**Gaming in Online Casinos Nicolae Sfetcu,2014-05-10** Internet casino guide - best gambling on net and casino bonus. Online casinos, also known as virtual casinos, are the online version of land-based (brick and mortar) casinos. They allow you to play casino games through the Internet. Some online casinos provide various games, while others only provide only one type of game. Online poker is also very popular and there are many dedicated companies that provide this activity.

**The Mammoth Book of Casino Games Paul Mendelson,2010-05-27** Paul Mendelson offers an indispensable guide to beating the odds in just about every gambling game, both in casinos and online. He reveals how to shift the odds in your favour as he clearly explains every game and analyses optimum strategies in detail with the aim of helping you to win. Other chapters show you how to: get the best out of your casino - pick up free drinks, meals, hotel accommodation, thousand-dollar shopping trips, room upgrades, flights, bonus money etc.; make the most of your trip to Las Vegas or anywhere else - casino information, the best places to gamble (for each game), recommended hotels and attractions; win online - which sites to avoid and which can be trusted, a discussion of every game from poker through to online bingo, including bonuses, incentives, play-through data and the best strategies to use. The Mammoth Book of Casino Games covers every major casino game in detail, as well as many less well known games, including: blackjack, roulette, punto banco (baccarat, chemin de fer, chemmy), poker (including three-card, Caribbean stud and video poker), Chinese dice and domino games (including sic bo, gwat pai and kap tai shap), slots (three-wheel, multi-line, bonus), other casino games (including Keno, Wheel of Fortune, Red Dog and Spanish 21) and tournaments (slots, roulette etc.). Praise for The Mammoth Book of Poker: 'I've won 20 times the price in the last three days!' Gareth Hughes

**Casino Gamble Talk: The Language Of Gambling And The New Casino Game Victor H Royer,2014-08-26** Discover The Gambling Secrets That Every Pro Knows The 21st-century casino is a high-tech, fast-paced world complete with its own peculiar language and rules. Do you know the difference between a boxman and boxcars? How about when to scratch and when to stand, and what a puck is? (Hint: it has nothing to do with hockey.) In this updated, indispensable guide, gambling columnist and consultant Victor H. Royer reveals everything you need to know about modern gambling—from the terminology and slang that's integral to casino play to profiles of the new table games, slots, progressives, multi-link, multi-game, and video poker machines. Casino Gamble Talk provides all the tools you need to maximize your gaming enjoyment—and increase the odds in your

favor. Discover: How to parlay like a pro New games and eTable games Valuable tips on novelty table games such as Let It Ride, Pai Gow Poker, and Caribbean Stud How to get comps (free rooms, food, and tickets to shows) Which games offer the best odds—and how to play them to your best advantage Insider secrets of classic casino games, such as Blackjack, Craps, Roulette, Mini-Baccarat, and Big Board Keno And much, much more Here is an essential gambling resource that shows you how to have the most fun for the least amount of risk, and walk out a winner every time. 95,000 Words

Casino Games John Gollehon, The classic, revised for the first time in almost a decade, provides quick, clear and concise winning information on eight important casino games blackjack, craps, slots, video poker, baccarat, roulette, keno and sports betting. Gamblers are impatient and like to learn quickly, so this is just what the doctor ordered. Casino Games talks to readers in language they understand—straight to the point and in the language of a fellow player, not a mathematician. Each chapter, in thirty minutes or less, gets readers armed and ready to play and win.

*Casino Security and Gaming Surveillance* Derk J. Boss, Alan W. Zajic, 2016-04-19 Almost all incidences of cheating, theft, fraud, or loss can be detected through the surveillance of critical transactions, audit observations, and reviews of key metrics. Providing proven-techniques for detecting and mitigating the ever-evolving threats to casino security, this book covers the core skills, knowledge, and techniques needed to protect casino assets, guests, and employees. Drawing on the authors' six decades of combined experience in the industry, *Casino Security and Gaming Surveillance* identifies

the most common threats to casino security and provides specific solutions for addressing these threats. From physical security and security management to table and gaming surveillance, it details numerous best practice techniques, strategies, and tactics, in addition to the metrics required to effectively monitor operations. The authors highlight valuable investigation tools, including interview techniques and evidence gathering. They also cover IOU patrol, tri-shot coverage, surveillance audits, threat analysis, card counting, game protection techniques, players' club theft and fraud, surveillance standard operating procedures, nightclub and bar security, as well as surveillance training. Complete with a glossary of gaming terms and a resource-rich appendix that includes helpful forms, this book covers everything surveillance and security professionals need to know to avoid high-profile incidents, costly compliance violations and damage to property and revenue. It's professionals like Al and Derk who personify the professionalism that is crucial when establishing and operating modern casino security and surveillance departments. This book will quickly become the Bible for any security and surveillance officer. —Roger Gros, Publisher, Global Gaming Business Magazine

*Casino Magazine's Play Smart and Win* Victor H. Royer, 1994 For the more than 50 million people who gamble each year in the U.S. but have no information about the games, an authority in recreational gambling provides this no-nonsense guide to the most popular casino games. Royer covers slot machines, blackjack, craps, baccarat, keno, and the newly popular video poker.

**The Experts' Guide to Casino Games** Walter Thomason, 1997 Walter Thomason has selected a top group of professional gamblers to explain their skills in particular games. His own contribution is a chapter on the advantages and disadvantages of long and short play periods. The Experts' Guide to Casino Games offers the best advice--and that extra edge--from the best players about all types of casino games.

**Macromedia Flash MX Game Design Demystified** Jobe Makar, 2003 So you wanna be a hotshot game designer? Well, if you have a basic grasp of Macromedia Flash MX, you can. Unafraid to tackle some of the more complicated aspects of game creation (including physics and trigonometry!), this comprehensive reference covers it all. Macromedia Flash Game Design Demystified starts out with the

basics: planning, adapting ActionScript techniques, using introductory Flash game techniques, and more. Then it gets down to the real business of building simple games. You'll tackle simple-logic and quiz games before moving on to multiplayer and complex-logic games (chess, for example)--learning about importing 3-D graphics, adding sound effects, and licensing your games in the process. The book's companion CD includes the source files for a number of games as well as the tutorials and lessons that go along with the book and XML server software to facilitate multiplayer games. If you're tired of the games that you have and want to make your own action, this book offers comprehensive coverage of sophisticated techniques--but put in easy-to-grasp, practical terms.
