Severance Ling Ma, 2018-08-14 Maybe it's the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma's offbeat, wryly funny, apocalyptic satire, *Severance*. A stunning, audacious book with a fresh take on both office politics and what the apocalypse might bring. —Michael Schaub, NPR.org “A satirical spin on the end times-- kind of like *The Office* meets *The Leftovers*.” --Estelle Tang, Elle NAMED A BEST BOOK OF THE YEAR BY: NPR \* The New Yorker (Books We Loved) \* Elle \* Marie Claire \* Amazon Editors \* The Paris Review (Staff Favorites) \* Refinery29 \* Bustle \* BuzzFeed \* BookPage \* Bookish \* Mental Floss \* Chicago Review of Books \* HuffPost \* Electric Literature \* A.V. With the recent passing of her Chinese immigrant parents, she's had her fill of uncertainty. She's content just to carry on: She goes to work, troubleshoots the teen-targeted *Gemstone Bible*, watches movies in a Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then *Shen Fever* spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive.

Commander in Cheat Rick Reilly, 2019-04-02 NEW YORK TIMES BESTSELLER Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming.-- The New Yorker Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit. -- Chicago Sun-Times Every one of Trump's most disgusting qualities surfaces in golf. -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the Trump Bump), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, Golf is like bicycle shorts. It reveals a lot about a man. *Commander in Cheat* paints a side-splitting portrait of a congenital cheater (*Esquire*), revealing all kinds of unsightly truths Trump has been hiding.

Divorced Girl Smiling Jackie Pilossoph, 2013-11-23 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence,

she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as the divorced girl, Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

*Cheating in College* Donald L. McCabe, Kenneth D. Butterfield, Linda K. Treviño, 2012-09-11 Today's students are tomorrow's leaders, and the college years are a critical period for their development of ethical standards. *Cheating in College* explores how and why students cheat and what policies, practices, and participation may be useful in promoting academic integrity and reducing cheating. The authors investigate trends over time, including internet-based cheating. They consider personal and situational explanations, such as the culture of groups in which dishonesty is more common (such as business majors) and social settings that support cheating (such as fraternities and sororities). Faculty and administrators are increasing their efforts to promote academic honesty among students. Orientation and training sessions, information on college and university websites, student handbooks that describe codes of conduct, honor codes, and course syllabi all define cheating and establish the consequences. Based on the authors' multiyear, multisite surveys, *Cheating in College* quantifies and analyzes student cheating to demonstrate why academic integrity is important and to describe the cultural efforts that are effective in restoring it. -- Gary Pavela, Syracuse University

*After a Good Man Cheats*: Dr. Caroline Madden MFT, 2015-02-17 This book is a practical action plan that will walk you through the first stages after your wife has discovered your infidelity. You'll learn the things your wife is going to feel, say, and do, giving you the following: \* Insight into what she is thinking and why this is so hard for her to get over \* Practical advice so you know exactly what to do at this important stage \* Actual scripts so you know what to say in response to very specific situations \* Clear explanations as to why certain words and actions you think will be helpful might be making this worse \* Two self-administered quizzes to help you determine why you cheated so that you can get a better understanding of what triggered your affair. Included at the appropriate points are scripts of what to say and why you need to say those words at that time. Do not just memorize these words and parrot them back to your wife. You have already lost her trust; if you start using words you don't normally use, you'll sound like you're faking it. You will want to translate the scripts into your own natural wording, using the meaning of each script as a launching pad for productive, healing dialogue with your wife. Also, other these other questions are answered: \* She doesn't know. I feel guilty. Should I tell her the truth? \* We aren't married yet? How does that impact recovering from the affair? \* I didn't have a physical relationship with my Affair Partner, why is my wife so upset? \* What is an Emotional Affair?
