Colm Keena

*Bertie Ahern: The Man Who Blew the Boom* Colm Keena,2011-10-21 The fascinating story of the man who blew the boom. Colm Keena, the journalist who first broke the story of Bertie Ahern's finances, gives us an in-depth examination of the former Taoiseach's character, his lust for power and his obsession with money. Keena scrutinises the evidence produced by the Mahon Tribunal about Ahern's personal finances and his personal political machine, and illustrates the lengths to which Ahern went in his effort to hide the truth about what he was up to. Ahern's political career is re-charted in the light of what we now know about his character. Keena looks at how his desire for power existed alongside an almost complete absence of political conviction, this lack of which left him open to the influence of those with strong opinions, and did nothing to arrest his mismanagement of the Irish economy. His lust for popularity brought Ireland from rude good health to economic disaster. An historic opportunity was squandered, but Bertie walked away from the wreckage with his wallet bulging. His legacy: the near-destruction of a European economy and the collapse of one of the most successful political parties of the past hundred years.

**Grave Expectations** Alice Bell,2023-09-05 A fast-paced and hilarious debut crime novel, in which a burnt-out Millennial medium must utilize her ability to see ghosts and team-up with a band of oddball investigators to figure out which member(s) of a posh English family are guilty of murder. "This book has bags of humor, bags of heart, and a proper murder mystery at its core." —Janice Hallett, author of *The Appeal* Almost-authentic medium Claire and her best friend, Sophie, agree to take on a seemingly simple job at a crumbling old manor in the English countryside: performing a seance for the family matriarch's 80th birthday. The pair have been friends since before Sophie went missing when they were seventeen. Everyone else is convinced Sophie simply ran away, but Claire knows the truth. Claire knows Sophie was murdered because Sophie has been haunting her ever since. Despite this traumatic past, Claire and Sophie are still unprepared for what they encounter when they arrive at the manor: a ghost, tragic and unrecognizable, and clearly the spirit of someone killed in a rage at the previous year's party. Given her obsession with crime shows—not to mention Sophie's ability to walk through walls—Claire decides they're the best people to solve the case. And with the help of the only obviously not-guilty members of their host family—sexy ex-policeman Sebastian and far-too-cool non-binary teen Alex—they launch an investigation into which of last year's guests never escaped the manor's grounds. What follows is somewhat irregular detective work involving stealing a priest's cassock, getting too drunk to remember to question your suspect, and of course, Chekhov's sparkly purple dildo. As Claire desperately tries to keep a lid on the shameful secret that would definitely alienate her new friends, the gang must race against their own incompetence to find the murderer before the murderer finds them.

**Bertie** Colm Keena,2011 The fascinating story of the man who blew the boom. Colm Keena, the journalist who first broke the story of Bertie Ahern's finances, gives us an in-depth examination of the former Taoiseach's character, his lust for power and his obsession with money. Keena scrutinises the evidence produced by the Mahon Tribunal about Ahern's personal finances and his personal political machine, and illustrates the lengths to which Ahern went in his effort to hide the truth about what he was up to. Ahern's political career is re-charted in the light of what we now know about his character. Keena looks at how his desire for power existed alongside an almost complete absence of political conviction, this lack of which left him open to the influence of those with strong opinions, and did nothing to arrest his mismanagement of the Irish economy. His lust for popularity brought Ireland from rude good health to economic disaster. An historic opportunity was squandered, but Bertie walked away from the wreckage with his wallet bulging. *Haughey's Millions – On the Trail of Charlie's Money* Colm Keena,2001-09-27 Untangle the financial history of Charlie Haughey, Taoiseach and leader of Fianna Fáil, in *Haughey's Millions*, the must-read, bestselling exposé of one of Ireland's most controversial politicians Colm Keena, acclaimed Irish Times investigative journalist, examines the extraordinary career of Charlie 'the Boss' Haughey, the backbench TD who became Taoiseach (Prime Minister) and left a financial legacy that lingered long after his retirement from political life. As a politician, Haughey made a huge contribution to Irish life: he played a key role in the Northern Ireland peace process and he laid the foundations for the prosperity that arrived with the Celtic Tiger. But *Haughey's Millions* does not deal with Haughey's political history; instead Keena uncovers the subject that Haughey most wanted to avoid and you'll most want to read: the truth about his money. From elections to tribunal appearances, Haughey dominated the Irish political landscape from the '60s to the '90s and always lived visibly beyond his means. From his princely accommodation in Kinsealy to his penchant for horses, Haughey's extravagant spending made him look like a rich man on a TD's salary. In *Haughey's Millions*, Keena traces the origins of Haughey's lavish lifestyle back to the '50s and to his early life as a partner in Haughey, Boland & Co. Moving chronologically forward, Keena looks at Haughey's early involvement with Des Traynor and his developing relationships with property developers and other key entrepreneurs and business figures. Keena's investigations take him up to the Moriarty and McCracken tribunals of the mid-'90s, set up to investigate the alleged financial corruption at the heart of Haughey's infamous political reign. Under the microscope of Keena's investigations, Haughey's financial dealings are revealed. In *Haughey's Millions*, Keena gives you the whole tangled story of a politician who lived like a prince, from beginning to ignominious end. *Haughey's Millions: Table of Contents* Introduction Part One: 1925–1987 - A Descendant of Kings - The Tax Commissioner's Residence - The Wilderness Years - Banking Secrets - Horse Dealers and Hoteliers - Helping Ciarán Part Two: 1987–1992 - Back in Business - Tralee Again - A New Disciple - Money for the Boss - Brian Lenihan - Financial Services - Taxing the Taoiseach Part Three: 1992– - Bowing Out Gracefully - Helicopters Again - An Innocent Bystander - Disclosure - Endgame - The Case for the Defence

