Richard D. McGhee

Journalism Online Mike Ward,2013-08-06 Journalism Online tackles the pressing question of how to apply fundamental journalism skills to the online medium. It provides an essential guide to the Internet as a research and publishing tool. In particular, it examines how to forge key journalism skills with the distinctive qualities of the World Wide Web to provide compelling web content. Trainee and practicing online journalists will learn: - core journalism skills of identifying, collecting, selecting and presenting news and information; - multimedia skills such as audio recording and editing; - online research methods including use of search tools, newsgroups and listservs; - story construction and writing for the Web; - an introduction to HTML; - web site design for the effective use of content. Journalism Online takes the best of the 'new' and 'old' media to provide an essential primer for this emerging discipline. Leading web designers such as Jakob Nielsen rub shoulders with established journalists like Harold Evans in the search for clear guidance in this rapidly developing field. It also provides a useful insight for non-news organisations into how to prepare and present effective web content and avoid the deepest pitfall of the online world - being ignored. Supplementary resources can be found on the book's supporting web site www.journalismonline.co.uk, which features additional exercises, useful links and reviews.

The Bonzo Dog Doo Dah Band - Jollity Farm ,

Popular Media and Animals Claire Molloy,2011-06-29 How do mainstream film, television, advertising, videogames and newspapers engage with topics such as vivisection, hunting, animal performance, farming, meat eating and animal control? This book explores social, economic, ethical and cultural aspects of relationships between popular media forms and key animal issues.

The Memoirs of Billy Shears Thomas E. Uharriet,2015-12-13 William Shepherd (Billy Shears) took over The Beatles and the McCartney estate on 16 September 1966, going from Billy Pepper of Billy Pepper and the Pepper Pots, to The Beatles' new Sgt. Pepper of Sgt. Pepper's Lonely Hearts Club Band. Taking creative control of the band from John made William the new boss, saving the band, but tormenting all involved. The Memoirs is the source of the Paul is Dead material reprinted in Billy's Back! and of the insights in Beatles Enlightenment, but also includes the darker aspects: Paulism, Satanism, and Biblical humor--calling The Beatles the four-headed 666 Beast. The Memoirs is the first fully encoded full-length book. As part of that encoding, it contains the world's largest acrostic, and is the world's premier of word-stacking. By reading The Memoirs, you will learn the secret meanings of their songs, and will recognize Paul and William's distinct physical differences, personality differences, and vast differences in musical skills.

Zano Having Fun with Uncle Bonzo Isabel Watt,2015-08-17

Bonzo the Brave Laurie Zundel,2018-10-25 Discover the wonders of the Amazon forest as Duke the Handsome Howlin' Hound, Lettuce Learn and The Captain take Buddy the supersonic transporter to help Bonzo and his family in Brazil! Join the thrilling journey as they learn to face their fears, overcome deadly obstacles, and help their new little bouncing friend become Bonzo the Brave! Bonzo the Brave: Be Brave is a storybook in the My Travel Friends Series created by author, educator and musician Laurie Zundel. She created My Travel Friends to help children build character and skills in a fun and memorable way by integrating audio, visual, and kinesthetic learning. Children are introduced to lessons in bravery, kindness, friendship, love, manners, making good choices, caring for the earth and much more! The Captain and Lettuce Learn guide the adventurous My Travel Friends crew of animal friends from around the world. On each adventure you'll get to know Duke the Handsome Howlin' Hound from New York, Bonzo the bright tree frog who bounces from Brazil, Alley the artsy cat from Paris, Chomp your Aussie mate from down under, Sophie the friendly rabbit from China, and many more! Each story takes place on a different continent and introduces important landmarks and geography of

real places around the world. If you're looking for new book series to love, this is it! My Travel Friends adventure books and learning activities are purposefully created to help kids become more confident in areas such as reading, math, geography, music, physical health, as well as teach important life lessons. Have fun in the exciting world of My Travel Friends and visit www.mytravelfriends.com to discover more interactive learning resources and learn about new and upcoming apps, books, activities, and videos as well as get My Travel Friends learning activities for FREE!

