Space Postman/Le facteur spatial Lone Morton,2020-04-22 The space postman is delivering letters and parcels to all the planets when disaster strikes! Use the magic of this beautifully illustrated story to introduce young children to a new language. Bilingual text in English and French, a guide to pronouncing the French plus helpful notes for parents.

Fleamarket Molly Red Jordan Arobateau,2006

The Night Malcolm X Spoke at the Oxford Union Stephen Tuck,2014-11-20 Less than three months before he was assassinated, Malcolm X spoke at the Oxford Union—the most prestigious student debating organization in the United Kingdom. The Oxford Union regularly welcomed heads of state and stars of screen and served as the training ground for the politically ambitious offspring of Britain’s better classes. Malcolm X, by contrast, was the global icon of race militancy. For many, he personified revolution and danger. Marking the fiftieth anniversary of the debate, this book brings to life the dramatic events surrounding the visit, showing why Oxford invited Malcolm X, why he accepted, and the effect of the visit on Malcolm X and British students. Stephen Tuck tells the human story behind the debate and also uses it as a starting point to discuss larger issues of Black Power, the end of empire, British race relations, immigration, and student rights. Coinciding with a student-led campaign against segregated housing, the visit enabled Malcolm X to make connections with radical students from the Caribbean, Africa, and South Asia, giving him a new perspective on the global struggle for racial equality, and in turn, radicalizing a new generation of British activists. Masterfully tracing the reverberations on both sides of the Atlantic, Tuck chronicles how the personal transformation of the dynamic American leader played out on the international stage.

More Family Storytimes Rob Reid,2009 This new book from best-selling author Rob Reid features stories, fingerplays, songs, and movement activities to enhance the time families spend at the library. Brimming with all new material, More Family Storytimes offers practical, creative, and active storytime programs that will captivate audiences of all ages.

Black Like Us Devon Carbado,2011-11-01 Winner of the 2003 Lambda Literary Award for Fiction Anthology Showcasing the work of literary giants like Langston Hughes, James Baldwin, Audre Lorde, Alice Walker, and writers whom readers may be surprised to learn were in the life, Black Like Us is the most comprehensive collection of fiction by African American lesbian, gay, and bisexual writers ever published. From the Harlem Renaissance to the Great Migration of the Depression era, from the

postwar civil rights, feminist, and gay liberation movements, to the unabashedly complex sexual explorations of the present day, *Black Like Us* accomplishes a sweeping survey of 20th century literature.

Vengeance! Red Jordan Arobateau, 2004 The classic tale of a prosperous black lesbian drug dealer Mz. LaRue Jones & her dangerous band of wenchwomen, Flo, Peggy, Stella & Marcel. And the lives they destroy. Her lovely Asian mistress Jade; the beautiful go go dancer Marrionette--caught in their evil narcotics web. & the forces of good that would come against them-- Blond Butch Ex-Con Nicki. Great dialogue. Set in 1970's. Action, plot, sex, anti-drug rants & much much more. A rare glimpse of black lesbian street life. This highly entertaining, humerous & adventure-jam paked novel from the pen of Master Artist Red Jordan Arobateau.

The Autobiography of Malcolm X Malcolm X, 2015-08-25 ONE OF TIME'S TEN MOST IMPORTANT NONFICTION BOOKS OF THE TWENTIETH CENTURY In the searing pages of this classic autobiography, originally published in 1964, Malcolm X, the Muslim leader, firebrand, and anti-integrationist, tells the extraordinary story of his life and the growth of the Black Muslim movement. His fascinating perspective on the lies and limitations of the American Dream, and the inherent racism in a society that denies its nonwhite citizens the opportunity to dream, gives extraordinary insight into the most urgent issues of our own time. The Autobiography of Malcolm X stands as the definitive statement of a movement and a man whose work was never completed but whose message is timeless. It is essential reading for anyone who wants to understand America. Praise for The Autobiography of Malcolm X "Extraordinary . . . a brilliant, painful, important book."—The New York Times "This book will have a permanent place in the literature of the Afro-American struggle."—I. F. Stone

Suzie-Q --And Other Stories Red Jordan Arobateau, 2012 This collection of shorter works is a glimpse of gay & lesbian life in the 1980's. Characters of different walks of life, & nationalities. Some deal with substance abuse. Most deal with their love lives. Tales of struggle and lesbian strength.

