*Black Light* Patrick Melton, Marcus Dunstan, Stephen Romano, 2011-10-05 If you have a supernatural problem that won't go away, you need Buck Carlsbad: private eye, exorcist, and last resort. Buck's got a way with spirits that no one else can match. He was normal, once. Until Something Horrible killed his parents and left him for dead. Buck has spent years using his gift to trace his family. It's his only hope of finding out what happened to them-and what made him the way he is. Now the voices say that something big is coming. Buck already knows what it is-a super high-tech bullet train running express across a stretch of unforgiving desert known for the most deadly paranormal events in history. A place where Buck almost died a few years ago, and where he swore he would never return. But as the train prepares to rumble down the tracks, Buck knows it can only be the inevitable hand of fate pulling him back to the most harrowing unfinished case of his career at four hundred miles per hour.

Black Light Stephen Hunter, 2010-08-18 Only one thing stands between a son and his father's killer: forty years of lies. . . On a remote Arizona ranch, a man who has known loss, fear, and war weeps for the first time since he was a child. His tears are for the father taken from him four decades before in a deadly shoot-out. And his grief will lead him back to the place where he was born, where his father died, and where a brutal conspiracy is about to explode. For Bob Lee Swagger, the world changed on that hot day in Blue Eye, Arkansas, when two local boys rode armed and wild in a '55 Fairlane convertible. Swagger's father, Earl, a state trooper, was investigating the brutal murder of a young woman that day. By midnight Earl Swagger lay dead in a deserted cornfield. Now Bob Lee wants answers. He wants to know the truth behind the shoot-out that took his father's life, a mystery buried in forty years of lies. Because for Bob Lee Swagger, the killing didn't end that day in Blue Eye, Arkansas. The killing had just begun . . . Weaving together characters from his national bestsellers *Point of Impact* and *Dirty White Boys*, Stephen Hunter's gripping thriller builds to an exhilarating climax—and an explosion of gunfire that blasts open the secrets of two generations. Praise for *Black Light* “Put on your seat belt—*Black Light* is a wild ride you won't forget.”—The Chicago Tribune “Nobody writes action better than Stephen Hunter and *Black Light* is one of his best. . . [The] action scenes play like a movie, the plot is intriguing and the writing is top-notch.”—Phillip Margolin “Only a handful of writers today can match Hunter for imagination and the ability to make a reader's adrenaline rush.”—New York Daily News “Filled with detail, clever plotting, suspense, and a hunt to the death that leaves the reader dry-mouthed with tension. Hunter knows his guns, and he writes about them with a precision that holds the attention of even a fervent anti-gun supporter.”—The Orlando Sentinel “One of the most skilled hands in the thriller business. The plot is fast-paced, well-constructed and builds to a pulse-pounding night ambush. . . . It should seal his reputation as an author who not only can write bestselling thrillers, but write them exceedingly well.”—Publishers Weekly

**Ultraviolet** Dan Donahue, 2009-10 One of the most ubiquitous items of the 1960s and 1970s, the black light poster represented some of the most imaginative, colorful, and out there creativity of the period; *Ultraviolet* is the first book to ever celebrate this alternative art form. Daniel Donahue, an amateur historian of counterculture, has collected hundreds of vintage blacklight posters and chosen 69 of the best for this volume. Covering some of the more relevant subjects of the period, including Sex, Drugs, Rock 'N' Roll, Earth Awareness, Black Power, and Astrology, *Ultraviolet* has been printed with fluorescent inks so that the pages will actually glow under black light. This hip volume is a gift from the fifth dimension for anyone interested in alternative culture or graphic design.

*Black Light* Elizabeth Hand, 2012-10-30 A decadent tale of ancient darkness that “does for upstate New York what Stephen King has done for rural Maine,” from the author of *Waking the Moon* (*Publishers Weekly*). Lit Moylan lives what she thinks is an ordinary life. Sure, her town has a few eccentric theater types, but that's all. That is until her Warholian godfather, Axel Kern, moves into the big house on the hill. He throws infamously depraved parties, full of drinks, drugs, and sex. But they also have a much more sinister purpose. At one of these parties, Lit touches a statue, and learns she has much more of a role to play in this world than she ever thought possible. Ornate and decadent, *Black Light* visits an irresistible world of ancient gods and secret societies as enthralling as it is dangerous. This ebook features an illustrated biography of Elizabeth Hand including rare images and never-before-seen documents from the author's personal collection.

