Rising Moon K M Becker, 2023-07-10 What happens when you meet a wolf that can transform into any dog it wants and a raven that acts as a messenger to the gods? One heck of an adventure. When Lucy decided to go camping after a bad breakup she had no idea she'd be plunged into a battle between light and dark, let alone be the one to decide the fates. But after being abducted by a bear and meeting Selene, the Moon Goddess, she quickly learns of her true purpose. With Erebus, the God of Darkness, close on her heels she'll have to learn how to use her abilities to stop him from plunging the surface lands into permanent darkness. Good thing she can count on new friends including a coven of witches, a snarky dragon and many others as Erebus brings in his own helpers to stop her. When not even Hades wants anything to do with her you know she's doing something right.