Showmen's Motion Picture Trade Review ,1952

TV-a-Go-Go Jake Austen,2005-07 From Elvis and a hound dog wearing matching tuxedos and the comic adventures of artificially produced bands to elaborate music videos and contrived reality-show contests, television--as this critical look brilliantly shows--has done a superb job of presenting the energy of rock in a fabulously entertaining but patently fake manner. The dichotomy of fake and real music as it is portrayed on television is presented in detail through many generations of rock music: the Monkees shared the charts with the Beatles, Tupac and Slayer fans voted for corny American Idols, and shows like Shindig! and Soul Train somehow captured the unhinged energy of rock far more effectively than most long-haired guitar-smashing acts. Also shown is how TV has often delighted in breaking the rules while still mostly playing by them: Bo Diddley defied Ed Sullivan and sang rock and roll after he had been told not to, the Chipmunks' subversive antics prepared kids for punk rock, and things got out of hand when Saturday Night Live invited punk kids to attend a taping of the band Fear. Every aspect of the idiosyncratic history of rock and TV and their peculiar relationship is covered, including cartoon rock, music programming for African American audiences, punk on television, Michael Jackson's life on TV, and the tortured history of MTV and its progeny.

Leonard Maltin's 2013 Movie Guide Leonard Maltin,2012-09-04 NEW More than 16,000 capsule movie reviews, with more than 300 new entries NEW More than 13,000 DVD and 13,000 video listings NEW Up-to-date list of mail-order and online sources for buying and renting DVDs and videos NEW Completely updated index of leading performers MORE Official motion picture code ratings from G to NC-17 MORE Old and new theatrical and video releases rated **** to BOMB MORE Exact running times—an invaluable guide for recording and for discovering which movies have been edited MORE Reviews of little-known sleepers, foreign films, rarities, and classics AND Leonard's personal list of fifty notable debut features Summer blockbusters and independent sleepers; masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Buster Keaton; animated classics from Walt Disney and Pixar; the finest foreign films ever made. Entertainment Science Thorsten Hennig-Thurau,Mark B. Houston,2018-08-01 The entertainment industry has long been dominated by legendary screenwriter William Goldman's "Nobody-Knows-Anything" mantra, which argues that success is the result of managerial intuition and instinct. This book builds the case that combining such intuition with data analytics and rigorous scholarly knowledge provides a source of sustainable competitive advantage - the same recipe for success that is behind the rise of firms such as Netflix and Spotify, but has also fueled Disney's recent success. Unlocking a large repertoire of scientific studies by business scholars and entertainment economists, the authors identify essential factors, mechanisms, and methods that help a new entertainment product succeed. The book thus offers a timely alternative to "Nobody-Knows" decision-making in the digital era: while coupling a good idea with smart data analytics and entertainment theory cannot guarantee a hit, it

systematically and substantially increases the probability of success in the entertainment industry. Entertainment Science is poised to inspire fresh new thinking among managers, students of entertainment, and scholars alike. Thorsten Hennig-Thurau and Mark B. Houston – two of our finest scholars in the area of entertainment marketing – have produced a definitive research-based compendium that cuts across various branches of the arts to explain the phenomena that provide consumption experiences to capture the hearts and minds of audiences. Morris B. Holbrook, W. T. Dillard Professor Emeritus of Marketing, Columbia University Entertainment Science is a must-read for everyone working in the entertainment industry today, where the impact of digital and the use of big data can't be ignored anymore. Hennig-Thurau and Houston are the scientific frontrunners of knowledge that the industry urgently needs. Michael Kölmel, media entrepreneur and Honorary Professor of Media Economics at University of Leipzig Entertainment Science's winning combination of creativity, theory, and data analytics offers managers in the creative industries and beyond a novel, compelling, and comprehensive approach to support their decision-making. This ground-breaking book marks the dawn of a new Golden Age of fruitful conversation between entertainment scholars, managers, and artists. Allègre Hadida, Associate Professor in Strategy, University of Cambridge

