**The Code of Criminal Procedure and Penal Code of the State of New York, as in Force in the Year 1889** New York (State), 1889

**The Pottery Cottage Murders** Carol Ann Lee, Peter Howse, 2020-03-05 A psychopathic criminal on the run from prison. A family of five held hostage in their home. A frantic police manhunt across the snowbound Derbyshire moors. Just one survivor. The definitive account of the terrifying 1977 Pottery Cottage murders that shocked Britain. For three days, escaped prisoner Billy Hughes played macabre psychological games with Gill Moran and her family, keeping them in separate rooms of their home while secretly murdering them one by one. On several occasions Hughes ordered Gill and her husband Richard to leave the house for provisions, confident that they would return without betraying him in order to protect their loved ones. Blizzards hampered the desperate police search, but they learned where the dangerous convict was hiding and closed in on the cottage. A high-speed car chase on icy roads ended with a crash and the killer being shot as he swung a newly sharpened axe at his final victim. This was Britain's first instance of police officers committing 'justifiable homicide' against an escapee. The story of these terrible events is told here by Carol Ann Lee and Peter Howse, the former chief inspector who saved Gill Moran's life over forty years ago. Peter's professional role has permitted access to witness statements, crime scene photographs and police reports. Peter Howse and Carol Ann Lee have made use of these, along with

fresh interviews with many of those directly involved, to tell a fast-paced and truly shocking story with great insight and empathy.

Criminal Cases, 1851-62 East India Company.

**Imperial Underworld** Kirsten McKenzie,2016-01-14  
During a major overhaul of British imperial policy following the Napoleonic Wars, an escaped convict reinvented himself as an improbable activist, renowned for his exposés of government misconduct and corruption in the Cape Colony and New South Wales. Charting scandals unleashed by the man known variously as Alexander Loe Kaye and William

Edwards, *Imperial Underworld* offers a radical new account of the legal, constitutional and administrative transformations that unfolded during the British colonial order of the 1820s. In a narrative rife with daring jail breaks, infamous agents provocateurs, and allegations of sexual deviance, Professor Kirsten McKenzie argues that such colourful and salacious aspects of colonial administrations cannot be separated from the real business of political and social change. The book instead highlights the importance of taking gossip, paranoia, factional infighting and political spin seriously to show the extent to which ostensibly marginal figures and events influenced the transformation of the nineteenth-century British Empire.