Delphi Complete Works of Joel Chandler Harris (Illustrated) Joel Chandler Harris, 2021-03-29 The American author and creator of the folk character Uncle Remus, Joel Chandler Harris produced a wide body of works, reflecting his life and interests in the Deep South. As a young journalist, he established a reputation as a brilliant humorist and writer of dialect. His Uncle Remus stories secured for Harris a

place in American literature. The format was an instant success — a wise and genial old black man, Uncle Remus narrates tales of Brer Rabbit, Brer Fox and other animals to the son of a plantation owner, while interweaving his philosophy of the world about him. Harris' later novels reveal his ability as a writer of 'local color', exploring important issues facing the South after its Reconstruction. For the first time in publishing history, this eBook presents Harris' complete works, with numerous illustrations, many rare texts, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Harris' life and works * Concise introductions to the novels and other texts * The Complete Uncle Remus books, for the first time in digital publishing * Includes all of the original Uncle Remus illustrations * The Complete Thimblefinger series * All 7 novels, with individual contents tables * Even includes Harris' first novel, 'The Romance of Rockville', lost for many years and appearing here for the first time in digital publishing * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * All works are fully illustrated with their original artwork * Rare story collections available in no other eBook * Special chronological and alphabetical contents tables for the short stories * Easily locate the stories you want to read * Includes Harris' biography on his inspirational friend Henry W. Grady, first time in digital print * Features Wiggins' seminal biography – discover Harris' incredible life * Ordering of texts into chronological order and genres Please visit www.delphiclassics.com to browse through our range of exciting titles

Nights With Uncle Remus: Myths and Legends of the Old Plantation Joel Chandler

Harris, 2020-09-28 The volume containing an instalment of thirty-four negro legends, which was given to the public three years ago, was accompanied by an apology for both the matter and the manner. Perhaps such an apology is more necessary now than it was then; but the warm reception given to the book on all sides—by literary critics, as well as by ethnologists and students of folk-lore, in this country and in Europe—has led the author to believe that a volume embodying everything, or nearly everything, of importance in the oral literature of the negroes of the Southern States, would be as heartily welcomed. The thirty-four legends in the first volume were merely selections from the large body of plantation folk-lore familiar to the author from his childhood, and these selections were made less with an eye to their ethnological importance than with a view to presenting certain quaint and curious race characteristics, of which the world at large had had either vague or greatly exaggerated notions. The first book, therefore, must be the excuse and apology for the present volume. Indeed, the first book made the second a necessity; for, immediately upon its appearance, letters and correspondence began to pour in upon the author from all parts of the South. Much of this correspondence was very valuable, for it embodied legends that had escaped the author's memory, and contained hints and suggestions that led to some very interesting discoveries. The result is, that the present volume is about as complete as it could be made under the circumstances, though there is no doubt of the existence of legends and myths, especially upon the rice plantations, and Sea Islands of the Georgia and Carolina seacoast, which, owing to the difficulties that stand in the way of those who attempt to gather them, are not included in this collection. It is safe to say, however, that the best and most characteristic of the legends current on the rice plantations and Sea Islands, are also current on the cotton plantations. Indeed, this has been abundantly verified in the correspondence of those who kindly consented to aid the author in his efforts to secure stories told by the negroes on the seacoast. The great majority of legends and stories collected and forwarded by these generous collaborators had already been collected among the negroes on the cotton plantations and uplands of Georgia and other

Southern States. This will account for the comparatively meagre contribution which Daddy Jack, the old African of the rice plantations, makes towards the entertainment of the little boy.

