Boa Constrictor Manual Philippe De Vosjoli,Roger Klingenberg,Jeff Ronne,2012-07-31 Still the most popular large snake in the pet world, the boa constrictor of South America is a hardy, beautiful snake that is fairly docile and considered safe when handled properly. In The Boa Constrictor Manual, world-renowned herp expert Philippe de Vosjoli has written a concise and useful guide, well illustrated with color photographs, that offers all of the information a boa keeper needs to maintain a pet snake safely and in the best of health. The pet store owner thinks he cant sell a boa who wont eat in the usual fashion, so he calls the boa strange and sends him off to the zoo. At the zoo, the boa is first fed a pig, then a rabbit. Boa hides his friends at first, but soon the truth is discovered. When the zookeeper finds a few too many animals living in the boas pen, what will he do? Life in the Presence of God Kenneth Boa,2017-11-07 2018 IVP Readers' Choice Award God is everywhere and always with us. So why don't we experience his presence more? Life is full of distractions, and our 24/7 news cycles and social media drown out the voice of God. It's hard to discern God's presence amid the hubbub. But experiencing God is not just for the super-spiritual or ultra-mature. Every Christian can learn to cultivate a greater awareness of God in the everyday. Ken Boa offers a contemporary guide to practicing the presence of God. Using biblical foundations, living and historical examples, and evidence from neuroscience, Ken reveals how we can walk with God and abide in his presence. This book offers not a magical technique but dozens of practical exercises and disciplines that help us draw close to God even in the midst of our cacophonous modern culture. Practicing God's presence is not just for the professionals. It's for ordinary people like us. And the more we live in God's presence, the greater our abiding peace and joy.

Recalibrate Your Life Kenneth Boa, Jenny Abel, 2023-02-21 As we make our way through life, we find ourselves in times of transition where we need to reassess who we are and what we do. Living well doesn't happen automatically for followers of Christ—it happens when we have planned ahead by reviewing and recalibrating our lives on a regular basis, and when we transition from one stage of life to the next. Times of transition, especially in midlife or later life, are ideal moments for recalibrating our priorities and habits. Ken Boa and Jenny Abel give us the perspective and practical tools needed to evaluate our God-given gifts, talents, skills, wisdom, knowledge, resources, and opportunities so we can use them to the full extent God desires. It involves an intentional recalibration and envisioning of one's life based on God's universal and unique purposes for each person as we move from the demands of our careers into a deeper sense of calling. This eternal perspective allows us to live meaningfully now and into the future so that the best is yet to come.

Rewriting Your Broken Story Kenneth Boa, 2016-06-03 How do you fix a broken story? In this fallen world, life is often not how we thought it would be. Jobs vanish, relationships crumble, health fails. How do we find the hope to persevere? We can make sense of our broken stories by seeing them in the context of a larger and greater story. Kenneth Boa shows how God can transform our lives with an eternal perspective, when we live with the end in mind. In light of eternity, our struggles are temporary and our plot twists are not fatal. We are hard-wired by God with eternity in our hearts, and that longing gives us purpose, blesses others and helps us make a lasting mark on the world. Knowing our future is crucial to living our present. When we see our stories within his greater story, we learn to live with a heavenly perspective and follow it all the way home.
