Karin Nielsen-Saines

**Finding Her Cyborg** M.K. Eidem, Talyani Zulfiqar has been an interplanetary superstar since she won the Worlds competition at the age of thirteen. Her mother is a socialite of renowned beauty, and her father is a powerful Supreme Judge. From the outside, her life is perfect, but Taly had a secret and someone for whom she'd sacrifice everything. Ranvir Somerled had been proud to serve and protect the people of Kirs as a member of the Cyborg Military Elite. Orphaned at a young age, it was the only family he had left. Then Emperor Shui, in his quest for power, destroyed that family, and he became a rebel. With their world in chaos, can two drastically different people find a way to survive and maybe even love? Or will their secrets and misunderstandings tear them apart?

**Saving The Cyborg** A. M. Griffin,2021-08-17 Debts. Scavenger hunt. Goals. As a participant in an intergalactic scavenger hunt with a large prize, Suni knew she needed all her focus to be on winning the purse that would set her family free of their lifelong debts. What she didn't expect was the tall, dangerous stranger and his friends who requested an emergency landing on her spaceship. Agreeing changed the course of her heart...and she liked it. Suni knows what's at stake if she deviates from her plan but how can she resist when Taun is all she thinks about? Rebellion. Treason. Escape After a tumultuous escape and one risky space jump, Taun finds himself the unexpected guest of three quirky sisters and their father in desperate need of help. Recently branded as a traitor from the Cyborg Military Elite, helping Suni will provide the perfect cover while he searches for his missing brethren. Finding love was the last thing he'd imagined happening...but he'd fight any who sought to take it. Taun and his crew strike an uneasy alliance with the trio. The Cyborgs provide protection against a former space pirate who has also joined the scavenger hunt, and in return, the Cyborgs can take refuge on The Renegade and look for other cyborgs who had escaped while also staying off Emperor Shui's radar. Nothing seems to go as planned. Taun can't focus on his duty with Suni in his presence and on his mind. Can a feisty female he craves shake him from his mission to return home and free his family?

**Diseases of Amphibians and Reptiles** Gerald Hoff,2012-12-06 While diseases of free-ranging and captive mammalian and avian wildlife species have received considerable interest in the past 25 years, those of amphibians and reptiles (collectively, the herptiles) generally have been assigned lesser importance. The literature concern ing disease in herptiles is widely scattered, consisting chiefly of case reports and prevalence surveys, and with heavy emphasis on captive reptiles. The dynamics of the host-agent-environment relationship have been studied for only a few diseases. This diverse data base is primarily a function of the paucity of investigators whose chief interest is in diseases of herptiles. This first edition represents an effort to bring together some of the diffuse knowledge on infectious and non-infectious diseases of free-ranging and captive herp tiles. Issue may be taken with the choice of topics; however, predominant diseases, as well as some diseases of lesser prominence, are presented. The editors were forced to accept certain omissions, particularly with amphibian diseases, simply for lack of contributors. The resulting text, however, we hope will be of value to veterinarians, herpetologists, wildlife disease investigators, wildlife managers, zoo curators, and university students. G.L. Hoff F.L. Frye E.R. Jacobson v CONTENTS Mycobacteriosis 1 D.G. Brownstein Pasteurella in Reptiles 25 K.P. Snipes Pseudomonas 37 E.R. Jacobson Areomonas 49 E.B. Shotts, Jr.

**Kissing Christians** Michael Philip Penn,2005-09-26 In the first five centuries of the common era, the kiss was a distinctive and near-ubiquitous marker of Christianity. Although Christians did not invent the kiss—Jewish and pagan literature is filled with references to kisses between lovers, family members, and individuals in relationships of power and subordination—Christians kissed one another in highly specific settings and in ways that set them off from the non-Christian population. Christians kissed each other during prayer, Eucharist, baptism, and ordination and in connection with greeting, funerals, monastic vows, and martyrdom. As Michael Philip Penn shows in *Kissing Christians*, this ritual kiss played a key role in defining group membership and strengthening the social bond between the communal body and its individual members. *Kissing Christians* presents the first comprehensive study of the ritual kiss and how controversies surrounding it became part of larger debates regarding the internal structure of Christian communities and their relations with outsiders. Penn traces how Christian writers exalted those who kissed only fellow Christians, proclaimed that Jews did not have a kiss, prohibited exchanging the kiss with potential heretics, privileged the confessor's kiss, prohibited Christian men and women from kissing each other, and forbade laity from kissing clergy. *Kissing Christians* also investigates connections between kissing and group cohesion, kissing practices and purity concerns, and how Christian leaders used the motif of the kiss of Judas to examine theological notions of loyalty, unity, forgiveness, hierarchy, and subversion. Exploring connections between bodies, power, and performance, *Kissing Christians* bridges the gap between cultural and liturgical approaches to antiquity. It breaks significant new ground in its application of literary and sociological theory to liturgical history and will have a profound impact on these fields.

**The Divergent Series Complete Collection** Veronica Roth,2013-10-22 All three books in the #1 New York Times bestselling Divergent series of books are available together in this digital collection! Perfect for gift givers, collectors, and fans new to the series, the collection includes Divergent, Insurgent, and Allegiant, as well as bonus content: a 48-page guide to the series, including Faction Manifestos, a Faction Quiz and Results, a Q&A with Veronica Roth, playlists, discussion questions, series inspirations, and much more! Divergent: One choice can transform you. Veronica Roth's #1 New York Times bestselling debut is a gripping dystopian tale of electrifying choices, powerful consequences, unexpected romance, and a deeply flawed perfect society. Insurgent: One choice can destroy you. Veronica Roth's second #1 New York Times bestseller continues the dystopian thrill ride. As war surges in the factions all around her, Tris attempts to save those she loves—and herself—while grappling with haunting questions of grief and forgiveness, identity and loyalty, politics and love. Allegiant: The explosive conclusion to Veronica Roth's #1 New York Times bestselling Divergent trilogy reveals the secrets of the dystopian world that has captivated millions of readers. And don't miss The Fates Divide, Veronica Roth's powerful sequel to the bestselling Carve the Mark!
