BollySwar: 1981 - 1990 Param Arunachalam, 2020-04-14 BollySwar is a decade-wise compendium of information about the music of Hindi films. Volume 6 chronicles the Hindi film music of the decade between 1981 and 1990. This volume catalogues more than 1000 films and 7000 songs, involving more than 1000 music directors, lyricists and singers. An overview of the decade highlights the key artists of the decade - music directors, lyricists and singers - and discusses the emerging trends in Hindi film music. A yearly review provides listings of the year's top artists and songs and describes the key milestones of the year in Hindi film music. The bulk of the book provides the song listing of every Hindi film album released in the decade. Basic information about each film's cast and crew is provided and detailed music credits are provided. Where available, music credits go beyond information regarding music directors, lyricists and singers, and include the names of assistants, arrangers, recordists, etc. Where applicable, music related awards are listed. Interesting trivia is listed for most films. This includes information about artist debuts, plagiarised or sampled songs, controversies and stories behind the making of the film and its music. This book is primarily meant as a quick reference for people looking for information related to a Hindi film or a song, but readers can also browse through the book to get an overview of the events that shaped Bollywood music in the decade. Given that Hindi films are a reflection of the Indian society, the reader can also glean insights about the country's socio-political and cultural environment from the book.

Rajesh Khanna Yasser Usman,2014-12-05 The untold story of Hindi cinema's first superstar Obsessed female fans routinely sent him love letters written in blood. Hysterical crowds camped outside his house to catch a glimpse of the superstar. And the frenzy unleashed by his public appearances was enough to give law-enforcers a nightmare. In the 1970s, Rajesh Khanna achieved the kind of fame that no film star had ever experienced before—or has since. But having climbed to the pinnacle of success, he then saw it all vanish. And through it all, he remained a fighter till the very end. In this riveting biography, journalist Yasser Usman examines Rajesh Khanna's dramatic, colourful life in its entirety: from little-known facts about his childhood to the low-down on his relationships and rivalries, from his ambitious hopes to his deep-seated insecurities. What emerges is a tantalizingly written, meticulously researched chronicle of a fascinating and mercurial man—one who was both loved and feared by those closest to him. It is a story that encapsulates the glittering, seductive, cut-throat world of Bollywood at its best and its worst.

Pakistan Cinema Mushtaq Gazdar,2019 First published in 1997 to commemorate the fiftieth anniversary of the creation of Pakistan, the book features a review of films before Partition, plots of great cinema classics, trivia, and cinema lore. It contains anecdotes and reminiscences about the people who shaped the entertainment industry, as well as interviews with directors and producers.

But alongside the trivia is a clever synthesis juxtaposing the artistic development of the cinematic world with the overall social development in the country. It shows how the narrow self-interest of the ruling clique clashed with the creative potential of the artistic world, stifling originality and all but destroying the film industry. The narrative is punctuated with over a hundred photographs and contains an index of all the films made to date. In this second edition of Mushtaq Gazdar's seminal work, I. A. Rehman, Haris Gazdar, and Aisha Gazdar provide an overview of the two decades since, marking seventy years of the country's film industry. The filmography has also been updated to include the last two decades.

The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.

Indian Sound Cultures, Indian Sound Citizenship Laura Brueck, Jacob Smith, Neil Kanwar Harish Verma, 2020-05-14 From the cinema to the recording studio to public festival grounds, the range and sonic richness of Indian cultures can be heard across the subcontinent. Sound articulates communal difference and embodies specific identities for multiple publics. This diversity of sounds has been and continues to be crucial to the ideological construction of a unifying postcolonial Indian nation-state. *Indian Sound Cultures, Indian Sound Citizenship* addresses the multifaceted roles sound plays in Indian cultures and media, and enacts a sonic turn in South Asian Studies by understanding sound in its own social and cultural contexts. "Scapes, Sites, and Circulations" considers the spatial and circulatory ways in which sound "happens" in and around Indian sound cultures, including diasporic cultures. "Voice" emphasizes voices that embody a variety of struggles and ambiguities, particularly around gender and performance. Finally, "Cinema Sound" make specific arguments about film sound in the Indian context, from the earliest days of talkie technology to contemporary Hindi films and experimental art installations. Integrating interdisciplinary scholarship at the nexus of sound studies and South Asian Studies by questions of nation/nationalism, postcolonialism, cinema, and popular culture in India, *Indian Sound Cultures, Indian Sound Citizenship* offers fresh and sophisticated approaches to the sonic world of the subcontinent.
