Dieting with My Dog Peggy Frezon,2011-11-11 The veterinarian rubbed Kelly's sides for emphasis. "She needs to lose weight. If not ..." Peggy Frezon recognized the list of serious ailments that followed. It was the same one her own doctor had given her. *Dieting With My Dog* is the honest and heartfelt story of how one overweight woman and her chubby spaniel struggled to get fit and healthy together. There was a comfortable routine. While Frezon's children were flying the nest, her loyal rescue pup snuggled close. Sneaking M&Ms from her secret stash, she would slip Kelly extra doggy cookies too. Why not? Food is love. But then, Kelly became the motivating factor that led Frezon to face down the physical and emotional reasons for her overeating, and for overfeeding her dog. She learned that embracing change is healthy, and everything is easier with unconditional love. Join Frezon and Kelly on their journey to weight loss with a wag. *Dieting With My Dog* celebrates our close bonds with our pets in times of both need and triumph. This book is for anyone who has ever loved a pet – through thick and thin.

Mad Dog David Lister,Hugh Jordan,2004 The name Johnny Mad Dog Adair is synonymous with a killing spree by loyalist terrorists that took Northern Ireland to the brink of civil war. From humble beginnings as a rioter on Belfast's Shankill Road, Adair rose through the ranks of the outlawed Ulster Freedom Fighters to head its merciless killing machine, C Company. Surrounded by a group of trusted friends, his reign of terror in the early 1990s claimed the lives of up to 40 Catholics, picked out at random as Adair's hitmen roamed Belfast. *Mad Dog* describes in graphic detail Adair's criminal empire and an egomaniac's bloody war against Catholics and anybody else who got in his way. Adair's friends and enemies talk for the first time about the murders he ordered, his sordid personal life, and his attempts to become Northern Ireland's supreme loyalist figurehead. Using sensational new material, the authors expose the mass murderers who did Adair's bidding and provide new insights into some of the biggest secrets of the Troubles.

THE CALL TO (R)EVOLUTION Robert Rensing,2022-11-30 Revolution causes chaos, many deaths, and immense suffering. It is not an acceptable way to try and force change in a faltering society. Evolution offers opportunities for peaceful change, but it is a terribly slow process. Which do we choose when change is needed? That slow process of evolution can be accelerated. The tool is awareness, not of what is happening in society but why things are happening. This book deals with practical but peaceful aspects of accelerating evolution, changes that each person can adopt regardless of personal values, convictions, social status, education, and religious beliefs. It is the result of the author living in virtual seclusion for several years, which allows him time to reflect on how change can be achieved in a respectful manner. The book contains observations about why and what is going on, followed by a series of clear topics and objective suggestions for reflection, private and public conversation. This is not intended to be a manual for change. The goal is to gain objective understanding of the challenges of today with the expectation that those insights may result in changes on a purely personal level that in turn will stimulate changes in the national and international communities.
