

Brett Aquila Of TruckingTruth

Steven R. Zellers

Becoming a Truck Driver Brett Aquila, TruckingTruth.com, 2007-06-01 www.truckingtruth.com Trucking schools can teach you to drive, but nobody's there to teach you everything else. This book is a no-holds-barred, call 'em as I see 'em account of what I went through when I decided to become a truck driver. I hope to shed some light on what the trucking industry is REALLY like, with no hidden agendas and no regrets. I have absolutely loved my years on the road. The experiences, the friends, the money, the challenges, and the freedom. There are so many things to know if you want to be successful on the road and they take years to learn. I'm talking about things they don't teach in truck driving schools and things companies don't talk about...at least not honestly. There are grey areas and unwritten rules in the trucking industry that have a major impact on your life and your career - and only time on the road will reveal the realities of becoming a truck driver.....- Brett Aquila, Author - *Becoming A Truck Driver: The Raw Truth About Trucking*

The Truth about Trucking Steven R. Zellers, 2006 *The Truth About Trucking* is an honest and revealing look at what it means to be a trucker in today's world. Zellers provides an education and inspiration for readers who want the real story about life on the road.

Trucker Paradise M. Grube, Melissa Grube, 2009-06 Get an inside peek into the trucking industry from someone who has driven all kinds of trucks for twenty years. Find answers to all those trucker questions you've always had. Learn the do's and don'ts of the trade. Get informed and entertained all at the same time. Written in an informal, free-flowing style, *Trucker Paradise* is easy to read and will keep you engaged till the very last page. An absolute must read for anyone contemplating a career in the trucking business or for anyone interested in lifting the veil off of this little-understood industry.

How To Become a Truck Driver HowExpert, Bruce Stimson, 2016-09-23 Let's talk about the money, most truck drivers can expect to earn \$30,000-\$40,000 in their 1st year. I know some drivers who work as Solo drivers and decide to give up their apartments so they can stay in the truck all year long and save money. They still take days off from time to time, and stay with friends, family or rent a hotel for a few days so they can take a break. Once you have 6 months experience you may be able to find a job that pays more money. I've seen motivated drivers earning in the \$60,000 range in their 1st year. The money is there to earn if you look for it. Too many drivers get complacent and they stay with the same company in the same position making low wages for years and years. Sometimes all you need to do to increase your income is switch positions within the company. If the company you work for doesn't offer anything that will take you to the next level then find another company that will. I know a Walmart driver who earns \$100,000 year and he's home every night and weekend. Companies pay you in cents per mile (CPM) so the more mileage you drive the more you earn. The bottom line is company drivers can make anywhere from \$30,000 to around \$100,000 per year. Stay away from company lease options, 99% of the time only the company does well with this type of position. They will make their lease program sound perfect, touting how you will be your own boss and make lots of money. Drivers often find themselves making just enough to cover the WEEKLY truck lease payment. If you want to truly be your own boss as a owner operator of your own truck then save up the money to buy a used truck cash or you may be able to find a 3rd party (not company sponsored) lease program. I have seen a couple of decent 3rd party lease programs, these will allow you to contract with any company you want. So if you're not making enough money with one company then you can easily switch to another. Owner operators can make anywhere from \$50,000 - \$250,000 per year. About the Expert I have been driving a truck full time for over 4 years at the time of this publishing. I have been a company driver for 3 of those years and an owner/operator for a bit over one. In the 4+ years that I've been driving I have spent one year driving most of the lower 48 states. I haven't made it up to North Carolina, and a few other states in the northeast but all of the others I have. For the last two years I have been truck driving with my team from Los Angeles to the Kansas City area and back. We did that twice a week. After doing that for about a year I was able to get a driving position working nights and being home every day. I did that for almost year. I left there because the company did a pathetic job of maintaining their equipment. I was afraid of getting stopped by law enforcement. So I left them and got my own truck to take care of. Now I am contracted with a carrier to move their freight and it works out a lot better. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.

