**True Equality** Dr. Sahadeva Das,2018-01-01 True Equality – Modern nations are founded on the principles of justice, fairness, equality, and individual freedom of religion and speech, among others. According to the founding fathers of America, unalienable rights are those which God gave to man at the Creation, once and for all. By definition, since God granted such rights, governments could not take them away. In America, this fundamental truth is recognized and enshrined in the nation’s birth certificate, the Declaration of Independence: “All men are created equal... [and] are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.”
