(Not) Another Love Story Jackie Bluu, 2020-11-15 First comes lust, then maybe love, then all of your emotions come out to play. Through the journey, however, you might find that you end up falling in love with yourself. Written in a series of poetry entries by the protagonist, this book is bound to resonate with fools of love and hopeless romantics everywhere. (Not) Another Love Story is an emotionally challenging journey to self-love and self-discovery.

Bluu Notes Takiyah Nur Amin, Mykal Slack, 2022-02-10 Black Lives of Unitarian Universalism (BLUU), both as an organization and as a growing spiritual family, offers BLUU Notes as an exploration of Unitarian Universalism as an orientation toward love and self-love, toward justice and liberation, and toward a call to relationship building that is grounded in accountability and care, all centered in Blackness and all with a belief in the power and possibility of Unitarian Universalism living up to the very best parts of itself--

My Dear Melancholia Jackie Bluu, 2020-05-18 This small book is comprised of fifteen sensational poems and vivid illustrations that tickle your most somber thoughts and awaken your deepest emotions. My Dear Melancholia focuses on the long-term healing process of mental illness, while also fighting to figure out one's identity and personality without it.

Deferred Prosecution Agreements and Directors' Liability Natalie Turney, 2024-06-19 This book provides in-depth analysis of deferred prosecution agreements (DPAs), a tool first introduced in the United States and since implemented in the United Kingdom and other jurisdictions. The central focus

of the book is the impact of DPAs on company directors: DPAs were first introduced in the US for individuals, but are now used predominantly for corporate defendants. In the UK, DPAs have only ever been available for companies. The consideration of individuals in the introductory stage in the UK is explored in depth, as well as the consideration and targeting of individuals in cases that have followed. Company directors are exposed to liability because of this negotiated deal between the company and prosecutors, and this book addresses the key areas of exposure, and how various parties should address these risk areas in accordance with the law. The book is an increasingly necessary contribution to the topical discussion of the fallout of unsuccessful prosecutions of individuals implicated in the wrongdoing constituting the basis of DPAs, calling into question not only treatment of those individuals but also the integrity of the DPA tool itself. It also considers the impact of DPAs and arising exposures on directors' and officers' (D&O) liability insurance, therefore covering potential risk areas and the ability of directors to access a defence in protecting themselves from liability. The book covers the impact on all areas of a D&O policy, considering D&O policy wording and insurance law in doing so, providing a rounded account of issues arising in relation to company directors and how interested parties can act in the best interests of all whilst in accordance with law and policy. The primary audience for this book will be lawyers and practitioners in the corporate crime and/or insurance law space, including general counsels, solicitors, barristers, consultants, prosecuting authorities, legal academics, and so forth. It will also be of interest to company directors, and to students of financial crime, corporate criminal crime and insurance law, and will have great international appeal. Organisations likely to use the book will include prosecuting authorities, law firms working on corporate criminal liability or D&O insurance cases, and companies looking to protect themselves where there is alleged wrongdoing.

Don't Ignore Me, Bluu. Kemba Jarena Lucas, 2022-08-14 Prophetess Dr. Kemba Jarena Lucas, founder and chief visionary officer of Daughters of Destiny International (DOD), celebrates the organization's silver anniversary by assisting her tribe and any Christian woman striving to become vulnerable with an open heart via the spiritual practice of Being Bluu-being God's Gift-in order to abandon their doubting thought-patterns centered on other people's acceptance rather than their obedience to God. She gifts Don't Ignore Me, Bluu.: Sixteen Prayers and Letters for Any Woman Daring to Pray on a Bluu Day to Encourage Herself with the hope of assisting you, her Sister-Reader, to write to yourself, pray for yourself, and encourage yourself so you can truly be all God has called you to BE with your feet protected from stumbling (Psalm 66:9b). By purchasing this book, you are financially supporting Daughters of Destiny International's Build HER Global Project, which is co-sponsored by KJL Design + Build, KEMBA IC partners, and other faith-based organizations around the world. This global project will provide borehole wells, butterfly meditation gardens, Gchapels, prayer walls, exterior remodeling, landscaped campuses, and hospitable built environments to foster community within a harmonized sacred space of divinity, humanity, and nature, thereby catalyzing educational, economic, and communal growth, particularly for women and girls.

Facing the Beast Jackie Bluu, 2019-01-02 Facing the Beast is a story of the mind depicting grief, mental illness, and the effects of child sexual abuse. How does the mind continue to unravel after enduring years of abuse as a child? How does one try to cope with that leftover trauma along with added unresolved grief? Written in a snarky collection of thirty poems, some of which are simple illustrations, readers have a chance to get inside the author's head and witness a damaged woman's struggle to overcome these tragic experiences. This chapbook brings forth difficult and uncomfortable subjects to the table, with just the right hint of sarcasm and dark humor.

