Summary of Tiffany Haddish's The Last Black Unicorn Everest Media, 2022-03-08T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had a lot of problems in school, because I was constantly being made fun of for my mom's looks. I would take scissors and cut off my horn, because that is what the kids would say about me. #2 My grandma was wrong about the wart being a mole. It was actually a wart, and she took me to the doctor to have it removed. She told me that warts are caused by nasty people who do nasty things, but in reality, they are caused by HPV. #3 I went to a school called El Camino Real, which was 3 percent black. It was mostly white and Hispanic and Asian, and they were all rich. I was bused from South Central LA. I would try to write Audie letters, but I was illiterate. #4 I was told I was stupid every day growing up. I believed I was stupid, so I didn't think I could do it. I never tried. As an adult, I worked at the airline and one of my coworkers called me stupid.