NEW TO OTR Chris Aragon, 2014-03-14 Chris Aragon provides a direct, somewhat cynical, and slightly gruff look at the everyday tasks and responsibilities of being an Over The Road Truck Driver as an employee of a very large trucking company. Hollywood has always painted the public picture of what yesterday's trucker looked like, but Chris's hard toned look at the modern and highly regulated Commercial Drivers License paints a much different picture. With Road Safety at the center, Chris attempts to explain some of the complexity that is today's Trucking Industry for the Non-Owner-Operator of the 18 Wheeler Culture. From the starting point of obtaining a Class A Commercial Driver's License to the day to day dealings with company management to the suggestions for comfort while out on a national tour, Chris lays his no nonsense approach out in a raw sense without the hidden meanings tucked in the folds. In Chris's previous full career as a Corrections Officer Sergeant in a maximum security setting, he developed a Funny Frowned Face as opposed to a poker face in

communicating his thoughts. Chris often jokes about his Grumpy Personality with many of his friends and family and he hopes that the raw and pungent outlay doesn't protrude itself as overly provocative to any reader.

The Big Rig Steve Viscelli,2016-04-12 Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The Big Rig explains how this massive degradation in the quality of work has occurred, and how companies achieve a compliant and dedicated workforce despite it. Drawing on more than 100 in-depth interviews and years of extensive observation, including six months training and working as a long-haul trucker, Viscelli explains in detail how labor is recruited, trained, and used in the industry. He then shows how inexperienced workers are convinced to lease a truck and to work as independent contractors. He explains how deregulation and collective action by employers transformed trucking's labor markets--once dominated by the largest and most powerful union in US history--into an important example of the costs of contemporary labor markets for workers and the general public.

The Late Truck Driver David Longanecker,2021-02-03 The Late Truck Driver isn't about a deceased truck driver or someone who arrives late to pick up or deliver a load. It's about becoming a truck driver later in life. David Longanecker always dreamed of driving a big rig, but his life took a different path, leading him to enjoy a career as a higher education administrator and in policy analysis. When he retired, however, he chased his dream. In this book, he shares how he made the leap, what it was like prepping for and taking the test to earn his commercial driver's license, and how he earned real-world experience on the road. He also pays tribute to the beauty of big rigs and the pure joy that comes along with looking at them and driving them. There really is nothing like admiring the beauty of a landscape while sitting in the elevated cab of a big rig tractor. Whether you've wondered what it is like to drive a big rig, want to make a career change, or simply crave to know more about truck driving culture, you'll get an accurate picture of what the life is all about with this book.

The Humorous Side of Trucking Buck Boylan,2016-03-14 This book contains sixteen short humorous stories about a laid off steelworker and his career as a truck driver. The book begins with a look back at truck driving school of which he attended. He recalls his real life learning experiences on how to be a professional tractor trailer driver with very little guidance beginning as a local driver, then hitting the open road as a long haul driver. His unflappable quest of living on a houseboat and scuba diving for extra money fuel his interesting life style. There are many practical lessons of determination and sheer will power to overcome life's obstacles with a sense of humor. For information about The Humorous Side of Trucking, please go to <https://buckboylan.com/>.

Secrets the Trucking Companies Don't Want You to Know! Yvonne Wright,2009-04-01 Knowledge is power. If you are contemplating getting a Class A Commercial Driver's License (CDL), read this book first. Trucking companies paint a deceptively scintillating picture of the profession. It is imperative that you learn the secrets the trucking companies don't want you to know. Learn to sidestep being brainwashed into making choices that only benefit the company. Allow this book to guide you through the minefield of trucking choices. You will emerge not just unscathed, but victorious! An aptitude test will determine if you are truck driver material. You will learn how to choose a CDL school and receive valuable tips about training. After learning how to be hired on by the company that can best meet your needs, you will be coached about how to make the most money possible. A list of questions to ask prospective employers will prove to be invaluable. Let this book walk you through each step in your truck driving career from prospective student to becoming a trainer.

Trucks, Trucking, and You Hope Irvin Marston,1978 Describes different kinds of trucks and their parts; introduces both female and male truck drivers; gives advice on trucking careers; relates tales of heroism by knights of the road; discusses CB radio, driving incentives, and trucking hobbies.