**Surviving Ireland** Colm Tobin,2015-10-08 It's exhausting, being Irish. The constant self-flagellation is enough to put anybody off their breakfast. Why are we so hard on ourselves? Is it the post-colonial overhang following centuries of oppression at the hands of a litany of foreign invaders? Or is it collective guilt for sending Westlife out into the wider world? In *Surviving Ireland*, acclaimed comedy writer Colm Tobin\* takes the reader by the hand for a satirical romp through modern Irish life. As well as providing all the tools you'll need to navigate this often tricky little island (except a compass or anything even resembling a fact), the book will take you through some of the country's fraught history, asking some searing questions in the process: how did we get here, where are we going and who in the name of God is going to pay for it all? *Surviving Ireland* takes in culture and politics, town and country, food and drink, birth, death and everything in between. Let it be your definitive guide to this strange and bewildering rock, cowering from the cold Atlantic swells. Oh, and it's got some funny drawings in it as well. \* Not the Booker Prize-nominated author Colm Tóibín.

**Bertie Ahern Autobiography** Bertie Ahern,2009-10-13 Bertie Ahern, three times Irish Taoiseach, is often described as an enigma. The Old IRA man's son who delivered peace in Northern Ireland. A working class boy responsible for the Celtic Tiger. The man of faith who ushered in progressive, cosmopolitan secular Ireland. An ardent nationalist admired by European leaders. 'I know 25 per cent of Bertie Ahern', said his finance minister, Charlie McCreevy, 'and that's 24 per cent more than anyone else.' Now in this frank and revealing autobiography, Ahern gives his own account of a remarkable political life and the personal story that accompanies it. He shows the cost to his family of a life played out in the public eye and, for the first time, discloses what really happened in his final weeks in power. Here for the first time is the truth behind the man who is Bertie. Ahern has been at the cutting edge of Irish politics for over three

decades. He was first elected to Dáil Éireann in the Fianna Fáil landslide victory in 1977 that saw Jack Lynch returned as Taoiseach. In 1982, Charles Haughey appointed him Government Chief Whip. In volatile political times, he strongly supported Haughey during three challenges to his leadership of Fianna Fáil. In 1987, Bertie Ahern received his first cabinet portfolio as Minister for Labour. It was a time when the Irish economy was in crisis. Ireland had a higher debt per head than Ethiopia or Sudan. Unemployment stood at 16%. Ahern negotiated Ireland's first social partnership agreement, which underpinned economic recovery and put in place the foundations for a period of sustained growth. In 1991, he was appointed Minister for Finance. International commentators first began to refer to 'Ireland's Tiger economy' in this period. When Bertie Ahern left the Department of Finance in late 1994, for the first time in almost 30 years, Ireland had a budget surplus. Bertie Ahern succeeded Albert Reynolds as leader of Fianna Fáil in November 1994. Following the General Election in 1997, he became Ireland's youngest ever Taoiseach. The Ahern Era was a time of unprecedented progress in Irish society. Over the course of his tenure in office, Ireland's economy out-performed that of every other European country. For the first time ever, the number of people in employment in the State reached 2 million. Working closely with Bill Clinton and Tony Blair, Ahern won widespread acclaim for his perseverance and skill in negotiating the Good Friday Agreement, which has provided the political framework for a lasting peace in Northern Ireland. On the international stage, he was a respected figure who enjoyed an acclaimed Presidency of the European Council in 2004. He presided over the completion of the largest ever expansion of the EU and concluded negotiations on a European constitution. He is one of only five visiting statesmen to have addressed both the United States Congress and the Houses of Parliament in Westminster. At home, Ahern enjoyed phenomenal electoral support. He was the first Taoiseach since 1944 to win three successive General Elections. Bertie Ahern resigned on 6th May, 2008. He had served for ten years, ten months and ten days as Taoiseach.

