How to Eat a Millennial .. One Byte at a Time Valerie Caccia,2019-03-09 This is a humorous look at intergenerational connectivity in the modern world.

Camp Jupiter Classified Rick Riordan,2020-05-05 Mysterious incidents are wreaking havoc throughout Camp Jupiter. And if the Romans don't find out who-or what-is behind the episodes soon, the Twelfth Legion could implode. Suspicion falls on Claudia, the Fourth Cohort's newest probatio. To find out the truth, see through Claudia's eyes the crime scenes, and watch as the bizarre events unfold - even when she discovers a secret that holds the key to Camp Jupiter's safety...

Lower Your Brain Age Publications International Ltd.,2014 Your brain, like your body, needs care and maintenance to stay fit and functioning. A growing body of evidence suggests that protecting your noggin and taking other steps to preserve and enhance your brain power along the way may help keep your brain from showing its age. --

Camp Half-Blood Confidential Rick Riordan,2017-05-04 A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as What is this place? and Do I get to keep the T-shirt? Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

Capital Games Gail Hauser,2010-01-24 Let the games begin... Former Los Angeles Police officer Steve Miller has gone from walking a beat in the City of Angels to joining the rat race as an advertising executive. He knows how cut-throat the industry can be, so when his boss tells him that he's in direct competition with a newcomer from across the pond for a coveted account he's not surprised...then he meets Mark Richfield. Born with a silver spoon in his mouth and fashion-model good looks, Mark is used to getting what he wants. About to be married, Mark has just nailed the job of his dreams. If the determined Brit could just steal the firm's biggest account right out from under Steve Miller, his life would be perfect. When their boss sends them together to the New Mexican desert for a team-building retreat the tension between the two dynamic men escalates until in the heat of the moment their uncontrollable passion leads them to a sexual experience that neither can forget. Will Mark deny his feelings and follow through with marriage to a woman he no longer wants, or will he realize in time that in the

game of love, sometimes you have to let go and lose yourself in order to really win.

A Mandate of Sword and Railgun Black Knight, 2021-10-09 Fringe Space... It is where mighty pirate clans, powerful cartels and viciously territorial empires have set up shop. Humanity's fledgling star state, the Terran Minarchy, colonized a number of leftover planets in this expanse. The Humans, their allies, and client races have ventured forth, braved deadly space anomalies and settled there. They terraformed barren wastelands, brought water to the deserts, and transformed even the dead asteroids into tiny copies of Earth. However, their boldness and hard work were rewarded with relentless, unprovoked attacks. Terran settlers were denied the peace and prosperity they sought, and were instead rewarded with slavery and death. Forced to replace their tractors for battle tanks, these farmers now aim to harvest another type of crop - the invaders themselves!