The Complete Works of Joel Chandler Harris. Illustrated Joel Chandler Harris, 2021-11-23 Joel Chandler Harris was an American journalist, fiction writer, and folklorist best known for his collection of Uncle Remus stories. Harris wrote novels, narrative histories, translations of French folklore, children's literature, and collections of stories depicting rural life in Georgia. As fiction writer and folklorist, he wrote many 'Brer Rabbit' stories from the African-American oral tradition. He realized the literary value of the stories he had heard from the slaves of Turnwold Plantation. Harris set out to record the stories and insisted that they be verified by two independent sources before he would publish them. The stories, mostly collected directly from the African-American oral storytelling tradition, were revolutionary in their use of dialect, animal personages, and serialized landscapes. 1. The Uncle Remus Books – Uncle Remus: His Songs and His Sayings (1881) – Nights with Uncle Remus (1883) – Uncle Remus and His Friends (1892) – The Tar-Baby and Other Rhymes of Uncle Remus (1904) – Told by Uncle Remus (1905) – Uncle Remus and Brer Rabbit (1907) – Uncle Remus and the Little Boy (1910) – Uncle Remus Returns (1918) – Seven Tales of Uncle Remus (1948) 2. Mr. Thimblefinger Series – Little Mr. Thimblefinger and His Queer Country (1894) – Mr. Rabbit at Home (1895) – The Story of Aaron (So Named), the Son of Ben Ali (1896) – Aaron in the Wildwoods (1897) 3. The Novels – The Romance of Rockville (1878) – On the Plantation (1892) – Sister Jane (1896) – Gabriel Tolliver (1902) – A Little Union Scout (1904) – Shadow between His Shoulder Blades (1909) – The Bishop and the Boogerman (1909) 4. The Shorter Fiction – Mingo and Other Sketches in Black and White (1884) – Free Joe and Other Georgian Sketches (1887) – Daddy Jake, The Runaway: And Short Stories Told After Dark (1889) – Balaam and His Master and Other Sketches and Stories (1891) – Evening Tales (1893) – Stories of Georgia (1896) – Tales of the Home Folks in Peace and War (1898) – The Chronicles of Aunt Minervy Ann (1899) – Plantation Pageants (1899) – On the Wing of Occasions (1900) – The Making of a Statesman and Other Stories (1902) – Wally Wanderoon and His Story-Telling Machine (1903)

Nights With Uncle Remus Joel Chandler Harris, 2016-08-16 *Nights With Uncle Remus* is a story-book dearly loved by children. Besides that, it is an important contribution to the study of Afro-American folk-lore, and through many years of popularity it has carried a long and learned Introduction, of great interest to students but rather forbidding in aspect to youthful readers. In this new edition, which has been prepared especially for children, and illustrated in colors by an artist who knows how

to please them as well as their elders, the Introduction has been omitted, but the stories and their charming setting have been left intact.

Tuttle Concise Chinese Dictionary Li Dong, 2014-09-19 This is the most up-to-date Mandarin Chinese Dictionary available today. Tuttle Concise Chinese Dictionary has both Chinese to English and English to Chinese sections. Its compact size allows for easy transport without limiting the content. Other dictionaries in this bestselling series you might be interested in include: Concise Japanese Dictionary, Concise Korean Dictionary, and Concise Vietnamese Dictionary.

The Natural History of Make-believe John Goldthwaite, 1996 The Man in the Moon has dropped down to earth for a visit. Over the hedge, a rabbit in trousers is having a pipe with his evening paper. Elsewhere, Alice is passing through a looking glass, Dorothy riding a tornado to Oz, and Jack climbing a beanstalk to heaven. To enter the world of children's literature is to journey to a realm where the miraculous and the mundane exist side by side, a world that is at once recognizable and real--and enchanted. Many books have probed the myths and meanings of children's stories, but Goldthwaite's *Natural History* is the first exclusively to survey the magic that lies at the heart of the literature. From the dish that ran away with the spoon to the antics of Brer Rabbit and Dr. Seuss's Cat in the Hat, Goldthwaite celebrates the craft, the invention, and the inspired silliness that fix these tales in our minds from childhood and leave us in a state of wondering to know how these things can be. Covering the three centuries from the fairy tales of Charles Perrault to Maurice Sendak's *Where the Wild Things Are*, he gathers together all the major imaginative works of America, Britain, and Europe to show how

the nursery rhyme, the fairy tale, and the beast fable have evolved into modern nonsense verse and fantasy. Throughout, he sheds important new light on such stock characters as the fool and the fairy godmother and on the sources of authors as diverse as Carlo Collodi, Lewis Carroll, and Beatrix Potter. His bold claims will inspire some readers and outrage others. He hails Pinocchio, for example, as the greatest of all children's books, but he views C.S. Lewis's *The Chronicles of Narnia* as a parable that is not only murderously misogynistic, but deeply blasphemous as well. Fresh, incisive, and utterly original, this rich literary history will be required reading for anyone who cares about children's books and their enduring influence on how we come to see the world.

Tuttle Pocket Chinese Dictionary Li Dong, 2013-02-12 This is a pocket sized Mandarin Chinese Dictionary Intended for use by tourists, students, and business people travelling to China Pocket Chinese Dictionary is an essential tool for communicating in Mandarin.
