*Play It Forward* Joan Barnes, Michael Coffino, 2016-05-09 *Play It Forward* details the remarkable journey of Joan Barnes, the founder and former CEO of Gymboree, and how she learned to align her inner life with outward success. Forty years ago, Joan Barnes founded a modest play center in a church basement with \$3,000. Determined to enable women to achieve both personal and entrepreneurial success, Barnes grew Gymboree into an innovative, billion-dollar brand and trailblazing leader in a new industry: activity-based early childhood development. But this dramatic entrepreneurial memoir is also a cautionary tale and redemption story. When Gymboree's IPO became a phenomenal success story, Barnes was nowhere near Wall Street. She had stepped down from the company because of an eating disorder that threatened to destroy everything she built. Barnes was able to confront this disorder, revealing a path to overcome one's demons and achieve a sense of worth and hope. She eventually resumed her business career on healthier terms—with a successful line of yoga studios—in an inspiring example of how midcareer women can triumph through reinvention. Published to coincide with Gymboree's 40th anniversary, *Play It Forward* offers readers a deeply honest perspective of the challenges of building a business and seeking a work-life balance that's in tune with personal values.

Raising Trump Ivana Trump, 2017-10-10 In *Raising Trump*, Ivana Trump reflects on her extraordinary life and the raising of her three children—Donald Jr., Eric, and Ivanka—and recounts the lessons she taught her children as they were growing up. As her former husband takes his place as the 45th President of the United States, his children have also been thrust into the media spotlight—but it is Ivana who raised them and proudly instilled in them what she believes to be the most important life lessons: loyalty, honesty, integrity, and drive. *Raising Trump* is a non-partisan, non-political book about motherhood, strength, and resilience. Though Ivana writes about her childhood in communist Czechoslovakia, her escape from the regime and relocation to New York, her whirlwind romance, and her great success as a businesswoman, the focus of the book is devoted to Ivana's raising of her children. Donald Trump Jr., Eric Trump, and Ivanka Trump will all contribute their own memories to the book. "Every day, people ask me how I raised such great kids. They are truly amazed when I tell them that there was no magic to their upbringing. I was a tough and loving mother who taught them the value of a dollar, not to lie, cheat, or steal, respect for others, and other life lessons that I'll share now in *Raising Trump*, along with unfiltered personal stories about Don, Eric, and Ivanka from their early childhood to becoming the 'first sons and daughter.'" —Ivana Trump