The World Of Trucking Brent Betran,2021-08-05 If your dream job is to become a truck driver, read this book instead to know whether this job is for you or not. This book will give you the reality of becoming a truck driver. In this book, you will see what is involved from training to completing a load. This book gives you a hands-on approach to a load from start to finish both over the road and crude oil hauling. Complete information on how to do a thorough pre-trip inspection (PTI) and information providing detailed descriptions of trucking lingo and terminology. The author shares real-life experiences from good to bad so the reader leaves with a full understanding of how the trucking industry operates and what is expected of not only a company driver but lease and owner-operators as well.

Owner Operator Trucking Business Startup Smith Kennard,2022-07-20 Are you considering venturing into the trucking industry, but you don't know how to start the right way? Are you looking for a blueprint that will take away the guesswork from the entire process to ensure you have an easy time getting started and succeeding while at it? You know what... .. today is your lucky day! Let This Book Show You Exactly How To Get Started As An Owner Operator Truck Driver And Succeed At It! It is true that owner-operator truck drivers are making a killing, which probably explains why you too want to get started. However, if you don't know what you are doing, you could easily end up making costly mistakes. The fact that you are here means you want to streamline the process to avoid all the costly mistakes and are probably wondering... Where do I start and what do I need to do

to get started? I have never done anything close to this before – how do I ensure I set myself up for success? Should I buy or lease a truck when getting started? How do I find customers? What determines success or failure in this industry? How do I price my services? How do I grow my business from having just one truck to having multiple trucks? If you have these and other related questions, this book is FOR YOU. In this book, you will discover:

- How the trucking business works and all the requirements needed for the business
- Factors that influence the trucking industry from fuel costs, operational costs, and more
- The art of writing a winning business plan for your trucking business
- Safety rules and regulations you should be aware of
- How to successfully run your trucking company and how to hire the best truck drivers
- How to find regular clients that will keep your business busy
- The ins and outs of pricing for your services and building your fleet
- What to keep in mind when buying and leasing trucks
- How to manage your finances
- And so much more!

Yes, even if you’ve never been good at running a business or if you don’t have much knowledge on the trucking industry, let this Book prove to you that all you need is the right guide to hold your hand through the whole process. Scroll up and click Buy Now With 1-Click or Buy Now to get your copy!

How to Become a Truck Driver HowExpert Press, Bruce Stimson, 2016-09-28

About The Author I have been driving a truck full time for over 4 years at the time of this publishing. I have been a company driver for 3 of those years and an owner/operator for a bit over one. In the 4+ years that I've been driving I have spent one year driving most of the lower 48 states. Just Joe Joe Ward, 2020-04-29 If there's one thing truck drivers enjoy, it's telling stories from the road. From near-death experiences to narrow escapes and with a diversity of characters and locations all over the country, this book describes life on the road for one American truck driver. From drama to physical danger to maddening actions, he describes the stories with a wry sense of humor that will leave you either scratching your head in bewilderment or laughing out loud. This book contains stories of the author's interaction with people from all over the country as a trainer for the industry. It also shows the diversity of the American experience, from people who lived in their vehicles to people dealing with personal issues, everyone looking to change the direction of their lives by learning a new skill. These stories are meant to be more entertaining than informative, a break from everyday monotony with a look into a lifestyle most will never experience. From driving through ice and snowstorms for days at a time to high winds and traffic jams, the stories cover it all. So grab a cup of coffee, sit back, and enjoy the ride.

Pedal To The Metal Lawrence Ouellet, 2010-08-17 A revealing inside account of truckers' work ethic.

The Long Haul: A Trucker's Tales of Life on the Road Finn Murphy, 2017-06-06 “There’s nothing semi about Finn Murphy’s trucking tales of The Long Haul.”—Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he’s covered more than a million miles as a mover, packing, loading, hauling people’s belongings all over America. In The Long Haul, Murphy

recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.

