The Power of Purpose Richard Wright, 2020-07-06 'The only thing in life that you have 100 per cent control over are the thoughts in your head. When your thoughts are centred around the very essence of your purpose, and the meaning of your life, you unleash immeasurable power.' In 2016 Richard Wright was confronted with a diagnosis of rare pituitary cancer – a disease about which little is known, other than that it is almost invariably terminal. In attempting to deal with this bleak knowledge Richard defined what mattered most in his life, his true purpose, which was ensuring that his two young daughters would not have to grow up without their dad. Understanding his life purpose, he focused on overcoming the seemingly insurmountable challenges and obstacles that faced him, using the sheer power of his mind. Ongoing research into what the human mind is capable of, and sheer grit and determination, enabled him to complete four full Ironman races while undergoing harsh cancer treatment, with his daughters cheering him on. It wasn't easy and he had to dig deep to overcome setbacks and disappointments, but he never gave up. Instead, he found the strength, and the freedom, to speak his truth and to become the most authentic version of himself possible. Richard's story, told with raw honesty, humility and humour, provides proof that discomfort sparks outrageous achievement, especially when linked to our sense of purpose. It is a profound story of passion and endurance but, above all, it is a story that will resonate deeply for every one of us, whatever our life circumstances, revealing learnings that challenge us to think differently about our purpose in life. *The Power of Purpose* is an unforgettable account of one man's indomitable will to overcome crippling adversity. Its power will remain with you long after you have turned the last page. What Richard has done with *The Power of Purpose* is nothing short of a gift. A modern-day Man's Search for Meaning. – BRONWYN WILLIAMS, Futurist, Trend Analyst, Economist Utterly remarkable. Richard has a way of illuminating the darkness beyond possibility like nobody I've ever met. – MIKE STOPFORTH, Director of Beyond Binary, Entrepreneur, Speaker

Footfree and Fancyloose Elizabeth Craft, Sarah Fain, 2009-04-01 Best friends Harper Waddle, Sophie Bushell, and Kate Foster committed the ultimate suburban sin: bailing on college to pursue their dreams. Middlebury-bound Becca Winsberg was convinced her friends had gone insane until they reminded her she just might have a dream of her own. Now the year is half-way through and their

dreams seem within reach. Well, almost. Harper has managed to gain the freshman fifteen without ever being a freshman, though locked in her basement bathroom she finds inspiration and finally seems to be writing from the heart. Sophie is forced to leave her cushy Beverly Hills quarters and crashes on Sam's couch while looking for her big Hollywood break. Kate is doing aid work in Ethiopia, where she encounters family ghosts - along with Darby, the handsome but antagonistic Princeton student who thinks she's a dumb blonde who couldn't possibly care about Ethiopia since there are no celebrities here. And when Becca finally emerges from her lovers' nest, it seems her relationship with Stuart isn't as perfect as she thought. Even if the year that changed everything has sometimes been less than dreamy, these four best friends will always have each other.

The Happy Medium Annmarie O'Connor,2016-12-16 The speed of modern culture combined with the hyper-connectivity of technology has shifted our perspective from good enough to never enough. We are now primed to expect more, to aspire to better, and to want nothing less than the best. The reality? It's making us miserable. So if you'd like to swap the weight of 'having it all' for having more with less, then get ready: it's time to discover your happy medium. This isn't a mantra of mediocrity. Rather, it's about finding balance in a full-throttle culture. Offering a paradigm-shifting manifesto for Generation Burn-out, *The Happy Medium* will help you gain perspective and get rid of unsustainable expectations of what constitutes a life well lived. You'll discover what you really need so you can get more of what you actually want,, and begin to define your happiness on your own terms.

The Emerald Atlas John Stephens,2011-04-05 A strong . . . trilogy, invoking just a little Harry Potter and Series of Unfortunate Events along the way.—Realms of Fantasy Siblings Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient prophesy is true—what they do can change history, and it's up to them to

set things right. A new Narnia for the tween set.—The New York Times [A] fast-paced, fully imagined fantasy.—Publishers Weekly Echoes of other popular fantasy series, from Harry Potter to the Narnia books, are easily found, but debut author Stephens has created a new and appealing read . . .—School Library Journal, Starred Review

Je ne m'attendais pas à ça ! Monsieur Alexandre Marcel,2021-01-06 « Ce livre n'est ni un manuel ni un recueil d'histoires drôles sur les vicissitudes de la paternité. Il raconte la vie, la vraie. Les chocs à la poitrine, les larmes, le jet de pisse sur ta chemise alors que tu es déjà en retard, les nuits blanches, les amis qui s'éloignent... Il plonge au cœur de l'instant, cet instant où tout bascule : « Chéri, je suis enceinte. » Parfois drôle et léger, parfois sensible et engagé, il est le reflet d'une vie où les pages, telles autant de journées folles, se tournent, se cornent, et s'avalent sans mâcher. La vie, sens dessus dessous, d'un papa d'aujourd'hui. » Auteur du blog phénomène Papa Plume, Alexandre Marcel a décidé après la naissance de sa fille de consacrer son écriture à ses aventures de jeune papa. Dans cet ouvrage écrit sous forme de journal il raconte tout ! Les ébranlements du cœur, les larmes, les fou rires. Il raconte l'aventure humaine la plus folle et universelle, sans fard ni pincettes. Pour rire, s'émouvoir, comprendre et poser un nouveau regard sur ces « papas d'aujourd'hui », qui, parce qu'ils changent les couches, changent aussi un petit peu le monde. Connus aujourd'hui sous le pseudonyme de Papa Plume, Alexandre Marcel a su fédérer une communauté de lecteurs qui l'aide à porter ses combats. Aux côtés d'autres parents engagés, il est l'un des grands artisans de la réforme du congé paternité.
