**Firefly** Danny Simmons,2022-07-19 Until now, explosions, lies, and espionage have never been a regular part of his life. Blake Cavanaugh walks through his mundane, ordered life day after predictable day. His career as a human resource employee in a calm, uneventful West Texas CIA office is tidy and safe...that is until he overhears a whisper that draws him into a path of discovery: He is captivated by her name. Has his past caught up with him? As he gets deeper and deeper into the Firefly documents, he is instinctively drawn to the familiar symbols, names, and places that conjure up powerful emotions he can't shake. Could it be her? He is chased by this mystery across three continents into a secret world that challenges every fiber of his predictable life as he draws upon his untested skills in handling guns and deciphering codes. Driven by the irresistible encounters and haunted by the stinging pain of the past, Blake must face his fears in this new upside-down world of immense obstacles, not the least of which has been hiding inside him his entire life. And when he meets an unlikely ally who knows more than she should, it only uncovers more questions. Will he find the answers, or did he truly lose everything he loved so many years ago?

*Caffeine Blues* Stephen Cherniske, 2008-11-15 One of the most accomplished nutritional biochemists and medical writers in his field reveals the truth about caffeine and helps you kick the habit forever. Nearly 80% of all Americans are hooked on caffeine, this country's #1 addiction. A natural component of coffee, tea and chocolate, and added to drugs, soft drinks, candy and many other products, the truth about caffeine is that it can affect brain function, hormone balance, and sleep patterns, while increasing your risk of osteoporosis, diabetes, ulcers, PMS, stroke, heart disease and certain types of cancer. Discover a step-by-step, clinically-proven program that reduces your caffeine intake, and effective ways to boost your energy with nutrients, healthy beverages, better sleep and high-energy habits.

**Beyond Fair Trade** Mark Pendergrast, 2015 In 2006, prominent businessman John Darch met with a man named Wicha Promyong. That meeting led to the establishment of an equal partnership business venture a partnership that goes beyond fair trade and shows that capitalism can have a human side. Today the Doi Chaang Coffee Company's coffee can be found across the world. Mark Pendergrast takes the reader on a journey through time and place as he leads us through the history of the ancient, persecuted hill tribe, the Akha, from their very roots to their current status as makers of one of the world's top coffees. Along the way he explains the history of cash crops ranging from opium to coffee, the latter being the crop that has saved the Akha and restored a sense of pride in the Akha people. He tells the story of John

Darch and Wicha Promyong and acknowledges their primary role in this story, but he also tells the story of the many people without whom this venture may never have succeeded. This is not a story about charity; it is the story about a real partnership based on a groundbreaking approach to international business practices.

*Work and Labor Relations in the Construction Industry* Dale Belman, Janet Druker, Geoffrey White, 2021-02-16 The need for a skilled, motivated and effective workforce is fundamental to the creation of the built environment

across the world. Known in so many places for a tendency to informal and casual working practices, for the sometimes abusive use of migrant labor, for gendered male employment and for a neglect of the essentials of health and safety, the industry, its managers and its workforce face multiple challenges. This book brings an international lens to address those challenges, looking particularly at the diverse ways in which answers have been found to manage safe and productive employment practices and effective employment relations within the framework of client demands for timely and cost-effective project completions. Whilst context, history and contractual frameworks may all militate against a careful attention to human resource issues this makes them even more deserving of attention. *Work and Labor Relations in Construction* aims to share understanding of best practice in the industries associated with construction and related activities, recognizing that effective work organization and good standards of employee relations will vary from one location to another. It acknowledges the real difficulties encountered by workers in parts of the developing world and the quest for improvement and awareness of some of the worst hazards and current practices. This book is both critical and analytical in approach and seeks to alert readers to the need for change. Aimed at addressing practical issues within the construction industry from a theoretical and empirical standpoint, it will be of value to those interested in the built environment, employment relations and human resource management.

**The Pirate Inside** Adam Morgan, 2004-08-13 Most marketing and branding books fall into one of two camps: either they are about leaders or they assume that brands can be managed by process alone. The Pirate Inside is different. It forwards the idea that brands are about people, and Challenger Brands are driven by a certain kind of person in a certain kind of way. Challenger Brands don't rely on CEOs or founders, but on the people within the organization whose personal qualities and approach to what they do make the difference between whether the brand turns to gold or falls to dust. In line with this thinking, The Pirate Inside forwards two key questions: what does it take to be the driver or guardian of a successful Challenger Brand, and what are the demands made by this on character and corporate culture? Building on his answers, Adam Morgan then explores the critical issue of whether big, multi-brand companies can create Challenger micro-climates within their companies, and the benefits that they might achieve by doing so.

