An Aware Consumer B.Vaidyanathan,2017-08-30 Mr. B.Vaidyanathan, a Chemical Engineer by profession, and Chief Mentor, Consumer Protection Council, Rourkela, has been associated with the Indian consumer movement, for well over 30 years and has many achievements to his credit, apart from organising a voluntary consumer organisation in the tribal belt of Odisha. His single handed initiative through the National Consumer Disputes Redressal Commission (NCDRC), against the short-filling of cooking gas refills, resulted in the upgradation of 184 LPG bottling plants of the three Public Sector Oil Companies, M/s IOCL, BPCL and HPCL. Towards this upgradation, the Ministry of Petroleum & Natural Gas, Govt. of India, had to spend over Rs. 300 crores. The mute point is that this upgradation has brought relief to crores of unsuspecting housewives from Kashmir to Kanyakumari. Though the Supreme Court failed to deliver justice, in terms of compensation and punitive damages payable to a voluntary consumer organisation and to the Consumer Welfare Fund, as prescribed in the Consumer Protection Act, his determined zeal to pursue the matter till the filing of the Curative Petition and thereafter, should be an inspiration for all those young people, who have the nerves and the commitment to pursue social goals. Mr. Vaidyanathan has shared his varied experiences in this book, which is a must read not only for the interesting cases narrated therein, but a motivational story, led by an example of 'Never Say Die'. This narrative has been made all the more interesting by sharing informative experiences relating to important consultative bodies and how the activists need to work to ensure delivery and what the government needs to do to protect the consumers better.
