Trapped in a Dream Victoria Caro,2022-02-05 Faith Fernandez-Flores is a young teacher with a secret: All her life she has been meeting with a stranger in her dreams. During her childhood, he was a harmless imaginary friend; in her teens, a guilty fantasy; now, he avoids her.Christian Luxford is a neurologist with a secret: All his life he has sensed the mysterious presence of a stranger. While enjoying their encounters in dreams growing up, the odd experience has come to unsettle him and he is now devoted to understanding its roots.When Faith suffers a brutal attack that leaves her trapped in an unusual state of lucid dreaming, Chris, renowned for his expertise in the field, is called in to examine her. The shock of discovering who she is barely has time to settle when he is swept into a race to save her life from the obscure attacker still lurking to finish the job. In the process, disturbing truths about their pasts will surface.

La justicia de los inocentes Elizabeth George,2022-11-18 La hija ilegítima de Dennis Luxford, director de un importante periódico londinense de la oposición, es secuestrada. La madre de la niña es Eve Bowen, miembro del gobierno conservador. Dennis y Eve mantuvieron una fugaz y pasional relación años atrás, cuando ninguno de los dos imaginaba el rumbo que tomarían sus vidas. Ahora, cuando ambos han guardado en estricto secreto la existencia de la niña y se enfrentan despiadadamente en la arena política, el secuestrador exige algo de consecuencias desastrosas: si quiere recuperar a su hija, Dennis deberá admitir públicamente, en la primera plana del periódico, su paternidad...

Without Saints Christopher Locke,2022 WITHOUT SAINTS is a breathtaking journey to rediscover hope between the ruins: Poet Christopher Locke was baptized by Pentecostals, absolved by punk rock, and nearly consumed by narcotics. Like Denis Johnson's propulsive Jesus' Son, Without Saints is a brief, muscular ride into the heart of American desolation, and the love one finds waiting for them instead.

The unwritten book, colloquies [&c.] by C.L. Lordan Christopher Legge Lordan,1871

The Soldier's Oath Christopher Lewis,2012-04 It is 1530, and life can be as dangerous as it is short, especially for a soldier. In the majestic capital city of Casile, Captain Arathin Briar is content with his life. After taking a beautiful bride six months earlier, he has just completed his training as a soldier when his peaceful existence is abruptly uprooted. Captain Briar has been called to war. In this age of kings, tyranny and injustice run rampant across the world. After a village is attacked just outside Casile, the country's foundation is shaken to the core. With little time to assemble a

sizable force, Captain Briar and two other captains set out with a small army to gain entry to the village. But little do the soldiers know that they are about to uncover an earth-shattering conspiracy from an unknown adversary that leaves Arathin torn between his vastly different loves his beloved king and the country he has vowed to serve and his loving wife and the unborn child she now carries. The Soldier's Oath is an action packed tale of warfare, conspiracy, and honor as a general and his brave soldiers fight their way out of a vast conspiracy that shakes their nation's moral foundation.

The Breaking Storm Conspiracy Christopher Fox,2021-05-31 A disillusioned young woman in a religious cult, a deadly conspiracy, a divided America on the verge of civil war. In a politically divided America, insurgents plan to overthrow the government. While helping to rescue a friend's daughter from a religious cult, Maria Delgado is inadvertently drawn into a sinister plot that threatens to destabilize the elected U.S. administration. Maria must intervene to stop hell from breaking loose where thousands could die in a potential civil war.

Gunfight at Nameless Village Chris Adam Smith,2018-05-01 Harry James Luck, Civil War veteran, US Cavalry captain, sometime lawman, gambler and part-time town drunk, resigns his army commission and heads south to the High Plains country of Texas in the hope of settling down to a trouble and conflict free life. He meets the lovely Bonnie Luxford, buys a small but attractive ranch and sees his trail clear ahead and going on forever. Texas trails never run straight, though, and a wandering band of Comancheros bring the dream to a fire-ravaged close. Harry knows he cannot forever hide in a bottle and with an elderly Comanche as his only companion, he sets his sights on a new road, a trail of revenge. The two men, together with a small company of adventurous young Texas Rangers and an over-the-hill lawman, seek out the infamous Comanchero Miguel Sanchez and beard him in his own den, a little Mexican hamlet without a name. What followed went down in Western folklore as the Gunfight at the Nameless Village.

Tropic of Deceit Christopher Larson,1993 Giving the suspense thriller genre a fresh new jolt, Tropic of Deceit is a debut remarkable for its wit, its irresistible pace, and its uproarious portrait of the post-Cold War antics undertaken by intelligence agents on a sleepy island outpost. Jim Biggins is a well-intentioned but bumbling young U.S. consul on the island of Navidad - not a job that promises to reduce his prematurely acquired paunch. Although the unexplained death of another American on the island offers Biggins a break from the routine of issuing visas, Navidad would nevertheless seem to be the last place for a new diplomat to get into trouble....But then twenty-six-year-old Bobbi Lyons shows up. Bobbi is beautiful, unpredictable, and all too sure of herself. Jim has harbored a passion for her ever since they both worked at a small publishing house years before. Soon after her arrival, Bobbi gets a job for the CIA spying on a local kingpin suspected of smuggling drugs. Bobbi can't stand the island's lone CIA man, so she maneuvers Jim into serving as her case officer (despite his worries that this may put a crimp in his diplomatic career). Jim, meanwhile, has received a death threat and finds himself on the business end of a knife and a bomb blast. His early fears of boredom appear unwarranted. And his doubts about where Bobbi's allegiances lie are increasing to the point of alarm. Tropic of Deceit marks the entrance of a wonderfully funny and accomplished new voice in suspense fiction.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All He Left Behind E. Christopher Clark,2014-07-25 First released in 2010, ALL HE LEFT BEHIND is a collection of eleven short stories by E. Christopher Clark, an expansion of the shared universe first uncovered in THOSE LITTLE BASTARDS. Ian tells the story of the fat best friend, and the father who made him that way. The Silver Family Singers offers a glimpse behind the music

that was the soundtrack for a young girl's childhood. After the Prom and One Last Time tell the tale of tragic would-be writer Matthew Silver. And, in The Tale of Old Silas, you'll find the story of the crotchety old man whose seeming disdain for his children set the stage for every heartache that followed.
