

# By Default

Anne Marie Le Gloannec

*Discrimination by Default* Lu-in Wang, 2008-04 Drawing on social psychology to detail three ways in which unconscious assumptions can lead to discrimination, this book demonstrates how these dynamics interact in medical care to produce an invisible, self-fulfilling, and self-perpetuating prophecy of racial disparity.

**Equality by Default** Philippe Bénéton, 2004 Philippe Beneton, a prominent French religious conservative, has long meditated on Tocqueville, and *Equality by Default* is Tocquevillian in that it does not offer a partisan polemic, but rather paints a picture of contemporary life—a picture that is also a guide for discernment for those who have a difficult time seeing contemporary liberalism for what it is. Artfully translated by Ralph Hancock, *Equality by Default* offers a unique and strikingly insightful account of the late-modern mind.

Pluralism by Default Lucan Way, 2015-12-31 “Pluralism by Default will change the way we understand the emergence of democracies and the consolidation of autocracies.” —Chrystia Freeland, author of *Plutocrats* Exploring sources of political contestation in the former Soviet Union and beyond, *Pluralism by Default* proposes that pluralism in “new democracies” is often grounded less in democratic leadership or emerging civil society and more in the failure of authoritarianism. Dynamic competition frequently emerges because autocrats lack the state capacity to steal elections, impose censorship, or repress opposition. In fact, the same institutional failures that facilitate political competition may also thwart the development of stable democracy. “A tour de force brimming with theoretical originality and effective use of in-depth case studies. It will enrich our understanding of post-communist politics and help reshape the way we think about democracy, authoritarianism, and regime change more broadly.” —M. Steven Fish, author of *Democracy Derailed in Russia: The Failure of Open Politics*

Winning by Default: Remix Roger C. Bethel, 2018-10-03 *Winning by Default* reveals the joy and the pain of a young boy of African American descent, who grew up as the son of Mississippi sharecroppers in the 1940's, 50's, and 60's. His story helps you to feel what it's like to be trapped by circumstances beyond your control. The author's determination to find a better life demonstrates his urgency to escape the reality of poverty, segregation and the fear he experienced in a southern segregated society. You'll ride along with him on his emotional rollercoaster as he plots his course through more than thirty municipalities across America and Europe searching... for his slice of the American pie. In spite of his weaknesses, he navigated his way to the top of his game... only to find the

missing link in the chain of his successes. The desperation to succeed turned this young boy into a man.

**A Duke by Default** Alyssa Cole, 2018-07-31 An NPR Best Book of the Year - A Bookish Favorite Book of the Year - A Bookpage Best Romance of the Year Award-winning author Alyssa Cole's Reluctant Royals series continues with a woman on a quest to be the heroine of her own story and the duke in shining armor she rescues along the way... New York City socialite and perpetual hot mess Portia Hobbs is tired of disappointing her family, friends, and—most importantly—herself. An apprenticeship with a struggling swordmaker in Scotland is a chance to use her expertise and discover what she's capable of. Turns out she excels at aggravating her gruff silver fox boss...when she's not having inappropriate fantasies about his sexy Scottish burr. Tavish McKenzie doesn't need a rich, spoiled American telling him how to run his armory...even if she is infuriatingly good at it. Tav tries to rebuff his apprentice—and his attraction to her—but when Portia accidentally discovers that he's the secret son of a duke, rough-around-the-edges Tav becomes her newest makeover project. Forging metal into weapons and armor is one thing, but when desire burns out of control and the media spotlight gets too hot to bear, can a commoner turned duke and his posh apprentice find lasting love?

*Reasons as Defaults* John F. Horty, 2012-01-31 Although the study of reasons plays an important role in both epistemology and moral philosophy, little attention has been devoted to the question of how, exactly, reasons interact to support the actions or conclusions they do. In this book, John F. Horty attempts to answer this question by providing a precise, concrete account of reasons and their interaction, based on the logic of default reasoning. The book begins with an intuitive, accessible introduction to default logic itself, and then argues that this logic can be adapted to serve as a foundation for a concrete theory of reasons. Horty then shows that the resulting theory helps to explain how the interplay among reasons can determine what we ought to do by developing two different deontic logics, capturing two different intuitions about moral conflicts. In the central part of the book, Horty elaborates the basic theory to account for reasoning about the strength of our own reasons, and also about the related concepts of undercutting defeaters and exclusionary reasons. The theory is illustrated with an application to particularist arguments concerning the role of principles in moral theory. The book concludes by introducing a pair of issues new to the philosophical literature: the problem of determining the epistemic status of conclusions supported by separate but conflicting reasons, and the problem of drawing conclusions from sets of reasons that can vary arbitrarily in strength, or importance.

