The Complete Guide to Church Management M. L. Donnellan, M. Div Rev Alan P. Naumann, 2011-07-01 Proponents of the we've-always-done-it-this-way theory of church management will not need this book. But, pastors and lay leaders open to changes in the management of their churches will find in this handbook proven strategies to help them achieve their missions. When I graduated from seminary, I had a pretty good handle on how to speak and lead, but not a clue as to how to manage our church. This book should fill that need quite well. I recommend it. Dr. Ben Bond, First Baptist Church, Clermont, FL This is a complete and helpful guide for church administration for pastors and lay persons. I wish it were available when I began my ministry in 1964. Pastor J. Kenneth Laber, International Interim Pastor, Evangelical Lutheran Church in America Marilyn L. Donnellan -- Spiritual gifts of administration and exhortation; president of Nonprofit Management Services, LLC (NMS); graduate of Multnomah School of the Bible, and George Fox University (B.A. in Human Resources Management); served as the CEO of progressively larger nonprofits in Oregon, Washington, California, Texas and West Virginia; nationally known speaker, consultant and trainer; freelance writer and author of numerous newspaper, magazine articles, and books, including Core Elements of a Successful Nonprofit, 2000; marilyn157@aol.com; www.nonprofitmanagementservices.com; Rev. Witman, 2023 A field-tested guide to the management and finance of church congregations, revised for a new generation. Clergy are generally equipped to preach and provide spiritual care. But when it comes to budgets, insurance, fire safety, and church management many find themselves at a loss. The Church Administration and Finance Manual is the classic guide to running a church, written to answer key questions for clergy and lay leaders. Not simply a theoretical resource, the Manual provides suggestions for almost every aspect of parish administration: position descriptions, financial forms, materials for stewardship and Christian education, building use and safety issues, employee record keeping, and much more. This revised edition offers guidance on many new topics that are of vital importance to churches, including protecting children, information security, approaches to preventing and responding to violence, planned giving, social media, and hybrid work and worship. Whether clergy are just out of seminary or well-seasoned in parish life, the Manual is full of excellent guidelines, tools, and forms for improving the management of the parish.
