Ready Player Two Shira Chess,2017-10-01 Cultural stereotypes to the contrary, approximately half of all video game players are now women. A subculture once dominated by men, video games have become a form of entertainment composed of gender binaries. Supported by games such as Diner Dash, Mystery Case Files, Wii Fit, and Kim Kardashian: Hollywood—which are all specifically marketed toward women—the gamer industry is now a major part of imagining what femininity should look like. In Ready Player Two, media critic Shira Chess uses the concept of “Player Two”—the industry idealization of the female gamer—to examine the assumptions implicit in video games designed for women and how they have impacted gaming culture and the larger society. With Player Two, the video game industry has designed specifically for the feminine ideal: she is white, middle class, heterosexual, cis-gendered, and abled. Drawing on categories from time management and caregiving to social networking, consumption, and bodies, Chess examines how games have been engineered to shape normative ideas about women and leisure. Ready Player Two presents important arguments about how gamers and game developers must change their thinking about both women and games to produce better games, better audiences, and better industry practices. Ultimately, this book offers vital prescriptions for how one of our most powerful entertainment industries must evolve its ideas of women.

Murder in Jerusalem Batya Gur,2009-10-13 The sixth and final novel from beloved and critically-acclaimed Israeli crime novelist Batya Gur—a stunning tale of a beautiful and secretive woman’s murder, set against the politically charged backdrop of the Israeli media Acclaimed Israeli director Benny Meyuhas’ film production of the heartbreaking work “Iddo and Eynam” promises to be a landmark of Israeli film—until his wife and the films’ set designer Tirzah Rubin is crushed under a set piece, stalling the production indefinitely. But more shocking is what comes to light in the investigation—that Tirzah’s storybook life wasn’t at all what it seemed, and that her death may have been part of a larger network of social and political unrest. The brooding Chief Superintendent Michael Ohayon has spent his career surrounded by horrific crimes, but perhaps none most deeply disturbs him than Tirzah’s murder, its strange connection to Israeli labor disputes and religious corruption shaking him to the core. The crowning achievement to a magnificent career, this final installment in the Michael Ohayon series is a wonderful parting gift from the incomparable Batya Gur—one last fascinating visit to an always tumultuous land, in the company of a detective the author and her devoted readers have loved so well.

The Age of Sex Crime Jane Caputi,1987 The sexualized serial murder of women by men is the subject of this provocative book. Jane Caputi argues that the sensationalized murders by men such as Jack the Ripper, Son of Sam, Hillside Strangler, and the Yorkshire Ripper represent a contemporary genre of sexually political crimes. The awful deeds function as a form of patriarchal terrorism, disappearing women at a rate of some four thousand annually in the United States alone. Caputi asks us not only to name the phenomenon of sexually political murder, but to recognize sex crime in all of its various interconnecting manifestations.

Facing Forward - A Life Reclaimed Reba D,2010-09 One woman's powerful journey from independence into a marriage paralyzed by the grip of domestic violence - and back again to a life of hope and wholeness --- Like so many women, I wanted a home, children, a loving husband, and a pet. When life didn't work out the way I hoped by the time I was 30, I started to panic. I was actively looking for love when I met a man who would ultimately change my life and the lives of those closest to me... This story has a happy ending. Unfortunately, not all victims of domestic violence are so fortunate. There are steps you can take to free yourself or help free someone you know. Through my story, you'll find out how. You will walk away with a better understanding of how someone can lose everything to an abuser - and when she is ready, reclaim her life... What would ever make a woman stay in an abusive marriage or relationship? A lot of things, among them shame and fear. Shame of leaving, shame of failure, fear of your most personal marital details becoming public in a divorce proceeding - and fear of suffering socially or financially by a divorce. For some, there's a fear of being alone. If you're unable to understand this, be thankful. But also be careful. Prior to my marriage to the pastor, I would never have tolerated anyone treating me this way. (Reba D.)

If land pollution includes gas or chemicals like hydrochloric acid or chlorination byproducts, it can also affect the ozone layer, which can cause global warming if too much goes into the atmosphere. This is one reason why parents should make sure to get their kids informed about the causes of Land Pollution and what they can do to prevent it in their own homes.
