Brian Williams

The Closer Shaz Kahng, 2017-03-31 A fresh, riveting tale about a strong woman endeavoring to succeed in the male-dominated sports industry with smarts, scruples, and style.

Come Closer Sara Gran, 2003 Instead of a book she had ordered by mail, Amanda receives *Demon Possession, Past and Present*. Soon after, something seems to take her over, and she wonders if she has been possessed by a female demon known to students of the Kabbalah as Naamah.

Closer Adrian Reynolds, Celia Reynolds, 2021-01-01 Sexual intimacy in marriage is a great gift from a good God that cements couples together and brings unity and happiness. Nevertheless, in our broken and messed-up world we often need help and direction to understand and enjoy what it means to give ourselves to one another, and to overcome some of the difficulties and questions that every Christian husband and wife faces. Adrian and Celia Reynolds are straightforward and compassionate as they look at Scripture to guide couples in this area. They give five clear biblical principles relating to sex and apply them to the common questions Christian couples ask about intimacy.

Closer Brian Williams, 2012-08-02 At the centre of the Earth, in a world that no-one knows exists, Will is in trouble. His enemy, the Styx, are on his tail, ready to pursue him to the ends of the world - any world. Death has never been closer... Meanwhile Drake - with help from the unlikeliest of

allies - is preparing to fight the Styx from above. But will his daring plan lead him closer to victory - or into certain disaster? Praise for Tunnels: It's well paced, exciting and - in places - frightening and bloody. Philip Ardagh, Guardian Does it live up to the hype? Yes. Daily Express

But now Shaun has moved in with Joanne and suddenly, Maisie has a brand new family. And there's something not quite right about it... I know Joanne isn't everything she says she is. Close, Closer, Closest Shelley Rotner, Richard Olivo, 1997 Introduces perspective and scale through pictures of objects taken from three different distances.

The Closers Jim Pickens, 1989-03 The keystone of Gay's world-famous series of books, first published in 1980, is a complete reference on closing sales and a guide to new sales presentations in today's marketplace. Not a beginner's manual or self-help book, this classic is designed to help master closers brush up and study total closing procedures.

The Closer Mariano Rivera, 2014-05-06 The greatest relief pitcher of all time shares his extraordinary story of survival, love, and baseball. Mariano

Rivera, the man who intimidated thousands of batters merely by opening a bullpen door, began his incredible journey as the son of a poor Panamanian fisherman. When first scouted by the Yankees, he didn't even own his own glove. He thought he might make a good mechanic. When discovered, he had never flown in an airplane, had never heard of Babe Ruth, spoke no English, and couldn't imagine Tampa, the city where he was headed to begin a career that would become one of baseball's most iconic. What he did know: that he loved his family and his then girlfriend, Clara, that he could trust in the Lord to guide him, and that he could throw a baseball exactly where he wanted to, every time. With astonishing candor, Rivera tells the story of the championships, the bosses (including The Boss), the rivalries, and the struggles of being a Latino baseball player in the United States and of maintaining Christian values in professional athletics. The thirteen-time All-Star discusses his drive to win; the secrets behind his legendary composure; the story of how he discovered his cut fastball; the untold, pitch-by-pitch account of the ninth inning of Game 7 in the 2001 World Series; and why the lowest moment of his career became one of his greatest blessings. In *The Closer*, Rivera takes readers into the Yankee clubhouse, where his teammates are his brothers. But he also takes us on that jog from the bullpen to the mound, where the game -- or the season -- rests squarely on his shoulders. We come to understand the laserlike focus that is his hallmark, and how his faith and his family kept his feet firmly on the

pitching rubber. Many of the tools he used so consistently and gracefully came from what was inside him for a very long time -- his deep passion for life; his enduring commitment to Clara, whom he met in kindergarten; and his innate sense for getting out of a jam. When Rivera retired, the whole world watched -- and cheered. In *The Closer*, we come to an even greater appreciation of a legend built from the ground up.

Closer to Nowhere Ellen Hopkins, 2021-08-10 #1 New York Times bestselling author Ellen Hopkins's poignant middle grade novel in verse about coming to terms with indelible truths of family and belonging--now in paperback! For the most part, Hannah's life is just how she wants it. She has two supportive parents, she's popular at school, and she's been killing it at gymnastics. But when her cousin Cal moves in with her family, everything changes. Cal tells half-truths and tall tales, pranks Hannah constantly, and seems to be the reason her parents are fighting more and more. Nothing is how it used to be. She knows that Cal went through a lot after his mom died and she is trying to be patient, but most days Hannah just wishes Cal never moved in. For his part, Cal is trying his hardest to fit in, but not everyone is as appreciative of his unique sense of humor and storytelling gifts as he is. Humor and stories might be his defense mechanism, but if Cal doesn't let his walls down soon, he might push away the very people who are trying their best to love him. Told in verse from the alternating perspectives of Hannah and Cal, this is a story of two cousins who are more alike than they realize and

the family they both want to save.

Closer Kevin Neary,Leigh A. Tobin,2013-03-05 Collects interviews from sixty major league relief pitchers, discussing the meaning, difficulty, and fun of being the last man out of the bullpen.

Closer Emerald O'brien,2016-07-11 Chloe Forrester has planned her life out perfectly. Newly engaged to her adoring boyfriend, Harrison Scott, she finally feels as if the pieces of her life are coming together. But when

Paxton Potter, a man with a grudge against her fiancé, accuses him of betrayal, Chole's trust in Harrison starts to waver. After a young woman's body is found, a dangerous and unlikely connection is formed between Chloe and Paxton. With each dark secret uncovered, Chole has a choice- turn a blind eye or dig deeper. But in order to understand something or someone, you have to look closer. Each decision she makes has a consequence, as new truths are revealed about her enemies and the people she loves. With Chole's future dangling by a thread, she must be ready to sever ties to the life she thought she knew in order to survive.

Tunnels (Tunnels #1) Roderick Gordon, Brian Williams, 2011-05-01 The New York Times Bestseller! The story of an outcast boy, his eccentric dad, and the scary underground world they discover through secret TUNNELS. 14-year-old Will Burrows has little in common with his strange, dysfunctional family. In fact, the only bond he shares with his eccentric father is a passion for archaeological excavation. So when Dad mysteriously vanishes, Will is compelled to dig up the truth behind his disappearance. He unearths the unbelievable: a secret subterranean society. The Colony has existed unchanged for a century, but it's no benign time capsule of a bygone era--because the Colony is ruled by a cultlike overclass, the Styx. Before long--before he can find his father--Will is their prisoner....
