besieged by a rash of grisly murders encroaching upon it from the surrounding forest. Bizarre reports start to spread, describing attacks from vicious creatures, some human...some not. At the centre of these deaths is a dark, secluded mansion belonging to the mysterious Umbrella Corporation. For years Umbrella has laboured within the mansion, unwatched, ostensibly conducting benign genetic research. Deployed to investigate the strange goings on is the Special

Tactics and Rescue Squad (S.T.A.R.S), a paramilitary response unit boasting an unusual array of mission specialists. They believe they are ready for anything but nothing prepares them for the terror which awaits them when they penetrate the mansions long-locked doors. Behind the horror of nightmare creatures, results of forbidden experiments gone disastrously wrong, lies a conspiracy so vast in its scope and so insidious in its agenda that the S.T.A.R.S will be betrayed from within to ensure that the world never learns Umbrella's secret. And if any survive...they may well come to envy those who do not.

Rethinking Historical Injustice and Reconciliation in Northeast Asia Gi-Wook Shin, Soon-Won Park, Daqing Yang, 2007-01-24 Despite witnessing phenomenal economic growth and the spread of democratization in recent decades, as well as impressive intra-regional exchanges and interactions in the economic and cultural spheres, the Northeast Asian region still experience wounds from past wrongs that were committed in times of colonialism, war and dictatorship. Overcoming these historical animosities has become one of the most pressing issues of the future for the region. Of all the countries in the Northeast Asia region coping with this historical injustice, the Republic of Korea stands out as both a victim and an aggressor. Being a nation that has addressed issues of both internal and external injustice, Korea becomes the focus of this volume. Using examples of injustice from the colonial and the Second World War period, the Korean civil War, the current stage of Korean transitional justice and broader regional and global perspectives, the book concludes with a section on forward-looking approaches for arriving at reconciliation in the Asian region. This is a significant book that will be of huge interest to anyone studying East Asian politics, history or society.