Nia Bluu & The Great Awakening Moe Nicole, 2021-03-30 Meet Nikki, a 31-year old woman who's life seemed to be going perfectly until she began having vivid dreams at night. The closer it got to her 32nd birthday, the more everything seemed to be turned upside down until she learned it was because she was born with supernatural powers. From her match made in heaven relationship to the death of someone who was most important to her, Nikki goes through a year of trials and tribulations as she comes to terms with her family history and her personal connection to the magical world. She is the Nia, chosen to break the generational curses in her family, that they have been plagued with since the onset of slavery. Nikki learns that it is up to her, to return to the bloodline of her roots, strengthen her powers, and find the Soul of the World so it can be protected again. But, will she accept the challenge? This is the first book of a series, following the world of witches, wizards, and magical beings from the Motherland in Africa to cultures found around the world. Welcome to the Great Awakening!

Black Magic Elizabeth Detty, 2018-04-13 While Fate didn't bring them together destiny now binds not just their futures but their lives together. the Peacekeepers Bluu a Mermaid Siren and Pyre a hot headed fire demon keep the supernaturals from breaking the truce with humans as they try to hold

their world together through the outbreak of power and war within their own world while dealing with their own feelings for each other as well.

Race, Religion, and Black Lives Matter Christopher Cameron, Phillip Luke Sinitiere, 2021-08-15 Black Lives Matter, like its predecessor movements, embodies flesh and blood through local organizing, national and global protests, hunger strikes, and numerous acts of civil disobedience. Chants like “All night! All day! We’re gonna fight for Freddie Gray!” and “No justice, no fear! Sandra Bland is marching here!” give voice simultaneously to the rage, truth, hope, and insurgency that sustain BLM. While BLM has generously welcomed a broad group of individuals whom religious institutions have historically resisted or rejected, contrary to general perceptions, religion neither has been absent nor excluded from the movement’s activities. This volume has a simple, but far-reaching argument: religion is an important thread in BLM. To advance this claim, *Race, Religion, and Black Lives Matter* examines religion’s place in the movement through the lenses of history, politics, and culture. While this collection is not exhaustive or comprehensive in its coverage of religion and BLM, it selectively anthologizes unique aspects of Black religious history, thought, and culture in relation to political struggle in the contemporary era. The chapters aim to document historical change in light of current trends and current events. The contributors analyze religion and BLM in a current historical moment fraught with aggressive, fascist, authoritarian tendencies and one shaped by profound ingenuity, creativity, and insightful perspectives on Black history and culture.

Letters I'll Never Send Jackie Bluu, 2023-11-17 Have you ever missed your chance to express your exact feelings to a former friend or former lover? Or maybe you spent hours scribbling down your thoughts in ink because it was the only way you felt some, if not full, catharsis? What do you wish you could say out loud, but instead spill on paper, then tuck the pages safely away in a box,

under neatly folded garments in a bedroom drawer, and bury deep inside your mind? Letters I'll Never Send is a compilation of first-person narratives, including letters, personal essays, poems, diary entries, postcards, and other genre-bending literary works, written by women or those who identify as such. This anthology captures us in our most fragile state and spotlights emotional ties or human experiences that we have all encountered, such as grief, trauma, family bonding, self-reflection, love, regret, and more. In Letters I'll Never Send, a woman grieves her unborn child, breathing in life through her aching words; a mistress requests permission from her lover's wife to share his affections; a daughter grapples with feelings of abandonment from her father after he remarries; a hopeless romantic reflects on her dating life and sets forth reinforcing affirmations; a sibling battles both years-long grief and rage toward her sister for her irresponsible death; a survivor grows weary of her trauma and confronts her rapist; a dedicated doctor explains her difficult departure from traditional Western medicine; among other sentimental tales. These relatable accounts in the book chronicle just what some may disclose, if ever given the right time and/or opportunity. Showcasing our individual journeys and varying circumstances, Letters I'll Never Send reveals how similar our lives actually are, and how we can combine our common experiences to form intangible and resonant connections, no matter the difference in age, location, gender, race or identity.

The Selfless Act of Breathing JJ Bola, 2022-02-15 A Black teacher searches for himself across the United States in this “emotive, brave” (Daily Mail, London) story for all of us who have fantasized about escaping our daily lives and starting over. Michael Kabongo is a British Congolese teacher living in London and living the dream: he’s beloved by his students, popular with his coworkers, and adored by his proud mother who emigrated from the Congo to the UK in search of a better life. But when he suffers a devastating loss, his life is thrown into a tailspin. As he struggles to find a way forward,

memories of his fathers' violent death, the weight of refugeehood, and an increasing sense of dread threaten everything he's worked so hard to achieve. Longing to start over, Michael decides to spontaneously pack up and go to America, the mythical "land of the free," where he imagines everything will be better and easier. On this transformative journey, Michael travels everywhere from New York City to San Francisco, partying with new friends, sparking fleeting romances, and splurging on big adventures, with the intention of living the life of his dreams until the money in his bank account runs out. "Narrated with haunting lyricism, *The Selfless Act of Breathing* is an intimate journey through the darkest of human impulses to the gleaming flickers of love and radical hope" (Susan Abulhawa, author of *Against the Loveless World*).
