Frozen Moments Uma Balu,2015-05-26 This book contains poems in six languages. Part I is in English and Part II, with a special title My Beautiful Mistakes is in Japanese, French, German, Hindi and Tamil. These were written when Uma was still a student and it is those carefully preserved mistakes in grammar that make them special and delightful to the reader. There is a small note at the beginning of each poem, which describes the inspiring moment and also a picture which conveys the message of the poem. Some are small and some are long, but each one describes the moment in detail, giving the reader a complete experience and a great feeling of satisfaction before moving on to the next poem.

Balu Jennifer Brian,2023-11-27 Raven, sitting in a cracked brown leather seat of a Cessna 185, gazed through the frosted window. Before her was Denali National Park, the vast expanse of angular rocks paralleled the rise, fall, and desolate void that was her life- an insurmountable mountain range of addiction, struggles, torn relationships, jail, and abuse. To break the cycle, Raven opted to leave her old life and toxic relationships behind to seek a new life in Alaska with a grandmother she'd never met. Gazing at the mountains in all their glory, the plane's engine lurched, and before she knew it, the plane carrying eight passengers was now freefalling to the Alaskan abyss. Life flashed and darted before her eyes, muffled only by the screams and screeches of impending death...then blackness. As Raven's eyelids fluttered open, her world had shifted. She was in a plane crash. No amount of heroin could save her now. Raven had a choice. Survive or die.

Resistance and Liberation Douglas Porch,2024-01-31 In Resistance and Liberation, Douglas Porch continues his epic history of France at war. Emerging from the débâcle of 1940, France faced the quandary of how to rebuild military power, protect the empire, and resuscitate its global influence. While Charles de Gaulle rejected the armistice and launched his offshore crusade to reclaim French honor within the Allied camp, defeatists at Vichy embraced cooperation with the victorious Axis. The book charts the emerging dynamics of la France libre and the Alliance, Vichy collaboration, and the swelling resistance to the Axis occupation. From the campaigns in Tunisia and Italy to Liberation, Douglas Porch traces how de Gaulle sought to forge a French army and prevent civil war. He captures the experiences of ordinary French men and women caught up in war and defeat, the choices they made, the trials they endured, and how this has shaped France's memory of those traumatic years.

The Whispering Tree of Bengaluru Sridhar Pai Tonse,2020-12-04 On a summer afternoon in 2015, I was driving alone by car along the west coast from Mangalore to Goa. As I revelled at the scenery, I suddenly felt something odd. The next minute, the landscape changed tremendously. A massive wave of emotion took over forcing me to stop. The street was silent. The tree in front of me was ablaze with something I had never seen before. It beckoned. Every leaf, branch, and the trunk lit up with an unimaginable radiance. I was stunned. It was a transformative moment for me. Trees speak. And this Neem tree, growing up along the Margosa Road in the mid-1950s in Malleshwaram, has a story of her own. She develops a special affection for Balu, a child next door. A wonderful relationship develops between them. Till one day, young Balu leaves the city. She misses the little boy. Decades later, she narrates her life, their daily battles for survival, an incredible 'social web' that keeps the planet alive. And life in old Bengaluru. What happened to Balu? And to the tree? Did they meet again? What was her life like? What message does she share for humanity? Hear from the whispering tree.

Amarna Personal Names Richard S. Hess,1993 The Amarna letters are foundational documents for the study of Late Bronze Age history and language in the ancient Near East. One of the most significant aspects of these letters has been the discovery of Canaanite influence in the Akkadian language of these letters. This discovery has provided a wealth of linguistic knowledge concerning that period and its influence on subsequent ages. Though much has been written about the Amarna letters, until now there has been no comprehensive study of the personal names found in the cuneiform texts from El-Amarna. Dr. Hess fills the void with this comprehensive reference tool. The main part of the book catalogs the Amarna personal names, providing necessary information for each name, including attested spellings, occurrences, identification, textual notes, and analysis. The author then offers a grammatical analysis of the names and glossaries of the seven languages attested in personal names in the letters. Glossaries of divine name and geographical name elements and an extensive bibliography complete the study. This volume is essential for research libraries and for scholars and students working with the Amarna letters or Akkadian and Northwest Semitic languages.

The Fight for Balu Tarzan, the Original Short Story Edgar Rice Burroughs,2016-05-02 TEEKA HAD BECOME a mother. Tarzan of the Apes was intensely interested, much more so, in fact, than Taug, the father. Tarzan was very fond of Teeka. Even the cares of prospective motherhood had not entirely quenched the fires of carefree youth, and Teeka had remained a good-natured playmate even at an age when other shes of the tribe of Kerchak had assumed the sullen dignity of maturity. She yet retained her childish delight in the primitive games of tag and hide-and-go-seek which Tarzan's fertile man-mind had evolved.
