The Bee-Man of Orn Frank R. Stockton,2018-08-13 The Bee-Man of Orn: Large Print By Frank R. Stockton t move at all. It is the Ghastly Griffin and is enchanted. He can't stir so much as the tip of his whiskers for a thousand years. You can go to his cave and examine him just as if he were stuffed, and then you can sit on his back and think how it would be if you should live to be a thousand years old, and he should wake up while you are sitting there. It would be easy to imagine a lot of horrible things he would do to you when you look at his open mouth with its awful fangs, his dreadful claws, and his horrible wings all covered with spikes. I think that might suit me, said the Languid Youth. I would much rather imagine the exercises of these monsters than to see them really going on. Come on, then, said the Very Imp, and he led the way to the cave of the Ghastly Griffin. The Bee-man went by himself through a great part of the mountain, and looked into many of its gloomy caves and recesses, recoiling in horror from most of the dreadful monsters who met his eyes. While he was wandering about, a We are delighted to publish this classic book as part of our extensive Classic Library collection. [Be Like That Sometimes Part2](#) MR Biz Nolastname,2014-04-26 Be Like That Sometimes Part Two is the follow up to your Favorite book. There over 8 million stories in the city of Los Angeles and this one may be the realest, most compelling and sex ladened, crime story ever written in a book. One million dollars in cash falls into Keno's hands and there's no one left to witness it. What will he do with it? What would you do? Keno has always been a mid-level street hustler with a long police record and a reputation in his and surrounding neighborhoods. The city is a big place in a small world, where you are only 2 or 3 degrees of separation from everyone else, that could be a good or a bad thing. Keno's childhood best friend, Tanya moved from Compton to her grandma's house in Memphis, Tennessee after a household tragedy. Her and Keno haven't seen each other since. Tanya has achieved a level of success which has put her in a position to be watched and used. Tanya desparately wants to reconnect with Keno in hopes that a connection with her favorite person on the planet could resolve the bad dreams she's been having lately. The array of characters in this story will make you laugh, cry, sweat and fart.If the sun rays that shine down on Los Angeles could speak, this is what they would say...

The Bee Hive Ihsan A. Rajab,2018-12-27 I was a poor black boy of twelve years old living amongst a thriving northeastern city while trying to co-exist within a few short blocks away from a predominantly black underworlds primal nesting grounds. I made it my daily routine habit to spy on, imagine and visit this bustling scene day or night, whenever it was possible. As fate would have it, an oddly and seemingly majestic slice of real estate was carved out between the old railroad tracks and the cities original industrial zone. This man-made haven was also the divide between the black and white neighborhoods. And oddly enough it featured the typical kinds of establishments found throughout most Northern communities. The hub of this neighborhood featured grocery stores, various kinds of restaurants, hair salons, a few liquor stores, two bars, the local and store front churches, and one very spectacular jazz and super nightclub. The local residents and police referred to this oasis of debauchery as the hustler's hold; but those who staked it out as their daily heartbeat of frolic, lust, money and sin; they affectionately labeled it "The Bee Hive."

He commits crimes and gains respect. The story or moral of the book is to educate people about gang lifestyle, drugs, guns and police. The author is also continuing the book with an 8-part series and continues the story then on. It's a book about crime and has adventure as well and other parts may contain graphic scenes but is a good source of entertainment.

The Bee-Hunter, Vol. 1 of 3 James Fenimore Cooper,2018-02-02 Excerpt from The Bee-Hunter, Vol. 1 of 3: Or, the Oak Openings For ourselves, we firmly believe that the finger of Providence is pointing the way to all races, and colours, and nations, along the path that is to lead the East and the West alike, to the great goal of human wants. Demons infest that path, and nu merous and unhappy are the wanderings of mil lions who stray from its course; sometimes in reluctance to proceed; sometimes in an indiscreet haste to move faster than their fellows, and always in a forgetfulness of the great rules of conduct that have been handed down from above. Never theless, the main course is onward; and the day. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. To Bee Or Not to Bee - Attack of the Zombees Maximus Mucho,2014-12-03 What happens if the bee populations worldwide go extinct? This story depicts one of the most probable scenarios for such an event taking place, thus it is to be considered as a pre-documentary, portraying these coming true events. Always, well almost always, properly dressed, Sam, who works as a third-generation beekeeper, finds himself right smack in the middle of humanity's next step on the genetically modern, and therefore improved, detour on the evolutionary ladder. This, because God, if she - or was it he - exists, often works at a painstakingly slow pace. An unquestionably, not so relevant fact, is the fact that God introduced honey to humans as a component in alcoholic beverages long before she - or he - even officially introduced her - or his - son to them, with a margin of at least 2800-1800 years in Europe, and even earlier in Asia, where it was introduced between 6500-7000 years before her - or his - son's revelation. From this simple information, we humans can deduct two obvious facts: Fact 1. God is fond of alcohol. Fact 2. She - or he, unfortunately, even if she - or he - prioritizes something above something else, works at quite a leisurely speed. No wonder then, that humans find it necessary, when the bees stop beeing and things get rough, to save the beer - or was it the planet- hem selves, at a way higher, more suitable, and not at all God-like speed. The results of humans' operation #Save Our Bee- Planet - it was of course: Planet, are as impressive as they are frightening. The salvation, hand in hand with damnation, comes firstly in the form of a new breed of bees, the GloBee x-333. Then follows genocide in the form of humanity's latest addition; the Homo Zombeeings. The only question remaining is: will the arrival of the Homo Sapiens Sapiens right all wrongs? The short answer is: no. A longer, more elaborate answer is: hell no!

The Bee Sting Paul Murray, 2023 WINNER OF IRISH BOOK OF THE YEAR 2023 SHORTLISTED FOR THE BOOKER PRIZE 2023 SHORTLISTED FOR THE NERO BOOK AWARDS 2023 ONE OF SARAH JESSICA PARKER'S BEST BOOKS OF 2023 Book of the Year 2023 according to New York Times, New Yorker, The Sunday Times, The Economist, Observer, Guardian, Washington Post, Lit Hub, TIME magazine, Irish Times, The Oldie, Daily Mail, i Paper, Independent, The Standard, The Times, Kirkus, Daily Express, City A.M. From one of our greatest comic novelists and the author of Skippy Dies comes a funny, thought-provoking story of one family desperately clinging on as their world falls apart . . . 'A tragicomic triumph. You won't read a sadder, truer, funnier novel this year' Guardian The Barnes family is in trouble. Dickie's once-lucrative car business is going under - but rather than face the music, he's spending his days in the woods, building an apocalypse-proof bunker with a renegade handyman. His wife Imelda is selling off her jewellery on eBay while their teenage daughter Cass, formerly top of her class, seems determined to binge-drink her way to her final exams. And twelve-year-old PJ is putting the final touches to his grand plan to run away from home. Where did it all go wrong? A patch of ice on the tarmac, a casual favour to a charming stranger, a bee caught beneath a bridal veil? Can a single moment of bad luck change the direction of a life? And if the story has already been written - is there still time to find a happy ending? 'The finest novel that Murray has yet written . . . will surely be one of the books of 2023' Sunday Independent 'Murray is a natural storyteller . . . Ambitious, expansive, hugely entertaining tragicomic fiction' Irish Times 'It's a thing of beauty, a novel that will fill your heart' Observer 'Generous, immersive, sharp-witted and devastating . . . a triumph' Financial Times 'It's been compared to Jonathan Franzen's The Corrections; I'd argue it's better' Daily Mail
