*Climax* Lauren Smith, 2018-12-16 One kiss with a stranger on a snowy night sent her life spinning out of control... Kat Roberts' logical plan of college then career has hit a brick wall... a tall, dark, and gorgeous, Union Jack of a brick wall. What happened? The future Earl of Pembroke, Tristan Kingsley, is what happened. Kat stupidly let herself fall for him despite knowing his father would rather dance naked around Big Ben than accept Kat as his son's girlfriend. Not to mention Tristan's womanizing past has her own father voting a big fat no way on their relationship too and leaves Kat reeling in the consequences of loving her handsome-as-sin Brit. Tristan Kingsley isn't going to let Kat go without a fight. It doesn't matter that his father wants him to marry an English aristocrat to provide a political and social opportunity. But Tristan won't be blackmailed by his father. He wants Kat in his life, in his bed, in his heart, so he's going to fight for the love of his life using the very tabloids that once marked him as a womanizer. Except his brilliant plan has a dangerous back-lash, one nobody saw coming... One that could steal their happy ever after away...

**Climax #2** Kari Therrian, Gillmore Magazines, 2015-01-11 *Climax #2* It was the 1950's - the Atomic Age, the Cold War, and just before the Space Race. Comics books were the education, the entertainment, and -- according to some -- the downfall of America. What a great time! We loved to be scared - still do, it seems - from the comfort of our own home, secure in the knowledge that there's no real danger (or so we think). Nothing could match the imagination, the surprise, and the chilling-of-your-spine like the great horror comics of yesteryear. Now you can enjoy again (or - for the first time) the colorful and scary stories that haven't seen print in many decades! The comic reprints from Golden Age Reprints and UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available. Ultimate Climax James A. Perkovic, 2010-05 There is hardly one of us who doesn't harbor a deep inner turn-on—a secret desire that, if catered to, can lead to the most intense erotic experience one could ever hope to imagine. It's simply part of the human condition. What's interesting is we're living in the day and age where achieving the ultimate is becoming a constant preoccupation, and we're being continually bombarded with sounds and images that are very carefully and deliberately designed to feed into this obsession and influence our behavior. For some, this might be disconcerting. For others, totally hilarious. *Ultimate Climax* was written in response to this phenomenon, and perhaps even serves as a rebellion against it. What is the ultimate climax you ask? Simply put—take one guy with a peculiar proclivity, and one gal who shares his turn-on, and wa la. What do you get? You guessed it. This is a story of youth—of boys and girls coming of age, exploring their sexuality—and coming to terms with life's many challenges. Jim Pendergast is a recent college graduate who, while waiting to find work in his chosen field of endeavor, has now chosen to spend his summer working at one of the Midwest's finest resorts. While there, he may have been hoping to fulfill some of his long lost fantasies. But the fantasy he encounters comes in the form of sexy siren Rhonda Pennington, who immediately shows herself to be more than he would ever have bargained for and quickly throws him for the loop of his life. As this cute little coquette plays him again, and again, the crazy escapades that follow force him to reevaluate everything he's become and lead him to come to terms with what it is that can truly make life meaningful. In the process, he may actually discover who he really is and what it is that composes the true ultimate climax—and just maybe, find real love. Enjoy the ride!

*The Altruists* Andrew Ridker, 2020-03-03 A New York Times Editors' Choice [An] intelligent, funny, and remarkably assured first novel. . . . [Andrew Ridker establishes] himself as a big, promising talent. . . . Hilarious. . . . Astute and highly entertaining. . . . Outstanding. --The New York Times Book Review With humor and warmth, Ridker explores the meaning of family and its inevitable baggage. . . . A relatable, unforgettable view of regular people making mistakes and somehow finding their way back to each other. --People (Book of the Week) [A] strikingly assured debut. . . . A novel that grows more complex and more uproarious by the page, culminating in an unforgettable climax. --Entertainment Weekly (The Must List) A Real Simple Best Book of the Year (So Far) A vibrant and perceptive novel about a father's plot to win back his children's inheritance Arthur Alter is in trouble. A middling professor at a Midwestern college, he can't afford his mortgage, he's exasperated his much-younger girlfriend, and his kids won't speak to him. And then there's the money--the small fortune his late wife, Francine, kept secret, which she bequeathed directly to his children. Those children are Ethan, an anxious recluse living off his mother's money on a choice plot of Brooklyn real estate, and Maggie, a would-be do-gooder trying to fashion herself a noble life of self-imposed poverty. On the verge of losing the family home, Arthur invites his children back to St. Louis under the guise of a reconciliation. But in doing so, he unwittingly unleashes a Pandora's box of age-old resentments and long-buried memories--memories that orbit Francine, the matriarch whose life may hold the key to keeping them together. Spanning New York, Paris, Boston, St. Louis, and a small desert outpost in Zimbabwe, *The Altruists* is a darkly funny (and ultimately tender) family saga that confronts the divide between baby boomers and their millennial offspring. It's a novel about money, privilege, politics, campus culture, dating, talk therapy, rural sanitation, infidelity, kink, the American beer industry, and what it means to be a good person.

**The Composition of Video Games** Johansen Quijano, 2019-10-11 Video games are a complex, compelling medium in which established art forms intersect with technology to create an interactive text. Visual arts, architectural design, music, narrative and rules of play all find a place within, and are constrained by, computer systems whose purpose is to

create an immersive player experience. In the relatively short life of video game studies, many authors have approached the question of how games function, some focusing on technical aspects of game design, others on rules of play. Taking a holistic view, this study explores how ludology, narratology, visual rhetoric, musical theory and player psychology work (or don't work) together to create a cohesive experience and to provide a unified framework for understanding video games.

At the same time, Kai is jailed for a murder she didn't commit, but that doesn't stop her wanton behavior. Not a day goes by that Kai doesn't plot a wicked revenge on Terelle.
