Don Bosco a Sketch of His Life and Miracles Charles D'espiney,2011-09-14 The future welfare of both Church and state depends chiefly on the manner in which the rising generation is brought up, for if all parents were to give their children a good religious training, the future prosperity of both Church and state would be assured, because a good religious training will make children good Christians, and, as experience proves, good Christians are always good citizens. In our Popular Instructions on Marriage we have briefly outlined the duties of parents in the bringing up of their children. In this little work we enter more fully into details, and clearly point out, almost step by step, the manner in which Christian parents should bring up their children from birth to the time when they embrace that state of life for which God has destined them may this little book prove useful in directing and assisting parents in the proper performance of the noble but difficult task of making their children exemplary Christians and virtuous citizens!

**Native Peoples of the Olympic Peninsula** Jacilee Wray,2015-10-20 The nine Native tribes of Washington State's Olympic Peninsula—the Hoh, Skokomish, Squaxin Island, Lower Elwha Klallam, Jamestown S'Klallam, Port Gamble S'Klallam, Quinault, Quileute, and Makah—share complex histories of trade, religion, warfare, and kinship, as well as reverence for the teaching of elders. However, each indigenous nation's relationship to the Olympic Peninsula is unique. Native Peoples of the Olympic Peninsula: Who We Are traces the nine tribes' common history and each tribe's individual story. This second edition is updated to include new developments since the volume's initial publication—especially the removal of the Elwha River dams—thus reflecting the ever-changing environment for the

Native peoples of the Olympic Peninsula. Nine essays, researched and written by members of the subject tribes, cover cultural history, contemporary affairs, heritage programs, and tourism information. Edited by anthropologist Jacilee Wray, who also provides the book's introduction, this collection relates the Native peoples' history in their own words and addresses each tribe's current cultural and political issues, from the establishment of community centers to mass canoe journeys. The volume's updated content expands its findings to new audiences. More than 70 photographs and other illustrations, many of which are new to this edition, give further insight into the unique legacy of these groups, moving beyond popular romanticized views of American Indians to portray their lived experiences. Providing a foundation for outsiders to learn about the Olympic Peninsula tribes' unique history with one another and their land, this volume demonstrates a cross-tribal commitment to education, adaptation, and cultural preservation. Furthering these goals, this updated edition offers fresh understanding of Native peoples often seen from an outside perspective only.

*Don Bosco* Charles D'Espiney,2015-07-20 Excerpt from *Don Bosco: A Sketch of His Life and Miracles* A tender love for his neighbor is one of the greatest and most excellent gifts that Divine Providence can bestow upon man. The spirit of these charming words of St. Francis de Sales, inscribed at the head of the Salesian Bulletin, is truly characteristic of this work and the man of this work. No one can see Don Bosco without feeling attracted to him, or without loving him at once, for his heart is all love, and the divine light of a tender love beams in his countenance.