**BLACKLIGHT** Sara Rivers, 2020-02-22 Im BLACKLIGHT gibt es drei Regeln. 1. Setze niemals deine Maske ab. 2. Gib niemals den Code weiter. 3. Halte dich von den Brüdern fern, wenn du nicht zu ihrer Beute werden willst. Du willst das Zittern. Du willst die Angst. Du willst den Nervenkitzel. Aber willst du auch die Dunkelheit? Nach dem Verschwinden ihrer großen Schwester will Evelyn Williams ein neues Leben anfangen - abseits ihrer kontrollsüchtigen Eltern und den Erinnerungen an Stacy, die ein tiefes Loch in ihrer Brust hinterlassen haben. Als sie das BLACKLIGHT zum ersten Mal betritt, ahnt sie nicht, dass sie schon bald zwischen die Fronten gerät. Sie ist gefangen zwischen ihrem Drang, sich wieder lebendig zu fühlen, und der Gefahr, welche die Black-Zwillinge ausstrahlen. Sie weiß, dass sie die Finger

von ihnen lassen sollte, aber das Feuer fühlt sich besser an als ihre Angst. Schon bald hat einer der Brüder nicht nur ihre Welt auf den Kopf gestellt, sondern auch das Geheimnis, das er unter der blutroten Maske bei sich trägt. Sie hat die Regeln gebrochen ... doch was wird sie brechen?

Increasingly convinced that the cold case he's investigating is connected to his persecution, Macleod tries to connect the dots before it's too late to save his life and the lives of his loved ones . . .

Black Light Kehinde Wiley, 2009-05-05 Kehinde Wiley painted President Obama's official portrait and this is an early book from him documenting his extraordinary talents. For most of Kehinde Wiley's very successful career, he has created large, vibrant, highly patterned paintings of young African American men wearing the latest in hip hop street fashion. The theatrical poses and objects in the portraits are based on well-known images of powerful figures drawn from seventeenth- through nineteenth-century Western art. Pictorially, Wiley gives the authority of those historical sitters to his twenty-first-century subjects. - National Portrait Gallery My intention is to craft a world picture that isn't involved in political correctives or visions of utopia. It's more of a perpetual play with the language of desire and power. -Kehinde Wiley Wiley inserts black males into a painting tradition that has typically omitted them or relegated them to peripheral positions. At the same time, he critiques contemporary portrayals of black masculinity itself.... He systematically takes a 'pedestrian' encounter with African-American men, elevates it to heroic scale, and reveals-through subtle formal alterations-that postures of power can sometimes be seen as just that, a pose. - Art in America Los Angeles native and New York-based visual artist Kehinde Wiley has firmly situated himself within art history's portrait painting tradition. As a contemporary descendent of a long line of portraitists-including Reynolds, Gainsborough, Titian, Ingres, and others-Wiley engages the signs and visual rhetoric of the heroic, powerful, majestic, and sublime in his representation of urban black and brown men found throughout the world. By applying the visual vocabulary and conventions of glorification, wealth, prestige, and history to subject matter drawn from the urban fabric, Wiley makes his subjects and their stylistic references juxtaposed inversions of each other, imbuing his images with ambiguity and provocative perplexity. In *Black Light*, his first monograph, Wiley's larger-than-life figures disturb and interrupt tropes of portrait painting, often blurring the boundaries between traditional and contemporary modes of representation and the critical portrayal of masculinity and physicality as it pertains to the view of black and brown young men. The models are dressed in their everyday clothing, most of which is based on far-reaching Western ideals of style, and are asked to assume poses found in paintings or sculptures representative of the history of their surroundings. This juxtaposition of the old inherited by the

new—who often have no visual inheritance of which to speak—immediately provides a discourse that is at once visceral and cerebral in scope. Without shying away from the socio-political histories relevant to the subjects, Wiley's heroic images exhibit a unique modern style that awakens complex issues which many would prefer remain mute.
