Valley of Fools Brian Martell,2016-05-18 Valley of Fools is a story about a young man trying to cope in a world that makes no sense to him.

Trouble No Man Brian Hart,2019-01-29 American War meets Into the Wild in Brian Hart's epic saga of one man's struggle to survive a hostile world—tracing his path from a self-destructive, skateboarding youth in the 90s to the near future as he journeys across a desolate, militia-controlled American West to find his missing family—perfect for fans of Edan Lepuki and Cormac McCarthy. In the America of a near future, northern California and the Pacific Northwest have become a desolate wasteland controlled by violent separatist militias and marked by a lack of water and fuel. In a village outside Reno, a middle-aged man visits an undertaker and gathers the ashes of his dead wife to bring to Alaska. There, their children await them—refugees from the destruction of the south. To reach his only remaining family, the man must cross the treacherous, violent landscape north by bike, his dog his only companion. Thirty years earlier, we meet Roy Bingham. After a rough-and-tumble childhood, Roy is numbing himself with skateboarding, drugs, and sex, when he meets Karen. Sassy, soulful, and arresting, Karen pulls Roy into her orbit until she decides to give up their nomadic lifestyle to put down roots in her hometown of Loyaltton, California. Roy's fidelity buckles under the commitment and after a boozy night in Reno he leaves Karen for the road and skateboarding. Flashing back and forth in time across four decades in the life of a man who is lost even when he's found, Trouble No Man delivers a resonant story of survival, violence, and family, set against the tumult of an America on the precipice of becoming an unfree nation.

A Real Man Does Not Put Cream in His Coffee Brian Smiley,Brett Calhoun,2006-01-20

Brian's Brain ,

Feelers Brian M Wiprud,2009-03-03 Morty Martinez is known in the industry of estate liquidation as a feeler. If you were to look him up in the Brooklyn yellow pages, he would be listed under home content removal, but his real job is looking for stashes of cash crammed into tin cans that have been left out of wills, kept out of banks, and hidden away for decades by the frugal elderly suspicious of ATMs and the IRS. When Morty hits upon the biggest score of his life, over \$800,000.00, he knows that news travels fast and he must operate quickly and carefully to safeguard his booty, his life and his destiny as patrician of a seaside Mexican village. But what he doesn't know is that there are others after the same buried treasure, including the recently paroled prison assassin Danny Kessel.

Nickel Plated Gold Brian Bieber,2013-08-16 An inept improviser downplays his fake drug addiction to impress a pretty grad student.A jaded trauma surgeon laments the dearth of comedy in his workplace.A forlorn circus clown tries to convince himself he has not been made a fool by hischeating spouse. NICKEL PLATED GOLD is populated by characters stumbling--sometimes flailing--through lives fraught with self-doubt, delusion, and absurdity. From the ludicrouspontification of How I Would Fight Certain Animals to the tender rumination of Love Life, Brian Bieber's first collection of stories is filled with characters who are desperate to do things right, but tend to fail hilariously. Without a lot of fanfare or exposition, [Brian] can connect what you don't know with what you do. He recognizes there are moments in art that should be beautiful. There are moments that should not. His swift pacing allows him to do humor successfully; his facility with tone allows him to do absurdism; but it's his rendering of human nature that defines my favorite of his stories. - Dessa author of SPIRAL BOUND from the foreword Funny, smart, and plenty weird. Also the perfect size to read on a single trip from the U.S. to wherever you travel abroad for illegal plastic surgery. - Jason Roeder Writer/producer, adultswim.com; former senior writer, The Onion

The Arrival from a Far-Off Place Brian Sowakinas,2019-07-03 The story is an existential comedy dealing with the lives of three men and the closeness they share after fighting in a war together. It is existential because it deals with the nature of how these men choose to live their lives, and though it does not end well for most of them, it is comedic because it does have a happy ending. One of the men's son is raised by his selfless father who attempts to teach him the trade of carpentry. Though he never does get the job done, he instead finds love.

America, But Better Chris Cannon,Brian Calvert,2012-07-01 As the American election increasingly resembles a production of CATS performed by actual cats, U.S. citizens are looking for a new leader. That leader is Canada, and they want your vote for president of the United States. Since launching their viral video campaign in January, the Canada Party has been covered around the world, including CNN, BBC, the Huffington Post, and German State Television. America, but Better: the Canada Party Manifesto, balances the doctrine of American exceptionalism with a dose of Canadian humility and common sense to secure Canada as the new leader of the free world, by proxy. Their promises: One gay couple will be allowed to marry for every straight couple that gets divorced. The phrase job creators will be changed to job creationists, and they will be given seven days to actually create some. Corporations will still be people, but if they can't provide a birth certificate they will be legally obligated to care for your lawn. Corners will be installed in the Oval Office, and timeouts given to congressmen who can't play nice. Devoted to restoring America to its former glory, the Canada Party will soon have the whole world chanting, Yes We Canada.

Leaving Dublin Brian Brennan,2011-07-01 Leaving Dublin: Writing My Way from Ireland to Canada is an engaging and entertaining exploration of a man's life that begins in middle-class Dublin, includes stints as a travelling musician and broadcaster in Canada, and culminates in a career as an

award-winning journalist and bestselling author. With passion, candour, humour and vivid stories, Brian Brennan tells how he left a soul-destroying job in the Irish civil service to seek new opportunities in a country where he had no friends and no family connections. He offers revealing glimpses of suburban life in the postwar Ireland of the 1950s, the commercial music scene in Canada during the 1960s, and the commercial radio and newspaper scene during the last third of the 20th century, when journalism went from being a business with a conscience and a higher purpose to an enterprise owned by large corporations that care more about private profit than public debate.

Las Vegas baby Brian Freeman,2010-11-10 Pas de doute, Las Vegas joue carte sur table avec Jonathan Stride. A peine muté de son lointain et glacial Minnesota, l'inspecteur est directement plongé dans les flammes de l'enfer : une nouvelle collègue qui se révèle être transsexuelle, le meurtre du fils d'un riche producteur de cinéma et un tueur en série qui laisse des indices pour qu'on le suive à la trace. Sexe, argent et crime. La ville du péché n'a jamais mieux porté son nom. Et quand, en plus, la politique s'en mêle, alors Stride doit se rendre à l'évidence : pour ce qui est de son enquête, les dés sont pipés...