Suicide in the Entertainment Industry David K. Frasier, 2015-09-11 This work covers 840 intentional suicide cases initially reported in Daily Variety (the entertainment industry's trade journal), but also drawing attention from mainstream news media. These cases are taken from the ranks of vaudeville, film, theatre, dance, music, literature (writers with direct connections to film), and other allied fields in the entertainment industry from 1905 through 2000. Accidentally self-inflicted deaths are omitted, except for a few controversial cases. It includes the suicides of well-known personalities such as actress Peg Entwistle, who is the only person to ever commit suicide by jumping from the top of the Hollywood Sign, Marilyn Monroe and Dorothy Dandridge, who are believed to have overdosed on drugs, and Richard Farnsworth and Brian Keith, who shot themselves to end the misery of terminal cancer. Also mentioned, but in less detail, are the suicides of unknown and lesser-known members of the entertainment industry. Arranged alphabetically, each entry covers the person's personal and professional background, method of suicide, and, in some instances, includes actual statements taken from the suicide note.

John Wayne Richard D. McGhee, 1999-10-15 After the death of Marion Morrison, known as John Wayne, in 1979, President Jimmy Carter said that Wayne was bigger than life. In an age of few heroes, he was the genuine article. But he was more than a hero; he was a symbol of many of the qualities that made America great. The first section of this study concentrates on Wayne's style of work and sphere of action as an actor: The man who works for a living and is concerned with his audience and the constraints of his immediate environment. The second section examines the artist: the man who lives in his art, who disappears into his character as an archetype of human fears and desires. Analyses of films that have made Wayne a hero are presented in the third section. A comprehensive filmography and numerous photographs are included.

The Exhibitor, 1947 Some issues include separately paged sections: Better management, Physical theatre, extra profits; Review; Servisection.

One Way Or Another: My Life in Music, Sport & Entertainment Chris Wright, 2013-10-14 One Way Or Another is multi-millionaire rock, media and sport mogul Chris Wright's explosive autobiography. In it, Wright lifts the veil on the wheeling and dealing that propelled his company Chrysalis to the forefront of the pop industry – and how the fortune he made from rock enabled him to buy Queens Park Rangers FC, Wasps Rugby Club and a fistful of radio stations and TV production companies. Chris Wright signed bands like Jethro Tull and Ten Years After who were at the

forefront of the British rock invasion of America that took place in the late sixties and early seventies, then went on to embrace punk with Blondie and Billy Idol, New Romantics with Ultravox and Spandau Ballet, 2-Tone stars The Specials and many more. In a life story that reads like a Who's Who of the rock business, Wright spares no blushes in telling tales of sex, drugs and financial blowouts that made some rich and left others by the wayside. Ever the entrepreneur, Wright remained at the heart of the unfolding story that has become the contemporary entertainment industry, subsequently taking the Chrysalis brand into TV and radio. But his story goes beyond success in media and entertainment. In later years, Wright went on to own premiership football club Queens Park Rangers and rugby giants Wasps. Interwoven with a personal narrative that has all the twists and turns of a best-selling novel, *One Way Or Another* is a remarkable, truly gripping story of life at the top.

Entertainment World, 1969

Television Specials Vincent Terrace, 2013-06-19 This is a complete revision of the author's 1993 McFarland book *Television Specials* that not only updates entries contained within that edition, but adds numerous programs not previously covered, including beauty pageants, parades, awards programs, Broadway and opera adaptations, musicals produced especially for television, holiday specials (e.g., Christmas and New Year's Eve), the early 1936-1947 experimental specials, honors specials. In short, this is a reference work to 5,336 programs--the most complete source for television specials ever published.
