After the Fire Becky Citra,2010-04-01 Melissa is waiting for the new life that her mother Sharlene has promised her since a fire devastated their family. But nothing ever seems to change. Melissa has difficulty making friends at school, they never have enough money and her little brother Cody is a brat. When Sharlene announces that they will be spending the month of August at a remote cabin on a wilderness lake, Melissa is less than thrilled. But there is more to do at the lake than she expected, and she is surprised to learn that her mother knows how to paddle a canoe, fish and make bannock and s'mores. On an island in the middle of the lake, Melissa meets Alice, a strange girl who is writing a fantasy novel. Alice shares her tree fort on the island with Melissa, and while at first Melissa is attracted to Alice's strong personality and her stories of her perfect family, she becomes increasingly uneasy around Alice. As Melissa's relationship with her mother improves and her confidence increases, she is able to hold her own with Alice and start to appreciate her own imperfect family.