**Official Gazette of the United States Patent and Trademark Office**, 2002

**Ireland's 1916 Rising** Mark McCarthy, 2016-05-06 In light of its upcoming centenary in 2016, the time seems ripe to ask: why, how and in what ways has memory of Ireland's 1916 Rising persisted over the decades? In pursuing answers to these questions, which are not only of historical concern, but of contemporary political and cultural importance, this book breaks new ground by offering a wide-ranging exploration of the making and remembrance of the story of 1916 in modern times. It draws together the interlocking dimensions of history-making, commemoration and heritage to reveal the Rising's undeniable influence upon modern Ireland's evolution, both instantaneous and long-term. In addition to furnishing a history of the tumultuous events of Easter 1916, which rattled the British Empire's foundations and enthused independence movements elsewhere, Ireland's 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present. In doing so, it unearths the far-reaching political impacts and deep-seated cultural legacies of the actions taken by the rebels, as evidenced by the most pivotal episodes in the Rising's commemoration and the myriad varieties of heritage associated with its memory. This volume also presents a wider perspective on the ways in which conceptualisations of heritage, culture and identity in Westernised societies are shaped by continuities and changes in politics, society and economy. In a topical conclusion, the book examines the legacy of Queen Elizabeth II's visit to the Garden of Remembrance in 2011, and looks to the Rising's 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance.

*The Use of Reason* Colm Tóibín, 2006 A small time criminal finds himself in too deep by stealing not just cash or jewellery, but four valuable paintings. How do you quickly get rid of a Rembrandt, Gainborough and two Guardi's without getting caught, particularly in the climate of 1980's Dublin where you are being watched at all times? Can he trust his friends, or his partners?

Gerry Adams, a Biography Colm Keena, 1990

**Tom Gilmartin** Frank Connolly, 2014-03-28 A successful property developer in England, the Sligo-born Tom Gilmartin had ambitious plans for major retail developments in Dublin in the late 1980s. Little did he know that in order to do business in the city, senior politicians and public officials would want a slice of the action ... in the form of large amounts of cash. Gilmartin blew the whistle on corruption at the heart of government and the city's planning system, and the fallout from his claims ultimately led to the resignation of the Taoiseach Bertie Ahern in 2008. Written by Ireland's leading investigative journalists, Tom Gilmartin is a compelling narrative of official wrong-doing and abuse of office; it lifts the lid on the corruption and financial mismanagement that blighted Irish society in latter decades of the twentieth century. The product of two decades' research, it's a must-read for anyone seeking to uncover the roots of Ireland's financial catastrophe.

A Crooked Field Colm O'Gaora, 1999

**Great Irish Speeches** Richard Aldous, 2009 A stirring anthology of 50 speeches eulogies and damnations, new beginnings and last words, threats of war and demands for peace that have shaped Irish history. Fifty of the most stirring and memorable speeches in Irish history are collected here from the political oratories of Charles Stewart Parnell, Michael Collins, and Eamon De Valera to emotive addresses by the nation's celebrated poets, writers, and musicians. All of the included speeches have had a remarkable impact on the course of Irish and world history. The oratorical skills of the greatest names in Irish politics and culture are here: Henry Grattan, Daniel O'Connell, Charles Stewart Parnell, Michael Collins, W. B. Yeats, Eamon de Valera, John F. Kennedy, and Seamus Heaney, to name but a few. Each speech is preceded by an introduction, which places the address in context and underlines its historical significance, as well as an iconic photograph of the speaker. Presented chronologically, the collection provides tremendous insight into Irish history.