**Daddy By Default** Muriel Jensen,2012-07-01 WHO'S THE DADDY? IT'S A DADDY? NAME:

Darrick K. McKeon 6'2, 176 lbs. HAIR: black with a wave EYES: dark with a sparkle DISTINGUISHING CHARACTERISTICS: GQ style, Wall Street savvy FIRST WORDS: I can handle it. Or in this case them? How had this happened? Darrick McKeon was the family's Mr. Fix It, the one who solved all the problems. But now he had a doozy of his own. Twin baby girls had been abandoned with no ID except their daddy's name: D. K. McKeon. Darrick's D.K., all right, but so are his brothers. One of them has to be the father. After all, he's the good brother the one who always looks before he leaps. But then he remembers a certain mountaintop and a lovely, lissom pilot who landed him there nine months ago.

Continent by Default Anne Marie Le Gloannec,2018-01-15 Introduction : geopolitics without power politics -- From a strategy by default to a grand strategy? : in the beginning was enlargement -- The limits of enlargement : the end of certainties -- Peace, war, and confetti : an elusive security policy -- Boundaries and borderlands : from inside out? -- A crisis in the making? : the refugee crisis -- Competitive decadence? : Russia and the EU -- Conclusion : the waning geography of influence

**Empire by Default** Ivan Musicant,1998-02-15 The definitive version of the Spanish-American War as well as a dramatic account of America's emergence as a global power.

**Equality by Default** Philippe Bénéton,2004 Philippe Beneton, a prominent French religious conservative, has long meditated on Tocqueville, and Equality by Default is Tocquevillian in that it does not offer a partisan polemic, but rather paints a picture of contemporary life-a picture that is also a guide for discernment for those who have a difficult time seeing contemporary liberalism for what it is. Artfully translated by Ralph Hancock, Equality by Default offers a unique and strikingly insightful account of the late-modern mind.

*Forms of Pleadings and Precedents in the Law Courts of the State of New Jersey* Fred Prout,1907

Daddy by Default Pat Tucker,2012-09-25 Roxanne's husband, Parker Redman, is shocked when he's arrested for delinquent child support, especially since the devoted husband hasn't fathered any children. The Parkers' best friends, James and Serena, are in the final stages of a bitter divorce. Just when James thinks his nightmare is over, he learns his daughter has a different daddy. For the love of money, single mom Lachez Baker is a ghetto-fabulous mother of three who seems to have it all, thanks to money from her children's fathers. But soon, her life of designer clothes, endless parties, and steady cash collides with the man who's been the target of her carefully crafted paternity fraud. From author Pat Tucker comes a drama-filled tale of lies, schemes and consequences as these men

discover the importance of knowing the paternity laws in your state.

Poet by Default Tristan Corbière, 2011 Poetry. Translated from the French by Noelle Kocot. ...I have the clearness of the moon, / And for friends I have amorous vagabonds with no money. A limited-edition, hand-sewn volume of poet Noelle Kocot's translations of some of the poems of Tristan Corbière (1845-1875), the young French poet whose only book, *Les Amours jaunes*, was largely ignored until the Symbolist poet Paul Verlaine wrote about him a decade after his untimely death. Marked by his use of irony and a distinctive local idiom, Tristan Corbière's work is a cornerstone of modern French poetry, and has been influential to English and American modernists such as Pound and Eliot.

*Why Not Default?* Jerome E. Roos, 2019-02-12 How creditors came to wield unprecedented power over heavily indebted countries—and the dangers this poses to democracy The European debt crisis has rekindled long-standing debates about the power of finance and the fraught relationship between capitalism and democracy in a globalized world. *Why Not Default?* unravels a striking puzzle at the heart of these debates—why, despite frequent crises and the immense costs of repayment, do so many heavily indebted countries continue to service their international debts? In this compelling and incisive book, Jerome Roos provides a sweeping investigation of the political economy of sovereign debt and international crisis management. He takes readers from the rise of public borrowing in the Italian city-states to the gunboat diplomacy of the imperialist era and the wave of sovereign defaults during the Great Depression. He vividly describes the debt crises of developing countries in the 1980s and 1990s and sheds new light on the recent turmoil inside the Eurozone—including the dramatic capitulation of Greece's short-lived anti-austerity government to its European creditors in 2015. Drawing on in-depth case studies of contemporary debt crises in Mexico, Argentina, and Greece, *Why Not Default?* paints a disconcerting picture of the ascendancy of global finance. This important book shows how the profound transformation of the capitalist world economy over the past four decades has endowed private and official creditors with unprecedented structural power over heavily indebted borrowers, enabling them to impose painful austerity measures and enforce uninterrupted debt service during

times of crisis—with devastating social consequences and far-reaching implications for democracy.

## By Default Introduction

In the digital age, access to information has become easier than ever before. The ability to

upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading By Default. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading By Default, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download By Default has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal

security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About By Default Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. By Default is one

of the best book in our library for free trial. We provide copy of By Default in digital format, so the resources that you find are reliable. There are also many Ebooks of related with By Default. Where to download By Default online for free? Are you looking for By Default PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another By Default. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of By Default are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or

categories, brands or niches related with By Default. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with By Default To get started finding By Default, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with By Default So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading By Default. Maybe you have knowledge that, people have search numerous times for their favorite readings like this By Default, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. By Default is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, By Default is universally

compatible with any devices to read.
