This Is Ear Hustle Nigel Poor,Earlone Woods,2022-08-30 A “profound, sometimes hilarious, often heartbreaking” (The New York Times) view of prison life, as told by currently and formerly incarcerated people, from the co-creators and co-hosts of the Peabody- and Pulitzer-nominated podcast Ear Hustle “A must-read for fans of the legendary podcast and all those who seek to understand crime, punishment, and mass incarceration in America.”—Piper Kerman, author of Orange Is the New Black When Nigel Poor and Earlonne Woods met, Nigel was a photography professor volunteering with the Prison University Project and Earlonne was serving thirty-one years to life at California’s San Quentin State Prison. Initially drawn to each other by their shared interest in storytelling, neither had podcast production experience when they decided to enter Radiotopia’s contest for new shows . . . and won. Using the prize for seed money, Nigel and Earlonne launched Ear Hustle, named after the prison term for “eavesdropping.” It was the first podcast created and produced entirely within prison and would go on to be heard millions of times worldwide, garner Peabody and Pulitzer award nominations, and help earn Earlonne his freedom when his sentence was commuted in 2018. In This Is Ear Hustle, Nigel and Earlonne share their own stories of how they came to San Quentin, how they created their phenomenally popular podcast amid extreme limitations, and what has kept them collaborating season after season. They present new stories, all with the same insight, balance, and rapport that distinguish the podcast. In an era when more than two million people are incarcerated across the United States—a number that grows by 600,000 annually—Nigel and Earlonne explore the full and often surprising realities of prison life. With characteristic candor and humor, their moving portrayals include unexpected moments of self-discovery, unlikely alliances, inspirational resilience, and ingenious work-arounds. One personal narrative at a time, framed by Nigel’s and Earlonne’s distinct perspectives, This Is Ear Hustle reveals the complexity of life for incarcerated and formerly incarcerated people while illuminating the shared experiences of humanity that unite us all.

Soledad Brother George Jackson,1994-09-01 A collection of Jackson's letters from prison, Soledad Brother is an outspoken condemnation of the racism of white America and a powerful appraisal of the prison system that failed to break his spirit but eventually took his life. Jackson's letters make palpable the intense feelings of anger and rebellion that filled black men in America's prisons in the 1960s. But even removed from the social and political firestorms of the 1960s, Jackson's story still resonates for its portrait of a man taking a stand even while locked down.

A Virginia Girl in the Civil War, 1861-1865 Myrta Lockett Avery,1903 This work is a retelling of stories once shared over tea cups, including what life meant to a young American woman during a vital and formative period of American history. While a true Virginian, the lady also speaks well of her experiences with Union soldiers and officers. Real names of the subjects were changed in deference to the wishes of living persons at the time.