*The Irish Beekeeper*, 1980

*Israel/Palestine and the Politics of a Two-State Solution* Thomas G. Mitchell, 2013-05-13 This is a dispassionate examination of the viability of a two-state solution in the Israeli-Palestinian conflict, based on the politics of Israel, Palestine and the United States. It includes instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland. The results of Israeli elections from 2001 to 2013 are analyzed (with the conclusion that the Likud will be in any government coalition for at least the midterm future, giving it a veto over policy). A chapter examining the history and ideology of the secular right over the last 90 years follows. There are three chapters of case studies: the Likud withdrawal from the Sinai in 1979-1982 and from Gaza in 2005, the withdrawal of South Africa from Namibia in 1988-1989, and the dropping of Ireland's constitutional claim to Northern Ireland in 1998 under a Fianna Fáil government--the same party that wrote the constitution in 1937. A chapter examines Palestinian politics since the mandatory era and another, the American-Israeli alliance and American politics. A concluding chapter draws lessons from the case studies and the analysis.

Irish Almanac and Yearbook of Facts 1998 Pat McArt, Colm McKenna, Donal Campbell, 1997 This is indeed, the perfect resource and handy reference book to Ireland today, as well as providing important information about Ireland past, all within the covers of one inexpensively priced paperback book. For anyone interested in Irish culture, history, politics, the arts, industry and sports, this is the one book you must have. It contains detailed statistics and tables on current population trends, political parties, industrial development, mining, fishing, religion, tourism, the media, and much more. The authors have put modern Ireland in context by providing considerable detail about key personalities, past and present, who have shaped the political, social, and economic landscape of the country.

**Quinn** Trevor Birney, 2022-12-01 This is the gripping inside story of Ireland's bankrupt billionaire, Sean Quinn, who went from rags to riches before he gambled it all on Anglo-Irish Bank shares and became the world's biggest personal loser of the economic collapse of 2008. A millionaire by thirty, Quinn took on

the Irish cement business in the 1980s and won. He became an almost mythical character, creating thousands of jobs at a time when the dark shadows of mass unemployment and the Troubles loomed over the borderlands. Then he gambled on the stock market, and this time he lost. Quinn's senior team was hand-picked, with loyalty prized above all else. But they have now become the sole focus of his obsession, as he holds them responsible for what happened. The atmosphere in 'Quinn Country' turned dark and ominous, culminating with the horrific abduction and attack on Kevin Lunney in 2019. Ten years after losing it all, Quinn is a brooding figure in a monstrous house, refusing to accept any blame for his downfall. Featuring exclusive interviews with the man himself, and prominent figures from his inner circle, this is the truly remarkable story of the man everyone said was too big to fail.

The Engaging World of Kindle Books: A Comprehensive Guide Revealing the Benefits of Kindle Books: A World of Convenience and Versatility E-book books, with their inherent portability and ease of access, have freed readers from the limitations of physical books. Gone are the days of lugging bulky novels or carefully searching for specific titles in bookstores. E-book devices, sleek and lightweight, effortlessly store an wide library of books, allowing readers to immerse in their preferred reads whenever, everywhere. Whether commuting on a bustling train, lounging on a sunny beach, or just cozying up in bed, Kindle books provide an exceptional level of convenience. A Reading Universe Unfolded: Discovering the Vast Array of Kindle Colm Ahern Colm Ahern The E-book Shop, a digital treasure trove of bookish gems, boasts an extensive collection of books spanning diverse genres, catering to every readers preference and choice. From captivating fiction and thought-provoking non-fiction to classic classics and modern bestsellers, the Kindle Shop offers an unparalleled abundance of titles to explore. Whether looking for escape through engrossing tales of fantasy and adventure, delving into the depths of past narratives, or expanding ones knowledge with insightful works of scientific and philosophy, the E-book Shop provides a doorway to a bookish universe brimming with limitless possibilities. ## Colm Ahern Introduction

In today's digital age, the availability of Colm Ahern books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Colm Ahern books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Colm Ahern books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Colm Ahern versions, you eliminate the need to spend money on physical copies. This not only saves you a money but also reduces the environmental impact associated with book production and transportation. Furthermore, Colm Ahern books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast

library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Colm Ahern books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Colm Ahern books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Colm Ahern books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Colm Ahern books and manuals for download and embark on your journey of knowledge?

### FAQs About Colm Ahern Books

**What is a Colm Ahern PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Colm Ahern PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Colm Ahern PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Colm Ahern PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Colm Ahern PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" ->

"Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
