Fighter Healer Shaman Dr. Darren R.J. LaLonde D.C.,2023-01-08 Struck by Lightning while playing alone in the backyard standing on the picnic table with his wooden sword in a rainstorm, a small boy everyone called Peanuts: he was so little lying in the mud looking up at the sky. While feeling an incredible connection with the universe yet not sure he was alive or dead? Abandoned by his parents and placed into foster care. DylN learns to play football and fight to survive his childhood. Turns out he may have what it takes to become one of the best fighters in the world. Tempted by sex, drugs and music through death and tragedy, Dylan fights for his life to stay on the love word path. Fighting in his daily life and in sports, Dylan was also discovering how to heal himself so he could become instrumental in healing others. He was learning that true Holistic Health meant finding the balance between his mind, body, and spirit, while dealing with the extreme behaviors and events in his life that challenge the universal laws affecting the pillars and balance of his health. Dylan was awakening to the realization that the transformation he was experiencing in his life was like that of caterpillar becoming a butterfly. And that, ultimately, he was put on earth as a fighter and a healer on an incredible journey to become a Shaman!

The Fairy Cottage of Ballydara Susan Colleen Browne,2022-09-20 An uplifting romantic tale, a nanny-boss love story, a ramshackle cottage in a quaint Irish village... With her career going down the tubes, Dublin girl Emma Carey vows to fulfill her one, simple New Year's resolution: make a quick journey to rural County Galway, to do a small favor for her former colleague, Declan O'Donoghue—who had almost been a friend. And who, for a lovely little while, had been more than a friend. And then suddenly...hadn't. Yet when a week-long nanny gig falls into her lap, Emma figures a friendly, picturesque little spot like Ballydara would be a great place to quickly lick her career wounds before she makes a fresh start. Problem: it's not just any nanny gig—it's working for Declan. In his house. Luckily, one of Declan's kids is absolutely darling. But the others are a real handful—and the narky cottage next door makes Emma's job even more complicated. She has to wonder, exactly what has she gotten herself into? Single dad Declan has been going it alone far too long...and he's completely gobsmacked to find Emma in Ballydara—the woman he's yearned for and never forgotten. When she accepts his very temporary offer to mind his daughters, his life, and Emma's, takes a new and completely unexpected turn... Caring for Declan's kids in a lovable, close-knit community, will Emma finally find the life and love she's dreamed of at the Fairy Cottage of Ballydara? Wise and warmhearted, The Fairy Cottage of Ballydara is the third novel of the Emma trilogy, and the sequel to Becoming Emma, part of Susan Colleen Browne's Irish Village of Ballydara series!

Now What? Charmaine Gordon,2010-07 It was 2:30 a.m. when the phone rang. I fumbled for it, my heart starting a race toward bad news. Our doctor's voice urged me to hurry. I crammed into clothes as if I expected this call. It is only a fever that won't go down, isn't it? Our doctor shook his head. ...We did everything possible to save him. I held him in my arms when he took his last breath. Carly, I'm so sorry. Settling in beside my Bob, I held his cooling hand and asked the two words spoken many times during our years together. Now what? This time there was no response. I was on my own for the first time. When my fingers touched his wedding ring, I slipped it off and held it in my fist. The gold band was warm. I clung to him. Come back to me, dearest. Sometimes what you wish for is more than you can live with.

Who Was Who on TV Norman Chance,2010-12-23 The information herein was accumulated of fifty some odd years. The collection process started when TV first came out and continued until today. The books are in alphabetical order and cover shows from the 1940s to 2010. The author has added a brief explanation of each show and then listed all the characters, who played the roles and for the most part, the year or years the actor or actress played that role. Also included are most of the people who created the shows, the producers, directors, and the writers of the shows. These books are a great source of trivia information and for most of the older folk will bring back some very fond memories. I know a lot of times we think back and say, Who was the guy that played such and such a role? Enjoy!

Good and Cheap Leanne Brown,2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master’s candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government’s Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.
