**Bright Moves** Thomas J. Flaherty, 2023-04-18 A comprehensive look at how utilities are driving clean energy innovation With *Bright Moves*, expert utilities consultant Tom Flaherty examines the past, present, and future of innovation in the utilities industry. He explores the complexities of what it truly means to innovate, considers the past and current disruptors driving innovation, and discusses the role of research and development in how utilities need to approach their businesses in an era of technology and market disruption. The book includes detailed profiles of today's top innovators to illustrate:

- What types of challenges utilities face today
- How successful innovation requires intentional and consequential actions
- How utilities are rapidly evolving toward broader and more innovative thinking
- Why more commercialization is the way forward for the utilities sector

These innovators pave exemplary pathways for start-ups and long-established companies alike as they navigate the cleantech transition and other developments. *Bright Moves* is for innovators in all fields—but especially utilities leadership, business executives from companies engaging utilities, start-up leaders, and other

innovation professionals who are driven to succeed in a demanding and quickly changing global economy.

**Business Torts: A Fifty-State Guide, 2021 Edition** Daller, Daller, 2020-12-17 **Business Torts: A Fifty State Guide, 2021 Edition** provides the most recent statutory and case law developments on business torts laws for each of the fifty states and the District of Columbia. Practitioner-oriented, and written by leading state experts, each chapter summarizes the variants and developments particular to a specific state jurisdiction. You will find detailed coverage of each state's standards regarding: misappropriation of trade secrets; tortious interference with contracts; fraud and misrepresentation; trade libel and commercial disparagement; breach of fiduciary duty; officers and directors liability; conversion; unfair competition, fraudulent transfer; economic loss; and statutes of limitation. The 2021 Edition incorporates recent changes in the law of the various states, including: The Nebraska Supreme Court has recognized the tort of trade libel and commercial disparagement in a long-awaited landmark case. The Missouri legislator amended the Missouri's Merchandising Practices Act to require a

consumer bringing a claim under that act to establish that they acted as a reasonable consumer would in light of all circumstances and that the business practice alleged to be unlawful would cause a reasonable person to enter into the transaction that resulted in damages. The Florida Ninth Judicial Circuit has reopened its Business Court, a division of the Court which handles exclusively business matters. The Business Court was closed in 2017 due to budget constraints. The Hawaii Supreme Court held that a plaintiff may claim equitable tolling for fraudulent concealment. State Laws Included: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming. *Business Torts* Daller,2015-12-21 There is a great wealth of diversity in the business tort laws of all fifty states and the District of Columbia. In addition to the very significant differences in the statutes of limitation, other significant differences include: Some states have not recognized a cause of action for negligent interference with an economic advantage. Negligent misrepresentation in one state is limited to claims against persons in the business of supplying information to others. One state recognizes a cause of action for andquot;strict responsibility misrepresentation.andquot; Another state recognizes claims of andquot;prima facie tortandquot; for wrongs that do not fit into traditional tort categories. And these are only a few examples of the more significant differences. The new 2016 Edition of *Business Torts: A Fifty-State Guide* helps you quickly assess the merits and pitfalls of litigation in any given jurisdiction allowing you to make the best decisions for your clients.

Doug Unplugged Dan Yaccarino,2016-03-08 \*\*Check out the Doug Unplugs animated series on Apple TV!\*\* It's easy being a robot, if you play by all the rules—but when Doug gets curious, he decides to unplug and forge his own path. And he discovers a whole world of what's possible. Doug is a robot. His parents want him to be smart, so each morning they plug him in and start the information download. After a morning spent learning facts about the city, Doug suspects he could learn even more about the city by going outside and exploring it. And so Doug . . . unplugs. What follows is an exciting day of adventure and discovery. Doug learns amazing things by doing and seeing and touching and listening—and above all, by interacting with a new friend. Dan Yaccarino's funny story of robot rebellion is a great reminder that sometimes the best way to learn about the world is to go out

and be in it. Praise for Doug Unplugged: A gentle robotic rebellion. —USA Today A sweet tale . . . Yaccarino [is] especially good at slipping in the small, nourishing details that are savored upon repeated readings. —The New York Times

*Deductive Detective, The Brian Rock*,2013-02-10 Someone stole a cake from the cake contest—who could it be? Twelve animal bakers are potential suspects but Detective Duck uses his deductive reasoning skills to “quack” the case. After all, the thief left hairs behind so the thief wasn’t a bird. Follow along as he subtracts each suspect one at a time to reveal just who the culprit was. This clever story will have children of all ages giggling at the puns and the play on words.
