The Complete Stonewylde Kit Berry,2013-09-12 Here, together for the first time, are all five STONEWYLDE novels. This cult series is a magical tale of love, anger and loss - but also, finally, of triumph against all adversity. Stonewylde is an alternative community, hidden away in the heart of Dorset and ruled by the charismatic Magus. It's a place of standing stones and earth energy - a place where the old ways are remembered. Within a great stone circle the eight pagan festivals are celebrated and ancient rites performed. The thirteen full moons are honoured and the people live natural and uncomplicated lives, as their ancestors have done for hundreds of years. But all is not quite as it seems. There's another side to Stonewylde; a darker side where cruelty is rife. Sylvie and her mother are invited into the community, victims of modern life. Suffering from the stresses of inner city life, they believe that by entering the enclosed world of Stonewylde, their troubles will be over. Magus promises them fulfilment; that they will lack for nothing. He promises to heal them and care for them, calling on the green magic that pervades everything at Stonewylde. But one boy alone - Yul - understands the true reason for their invitation, and what malevolence their arrival has triggered. As the series unfolds, the struggle between Yul and his master becomes more brutal and the stakes are raised. Sylvie is in terrible danger as an old prophecy is revealed and the pieces of the puzzle start to slide into place. Sylvie and Yul must battle not only to save themselves, but the very heart of Stonewylde.

Hens, Hooves, Woollies and Wellies: The Diary of a Farmer's Wife Bobbi Mothersdale,2019-08-01 Behind every good farmer is a great farmer's wife though the farmer in question may not always appreciate this! Having been married to John for over 30 years, Bobbi Mothersdale knows this more than anyone. Through her diary, Bobbi gives a wry, comical and yet realistic account of life on their East Yorkshire farm. Over the course of the year, we meet her friends and family as well as the three dogs, numerous hens and crafty guinea fowl that play such a big part in their daily routine. Like any farming family they have good days mixed with bad and have to deal with adverse weather, bureaucratic challenges and uncooperative livestock. Bobbi's accounts of her irate farming husband thwarted once again by the gods of rain or a petulant sheep will be instantly recognisable to anyone who has ever worked on a farm and on many an occasion you will find yourself laughing out loud at her description of the situations she finds herself in. Illustrated with 24 beautiful sketches by Jacquie Sinclair, Bobbi's dry and witty way with words can not fail to amuse and endear you. If you are a farmer's wife, you will find this an unputdownable must-read that you will want to share with all your friends. Though be warned - you might need to prise it away from your husband and his friends first. ..

Advanced Wireless Networks Savo G. Glisic,2016-07-22 The third edition of this popular reference covers enabling technologies for building up 5G wireless networks. Due to extensive research and complexity of the incoming solutions for the next generation of wireless networks it is anticipated that the industry will select a subset of these results and leave some advanced technologies to be implemented later,. This new edition presents a carefully chosen combination of the candidate network architectures and the required tools for their analysis. Due to the complexity of the technology, the discussion on 5G will be extensive and it will be difficult to reach consensus on the new global standard. The discussion will have to include the vendors, operators, regulators as well as the research and academic community in the field. Having a comprehensive book will help many participants to join actively the discussion and make meaningful contribution to shaping the new standard.

The Adventures of Mrs. Smith Leif Mills,2011-03-03 In The redoubtable Mrs. Smith Leif Mills introduced Mrs. Leila Smith, the deputy general secretary of a major British white collar trade union. In this book we read of four further adventures of Mrs. Smith in the increasingly harsh and competitive world of trade unions and the environment in which they operate. Errol Flynn David Bret,2014-02-06 With his stunning looks and swashbuckling onscreen panache Errol Flynn was by all appearances the quintessential movie star who had it all. But Flynn's manicured Hollywood persona did little to hide his insatiable appetites off-screen - the binge drinking, brawling and womanising that would forever cement his place as a film legend. In this hard-hitting study, bestselling show business biographer David Bret traces the life and loves of the actor and man. It was Flynn's natural charisma and athletic prowess that made him as the heartthrob star of Captain Blood and The Adventures Of Robin Hood. But Hollywood's prodigal son was never far from controversy and scandal. In a series of extraordinary revelations Bret explores the star's love of underage girls, young men, binge drinking and drug experimentation, as well as his controversial background as a slave-trader in New Guinea, involvement with the Spanish civil war and his support for Castro. This is compelling and engrossing portrait of the original action-adventure star, who packed more into his fifty years than his high-living contemporaries ever could. The gifted, complex and rakish rebel remains without equal as the film icon of the 20th century. 2009 marks the tragic death of Flynn and this book is an excellent tribute to an extraordinary actor. David Bret was born in Paris and is a leading celebrity biographer. His many acclaimed books include biographies of Marlene Dietrich, Gracie Fields, Freddie Mercury, Tallulah Bankhead, Maria Callas, Rudolph Valentino, Edith Piaf and Joan Crawford. He lives in Yorkshire.