**Open Road** TW Neal, 2021-03-11 Fans of Cheryl Strayed's Wild, Bill Bryson's A Walk in the Woods, and Elizabeth Gilbert's Eat, Pray, Love will enjoy author Toby Neal's road trip travel memoir of self-discovery as she and her husband journey through the National Parks! I had a dream to live a "normal" life and I attained it; but along the way, I lost myself. My story began in Freckled: a Memoir of Growing up Wild in Hawaii, but it continued after I married the man of my dreams, completed my education with multiple degrees, had a successful career, and raised two beautiful children. I sacrificed to get to

where I was. Though I didn't regret anything, flat on my back in the doctor's office on the cusp of my fiftieth birthday, my health was crumbling. I no longer recognized myself. I turned my head and saw a calendar on the wall: Bryce Canyon National Park in Utah beckoned me with its mysterious sandstone hoodoos. A road trip traveling through the National Parks was just what I needed to rediscover the girl I'd been; it could help me turn a corner into my new career as a writer, and my husband would enjoy a chance to photograph the natural wonders we saw. Sometimes, a twelve-thousand-mile road trip is also a personal quest. An absorbing travel narrative about defining and facing the limitations and opportunities of midlife. Business of the Heart Claire Forsythe, 2022-03-15 Abby Archer should be content. Her coffee shop, Haze, is thriving, and she has a great group of friends. There's just one thing missing: love. Despite past betrayals, Abby hasn't given up on finding the one, waiting with increasing impatience to experience the sparks she's always dreamed of. Lexi Finn lives for her career. At least her job won't break her heart. Unlike Abby, she's most definitely not searching for the one or anyone for that matter. Avoiding relationships isn't all that difficult when she's become so skilled at keeping people at a distance. So imagine Lexi's shock when, walking into Haze, she feels instant attraction and an unshakeable connection with Abby. Abby has a picture of her perfect woman in her mind, and it certainly isn't the intolerable Lexi Finn. When a hopeless romantic meets a tough-as-nails cynic, they'll need to overcome the wounds of the past to discover that their hearts are the most important business of all.

*Far Away From You* Liz Levoy, 2023-09-19 Elisabeth: From the moment he walked in to my coffee shop, I was hooked. I thought this was the man that I'd been looking for my whole life. Our romance was like a dream come true... until he vanished from my life and started turning up on the radio and TV instead. How am I supposed to get over someone who's literally everywhere? Logan: Everyone knows me, the whole world screams my name. Being in a rock band is a dream come true, but something is missing. My life hasn't been the same since I walked away from her. But I suppose it's too late to get Stephanie back now...

**Dragon Hearts Box Set (Books 3-4: Broken Souls Series)–Dragon Shifter**

**Paranormal Romance** Alisa Woods, **\*\*LIMITED TIME BOX SET\*\*** of books 3-4 from the Broken Souls Series. When dark elves corrupt the very thing you are, there's only one path to redemption. This is all my fault. The fates sent them to me in a dream—the twin soul mates and the dragon man with the pale brown eyes. I knew they were key to everything. I knew I'd pay a price for it. What I didn't see coming was the flutter in my belly when the dragon man's eyes were upon me. He's a fine thing, but that's not important—rescuing these women from the feckin' Elves. That's important. Not least because it's my fault they're here. Witches are supposed to be healers. Matchmakers of dragons. My mother and her mother before her... we aren't supposed to be destroyers. So I'll undo what I've done, but I tell myself, There's nothing more for you, Alice. Don't let that dragon man wreck your head... or all your carefully laid plans. Alice's a witch held hostage. Constantine's a dragon who gave up long ago... together they might save dragonkind, but it could already be too late for their broken souls. Get two books in this box set—My Dragon Mate, which is Alice's story, and My Dragon Bodyguard, Grace's story. Broken Souls is a steamy dragon shifter romance series that'll heat up the sheets with love and warm your heart with dragonfire. Ithaka Rising LJ Cohen, 2015-06-26 A derelict ship and a splintered crew are not the rewards Ro had hoped for when she helped disrupt her father's plans to start a war with smuggled weapons. But with the responsibilities of full Commonwealth citizenship and limited resources, she is forced to take her father's place working as an engineer on Daedalus station while she and Barre try to repair their damaged freighter, Halcyone. Barre's brother, Jem, is struggling with the disabling effects of his head injury, unable to read or code. His only hope is to obtain a neural implant, but the specialists determine he is too young and his brain damage too extensive. When Jem disappears, his trail dead ends at the black market. Ro and Barre race to find Jem before he sells his future, risking his mind for an illegal neural implant. But they're not the only ones looking for The Underworld and its rogue planet, Ithaka. What they find endangers more than just the three of them and forces them to confront a very different truth about the war they believed was ancient history.

*My Dragon Bodyguard (Broken Souls 4)* Alisa Woods, 2020-03-17 She was abducted in the middle of the night... Don't scream. Don't scream. Don't scream. Jayda doesn't need to hear that. And it makes Daisy cry. But a scream is burning in my chest as they haul me to "the chair." My tears mean nothing. My soft begging is pointless. They grab my arms and legs and strap me down and put that damn wand to my head... the one that reaches inside my mind and

starts tearing it apart... We escaped that nightmare—Jayda, Daisy and me—and now I just want my life back to normal. Forget those crazy aliens with their pointed ears. Forget all the screams. But as soon as I step on the set—my big chance as a Guest Star in a new medical drama—all of it comes rushing back. If it weren't for that hot new Production Assistant, I'd probably be in a psych ward by now. The Universe is finally giving me a break. Grace is desperate to put her life back together. Theo will do anything to keep her safe and help her heal... except tell her who he really is. And how he's the reason she was taken in the first place. My Dragon Bodyguard is a steamy dragon shifter romance that'll heat up the sheets with love and warm your heart with dragonfire.
