The history of the London Burkers Anonymous,2021-11-05 This 1869 text details the horrific murders of the London Burkers to sell bodies as cadavers. In the 19th century, there was a lack of medical cadavers due to the small number of executions. The London Burkers resorted to murdering innocent people, even killing young children, in the style of Burke and Hare. This horrifying account of the related interviews is straightforward, baring every graphic and minute detail for readers' discretion.

This is the Ritual Rob Doyle, 2017-01-24 A tremendous talent. Every page fizzles with vitality. -- Kevin Barry, author of *Beatlebone* A young man in a dark depression roams the vast, formless landscape of a Dublin industrial park where he meets a vagrant in the grip of a dangerous ideology. A woman fleeing a breakup finds herself taking part in an unusual sleep experiment. A man obsessed with Nietzsche clings desperately to his girlfriend's red shoes. And whatever happened to Killian Turner, Ireland's vanished literary outlaw? Lost and isolated, the characters in these masterful stories play out their fragmented relationships in a series of European cities, always on the move; from rented room to darkened apartment, hitchhiker's roadside to Barcelona nightclub. Rob Doyle, a shape-shifting drifter, a reclusive writer, also stalks the book's pages. Layering narratives and splicing fiction with non-fiction, *This is the Ritual* tells of the ecstatic, the desperate and the uncertain. Immersive, at times dreamlike, and frank in its depiction of sex, the writer's life, failed ideals, and the transience of emotions, it introduces an unmistakable new literary voice.

Murder A La Carte Dick Rosano, 2022-07-14 A collection of three cozy culinary mystery novels by Dick Rosano, now in one volume! *A Death In Tuscany*: Filippo Trantino grows up in Tuscany and later moves to America with his family, leaving his heart among the vines of his family's wine estate. After he returns home for a funeral, his cousins convince him that his grandfather's death was not an accident. While solving the crime, Filippo travels the pastoral landscapes of Tuscany, indulging in the area's most delicious wine and food, and discovers the life he was always meant to live. *Hunting Truffles*: Northern Italy is the cradle for a precious culinary gem: the white truffle of Piedmont. Worth more than gold, the truffle is sought after by chefs and foodies alike. But this year, the truffle hunters are in a panic, as they discover that their harvest has been stolen from under their feet. Inexplicably, the bodies of murdered hunters turn up, but there are no truffles to be found. A young man from Tuscany, in tow with his aunt and her restaurant crew, pursues the thieves through the hills of Piedmont, and discovers the delicious wine and food of the region. A seamless blend of engaging mystery, insider travelogue, a primer in Italian traditions, and a guide to Italian food and viticulture. - *Ambassador Magazine* *The Secret Of Altamura*: It is 1943, and the Nazis control large parts of Italy. Colonel Anselm Bernhardt devotes his attention to stealing Italian art – and having his way with Italian women – but there is one great treasure that he covets even more. In present day, his grandson swears to make amends for Bernhardt's crimes, but is bitten by the same temptation and begins his search for the mysterious, historically vital treasure in southern Italy... a secret that can change the course of history.

A Shocking Delight Jo Beverley,2014-04-01 From New York Times bestselling author Jo Beverley comes a captivating Regency romance in which a lady must risk it all to win the heart of an infamous Earl... Lucinda Potter, daughter of a wealthy merchant, is more interested in trade than in the men after her dowry. When forced to have a London season, Lucy sets out to enjoy herself rather than to find a husband. But once she meets the notorious Earl of Wyvern, her resolve weakens, and when they kiss, it dissolves—even though her instincts warn he's dangerous. Wyvern has a dark secret, which means he must win a rich bride. Lucy seems ideal—not for her beauty and her lively charm, but because at first meeting she seems unlikely to realize the truth... As he comes to really know her with each intoxicating kiss, Wyvern realizes she's too clever and honest by far. Marrying Lucy would mean living a lie with the woman he has come to love.
