Narratives of Courage Ketna Mehta, The purpose of presenting 'Narratives Of Courage - Lives Of Spinal Cord Injury Survivors In India' is to reveal an important stark gap in unserved healthcare, and medical rehabilitation. We should not forget that every human life is a human life. A poor, rural Indian citizen who has met with a road accident or has had an unfortunate fall, suffering the most devastating, permanent, life-long, incurable spinal cord injury, deserves to live a dignified life, fulfil their dreams, to take life decisions, continue their education in schools or colleges, earn a decent livelihood, raise a family, travel and experience life in its various hues. Alas, this lacuna still needs to be filled. However, despite the tales of injury and struggle, this book is in no way bleak. It's a motivational and inspirational book about 25 spinal cord injury survivors in India. It will make you realise that our friends with spinal cord injury have meagre resources, live in dilapidated huts, with more than 60% of their limbs and organs non-functional, suffer from a lack of sensation, relationship woes, financial troubles, lack of food, mobility issues and the usual rural problems of poor mobile network, intermittent electricity, scarce drinking water and access to nutritional food or fruits. Yet they wake up every day with a broad smile and hope in their hearts, striving to fight and improve their life, without lofty expectations. Our friends are happy, happy to be alive despite all their limitations and innumerable problems. Who knows, reading this book may change the way you think and make you realise how blessed you are! When we experienced our personal spinal cord injuries that resulted in permanent disability, we too were clueless about what

shape our lives would take. We were not aware of how we would live with our disabilities, but now all of us are considered 'Change-Makers' in our own spheres due to our efforts in making society aware of the huge hurdles that people living with spinal cord injury face. Dear Readers, all of us at Nina Foundation urge each one of you to go through these life stories carefully, empathise with them, educate yourself about spinal cord injury and, in your own way, decide to act and bring about a positive change. For each of us has the power to initiate a positive change. Your smallest act can have a far-reaching ripple effect that will improve the quality of life for over 1.5 million people living with spinal cord injuries. We express our gratitude to our Nina Foundation team, circle of family, friends, associates, corporates, institutions, students, children, volunteers, media, neighbours, sponsors, who willingly shared their emotions and thoughts through their wonderful quotes – 'They Said It' – about Nina Foundation. Their consistent support and kindness has enabled us to do what would have been considered impossible! Thank you indeed for walking with us on this adventurous, tumultuous journey and spreading sunshine. ALL PROCEEDS FROM THE SALE OF BOTH PRINT COPIES AND DIGITAL BOOKS GOES ENTIRELY TO OUR NGO 'NINA FOUNDATION'

Dharma Amish Tripathi, Bhavna Roy, 2023-01-13 Stories can be both entertaining and educative. They can also be insightful and illuminating, especially when they have travelled down the generations, through the centuries, taking on new meanings with each retelling. In this genre-bending book, the first of a series, Amish and Bhavna dive into the priceless treasure trove of the ancient Indian epics, as well as the vast and complex universe of Amish's Meluha (through his Shiva Trilogy and Ram Chandra Series), to explore some of the key concepts of Indian philosophy. What is the ideal interplay between thought and action, taking and giving, self-love and sacrifice? How can we tell right from wrong? What can we do to bring out the best in ourselves, and to live a life with purpose and meaning, not just one fuelled by the ego and material needs? The answers lie in these simple and wise interpretations of our favourite stories by a lovable cast of fictional characters whom you'll enjoy getting to know.

The Sikhs Patwant Singh,2007-12-18 Five hundred years ago, Guru Nanak founded the Sikh faith in India. The Sikhs defied the caste system; rejected the authority of Hindu priests; forbade magic and idolatry; and promoted the equality of men and women -- beliefs that incurred the wrath of both Hindus and Muslims. In the centuries that followed, three of Nanak's nine successors met violent ends, and his people continued to battle hostile regimes. The conflict has raged into our own time: in 1984 the Golden Temple of Amritsar -- the holy shrine of the Sikhs--was destroyed by the Indian Army. In retaliation, Sikh bodyguards assassinated Prime Minister Indira Gandhi.

Now, Patwant Singh gives us the compelling story of the Sikhs -- their origins, traditions and beliefs, and more recent history. He shows how a movement based on tenets of compassion and humaneness transformed itself, of necessity, into a community that values bravery and military prowess as well as spirituality. We learn how Gobind Singh, the tenth and last Guru, welded the Sikhs into a brotherhood, with each man bearing the surname Singh, or Lion, and abiding by a distinctive code of dress and conduct. He tells of Banda the Brave's daring conquests, which sowed the seeds of a Sikh state, and how the enlightened ruler Ranjit Singh fulfilled this promise by founding a Sikh empire. The author examines how, through the centuries, the Sikh soldier became an exemplar of discipline and courage and explains how Sikhs -- now numbering nearly 20 million worldwide -- have come to be known for their commitment to education, their business acumen, and their enterprising spirit. Finally, Singh concludes that it would be a grave error to alienate an energetic and vital community like the Sikhs if modern India is to realize its full potential. He urges India's leaders to learn from the past and to honour the social contract with Indians of every background and persuasion.
