I Love You to God and Back Amanda Lamb,2013-02-04 Show your precious little ones how much you love them . . . with every bedtime prayer. Everyone loves a sweet bedtime story—and this one has the added bonus of teaching children a lifestyle of healthy prayer. Starting with sweet and silly text about bedtime routines—teeth brushing, story time, and one more glass of water—this delightful book will then teach children how to pray: love God, ask Him for forgiveness, thank Him for many blessings, and offer requests. Throughout the bedtime rituals, Mommy and Baby giggle as they play a game to describe how much they love each other. This unique story will make bedtime prayers a real learning and bonding experience for parents and children. This complement to Amanda's beautiful book for grown-ups is a perfect bedtime book for parents and children.

Legendary Locals of Raleigh, North Carolina Stormi Souter,Elizabeth Weichel,2013 *Legendary Locals of Raleigh* seeks to capture the essence of the city by highlighting many of the individuals who have contributed to its development: people like the first resident, Joel Lane, who sold North Carolina the land to establish Raleigh in 1792; James H. Young, a courageous African American politician during Reconstruction; Scottie Stephenson, a broadcasting legend and matriarch of Capitol Broadcasting Company; John Chavis, a free black reverend and prominent schoolteacher of Raleigh's black and white students in the early 1800s; Katharine Stinson, the Federal Aviation Administration's first female employee, whose career choice was inspired by a conversation with Amelia Earhart at Raleigh Municipal Airport; and Ella Baker, a local Shaw University graduate, Dr. Martin Luther King Jr. confidant, and founder of the Student Nonviolent Coordinating Committee, an influential civil rights organization. This book is only an overview of the many who have shaped Raleigh while calling it home.

Conservative Bias Bryan H. Thrift,2016-09-27 *Conservative Bias* examines one of the most notorious figures of modern American politics: Jesse Helms. Thrift shows that Helms was not merely a right-wing demagogue but rather a brilliant media mastermind who built a national movement from a little television soundstage in Raleigh.--Neil J. Young, Princeton University In this careful, thoughtful, and thoroughly researched study, Bryan Hardin Thrift provides the first comprehensive study of Jesse Helms's long career as a conservative journalist and television ideologue prior to his long tenure as a U.S. senator from North Carolina.--William A. Link, author of *Righteous Warrior: Jesse Helms and the Rise of Modern Conservatism* Traces a little-known, but pivotal, phase of Helms's pre-senatorial career and explains how the future New Right leader used the power of local television broadcasts in the 1960s to forge a new ideology that moved the nation to the right.--Daniel K. Williams, author of *God's Own Party Before Bill O'Reilly and Glenn Beck*, there was Jesse Helms. From in front of a camera at WRAL-TV, Helms forged a new brand of southern conservatism long before he was a senator from North Carolina. As executive vice president of the station, Helms delivered commentaries on the evening news and directed the news and entertainment programming. He pioneered the attack on the liberal media, and his editorials were some of the first shots fired in the culture wars, criticizing the influence of immoral entertainment. Through the emerging power of the household television Helms established a blueprint and laid the foundation for the modern conservative movement. Bryan Thrift mines over 2,700 WRAL-TV Viewpoint editorials broadcast between 1960 and 1972 to offer not only a portrait of a skilled rhetorician and wordsmith but also a lens on the way the various, and at times competing, elements of modern American conservatism cohered into an ideology couched in the language of anti-elitism and traditional values. Decades prior to the invention of the blog, Helms corresponded with his viewers to select, refine, and sharpen his political message until he had reworked southern traditionalism into a national conservative movement. The realignment of southern Democrats into the Republican Party was not easy or inevitable, and by examining Helms's oft-forgotten journalism career, Thrift shows how delicately and deliberately this transition had to be cultivated. Bryan Hardin Thrift teaches history at Johnston Community College.