This Truckin' Life Laurie Driver,2006 This book is a set of reflections and recollections of a driver's 40 plus years in the hard and unforgiving world of the haulage and transport industry. It delves into the methods resorted to, in order to survive and make ends meet for him and his family, in a world where the driver is considered the lowest of the low. There is both humour and pathos and some love and some violence. There are tales of underhand dealings, fiddles and thievery. It tells of times when truck driving was a man's world. Hard relentless toil, long, unsocial hours when there was no power steering and all gearboxes were constant mesh. When roping and sheeting was the norm. When trucking wasn't just a job. It was a way of life. Laurie Driver is the pseudonym of Dennis Burnier Smith who has just recently retired from the haulage industry.

Confessions of a Female Truck Driver Rebbby Barnard,Rebekkah Barnard,2009-03 I aspired to write since early childhood. My mother loved my writing and saved things I wrote at an early age which she treasured. In the 1990s, while driving a semitruck I learned quite a bit about myself and the world. It was fun and memorable, and I will never forget it. Later I drove a taxicab. Passengers sometimes would ask me if we are on the show Taxicab Confessions. I revealed my trucking experiences and changed the title to Confessions of a Female Truck Driver. Just recently, I became a truck driver again! I am so excited to be back-and maybe I will write a sequel to this book one day. What is it really like driving a truck? It's a complete subculture with its own standards, ethics, and dialect. And it never hurts to have a sense of humor. This is the world of the truck driver through my eyes. Breaker one-nine. Breaker one-nine. We got a great big convoy and I got your back door. Keep the greasy side down and the shiny side up. That's a big 10-4, good buddy

Common Sense Guide to Driving a Truck Harry Gorge,2011-08-17 A COLLECTION OF STORIES FROM OVER 30 YEARS OF EXPERIENCE AS A SAFETYMAN, LICENSED INSTRUCTOR, STATE DRIVING CHAMPION, AND PROFESSIONAL DRIVER. A HUMOROUS AND REALISTIC GUIDE TO HELP THE AVERAGE TRUCK DRIVER BETTER UNDERSTAND THE LAWS, RULES, AND REGULATIONS IN AN EASY TO READ FORMAT. THIS BOOK ALSO COVERS THE CSA2010 AND STORIES FROM THE STREET AS A LOCAL DRIVER, FROM THE ROAD AS A LONG HAUL DRIVER, FROM THE CLASSROOM, ROAD TESTS AND DURING TRAINING AS A SAFETYMAN. ALSO SOME STORIES FROM THE DRIVING CHAMPIONSHIPS. I BELIEVE ANYONE IN THE TRUCKING INDUSTRY WILL ENJOY RAEDING THIS BOOK.

Truckerology Long-Haul Larry,2020-04-14 Climb aboard Big Blue and ride along with veteran trucker, Long-Haul Larry as he tells tales of his journeys across America's heartland. Share in the humor and struggle of driving a truck for the first time and teaching others to do the same. Experience nail-biting tension while trucking through ice and wind. Learn how to train a cat and how not to train your wife. Find out what to wear when the shooting starts and discover the fastest way to get a Thanksgiving turkey. Know how NOT to meet your maker and what it's like to walk a stranger to the hereafter. Larry's stories will move, entertain, and impress you in ways you never imagined as you experience life as an American trucker. Publisher Note: Truckerology is a clean and wholesome read appropriate for readers of all ages. This book is a series of short-stories sure to warm the heart and tickle the funny-bone. About The Author Veteran trucker, Long-Haul Larry hails from the eastern lowlands of Wisconsin, north of Milwaukee, but can be found anywhere along America's vast highways piloting Big Blue along with Chicken Johnny. Larry firmly believes, If you're gonna drive 'em, you better be able to fix 'em. Using his natural mechanical aptitude and experience as a truck mechanic, he keeps Big Blue running the miles and their deliveries on time. Join Larry and Chicken Johnny in their daily adventures on the Long-Haul Larry YouTube Channel at <https://bit.ly/LongHaulLarry>. What's up with the chicken, you ask? You'll have to look for Chicken Johnny on Larry's YouTube channel to find out. Special thanks to John Vollrath with JBG Travels for the Introduction.
