

Craig Ray

R. Hess

History of Butler County, Iowa Irving H. Hart,1914

Rick and Bobo ,2009-05 Ray (Bobo) is an adventurous vagabond, the polar opposite of his quick tempered genius brother, Richard. When one of Ray's fancies makes him a multimillionaire, he calls on his brilliant brother to help him with his wildest idea yet: become a superhero. But when their purchase of key components draws the attention of the megalomaniacal Freya Bakken, the brothers quickly discover that no superhero is complete without a super-villain.

Undefeated Wesley E. Williamson,2013-07-10 I want to tell a story of how kids from different backgrounds and cultures came together in the summer of 1970, and grew during that fall to produce an 8-0 undefeated football season. This book is a journal of my own personal experiences with that team. These memories, along with personal accounts, recollections, periodical reports are recalled in this memoir. Also included are anecdotes that I gathered from players, cheerleaders, teachers, coaches and sports writers. While compiling information to glorify the achievements of that great team, I discovered that WNA had a tradition of assembling undefeated football teams that dates back to 1933, and were known for their tenacious football style as far back as 1895. When I showed up at West Nottingham Academy in the fall of 1970, our nation was at war with Vietnam, and we were still healing from the aftermath of the shooting of Dr. Martin Luther King where all of the large inner cities

had exploded with anger, hatred and riots. My choice to attend a primarily white school was a bit ambitious so I was feeling a bit ambivalent, and a little worried about this new adventure that I was embarking on at this countryside campus in rural Maryland. I had a few nasty racial encounters while in Florida that had left me wondering about my reach out and be friends with everyone attitude. As it turned out, it was a decision that would define my future, and growth into a man and not just a black man. What I experienced in that rural prep school and in particular what I learned during that wonderful season of comradeship and accomplishment taught me a lot about community that I have carried through the years with me and has kept bringing me back. While attending the 2008 Homecoming at West Nottingham Academy, I discovered that football had been dropped from the schools athletic program. This was my motivation for writing this journal of sorts. I hope it will bring enough attention to the alumni and the administrators at the school to put a competitive football team back on campus. Football has a way of bringing together people who otherwise have very little in common. It brings together student and faculty as well as creates a common goal for all of the campus to reach for in addition to an exhilarating educational experience.

Team Alpha Gil Alligood, 2017-02-20 Team Alpha by Gil Alligood Team Alpha is a work of fiction written in response to terrorist acts. While events in the book are fictitious, they mirror real events. The world's war on terror is trying to fight an idea and a principal that cannot be obliterated with

words. The root of the problem is within the people who initiate terrorist activities. Team Alpha is composed of civilians working secretly for the President of the United States to identify people who are planning terrorist activities, primarily within the United States. The main characters, Craig Johnson and his wife Kitty, first appeared in Gil Alligood's novel *Dark Paths to Light*. At the direction of the President they formed a company, Alpha Planning and Consulting, Inc., that employs former government agents to secretly identify terrorists and terrorist groups. The information is then passed to another group, Team Omega, for disposition of problems. Craig, Kitty, and agents of Team Alpha are Christians who are deeply bothered by terrorist activities throughout the world and what they find is necessary to thwart their destructive plans and activities that could produce human suffering. Team Alpha is a hard-hitting story of adventure and intrigue that will keep readers excited and bothered at the same time.

Second Chance a Western Adventure R. Hess, 2014-02-12 In the spring of 1896, Rachael, just shy of her twentieth birthday, boards a train destined to a remote cattle ranch in Oregon for a prearranged employment position. An arrangement made by a guilt-ridden wife who could no longer tolerate her husband's forceful adulterous actions upon their young housemaid. Seizing the

opportunity of his wife's intervention, he demands that Rachael take his two young illegitimate children with her on her journey west; if she wants her father to remain alive. Traveling west from Brockport, New York, Rachael undertakes her first assignment from her new boss, the ranch owner. She will be required to transact business in a man's world by overseeing the loading of supplies and freight along the train route. Her third business stop, Rock Springs, Wyoming, brings her face to face with four members of her new employer, three brothers and the ranch foreman. Overwhelmed, she unconsciously turns to one brother for security, beginning his commitment to her. During the next decade of hard work, Rachael struggles to bury her past. Her new family, the Prestons and their bunkhouse crew, give her an optimistic appreciation of life as she learns there are no social boundaries in the West. By including her in all the daily trials and tribulations of ranch life, cattle roundups, hunting, procuring and preserving their food supply, expanding families, and celebrating holidays, Rachael learns to live and trust again. She receives her second chance.

Shadows In The Sunset - Three Novellas Jonathan R. Farris, 2023-03-31

"Shadows in the Sunset" consists of three novellas, the first being the story that gives the book its title, a story of a Summer lost and never forgotten. It follows a group of youths adventuring through the terrain of Big Sur. Moments are made and the truth of everything is felt through each person's expression. The second novella is "Underland (The Lost Children)," which

follows the simple story of James and Summer, two “fools” just visiting the country fair. Lastly, “A House with No Progression,” which is about an artist named Ray and his girlfriend, Annabel Lee. They live together in isolation and have formed their own world within those walls. We begin to see signs of malice and realize that distinguishing reality from fiction is a difficult process for the artist.

To go from a struggling startup with negative sales to a billion-dollar company with seventy-percent market share To go from going bust making printers and computers to making history selling an industry-standard operating system To go from having six presidents in one year to making dozens of millionaires This is a crackling good story!

Dead Hot Mama Victoria Houston,2011-07-29 It may be winter, but things heat up when Police Chief Lew Ferris discovers a mystery buried under the icy waters of a local lake. It's ice-fishing season in Loon Lake and Doc Osborne is trying to convince Police Chief and fishing pal Lew Ferris to give it a chance. But fish aren't the only things lurking below the surface. The bodies of two snowmobilers have just been pulled out of nearby Two Sisters Lake. And a beautiful woman's corpse turns up in a snowdrift. Is it payback for a drug deal gone bad? Or is it something more sinister? Osborne and Ferris once

again team up to get to the bottom of a very murky mystery.

The Washingtons. Volume 7, Part 1 Justin Glenn, 2016-08-19 This is the seventh volume of Dr. Justin Glenn's comprehensive history that traces the "Presidential line" of the Washingtons. Volume one began with the immigrant John Washington, who settled in Westmoreland Co., Va., in 1657, married Anne Pope, and became the great-grandfather of President George Washington. It continued the record of their descendants for a total of seven generations. Volume two highlighted notable members of the next eight generations, including such luminaries as General George S. Patton, the author Shelby Foote, and the actor Lee Marvin. Volume three traced the ancestry of the early Virginia members of this "Presidential Branch" back to the royalty and nobility of England and continental Europe. Volumes four, five, and six treated respectively generations eight, nine, and ten. Volume Seven presents generation eleven, comprising more than 10,000 descendants of the immigrant John Washington. Although structured in a genealogical format for the sake of clarity, this is no bare bones genealogy but a true family history with over 1,200 detailed biographical narratives. These strive to convey the greatness of the family that produced not only The Father of His Country but many others, great and humble, who struggled to build that country. Volume Seven, Part One covers the descendants of the immigrant's children Lawrence and John Washington, Jr. Volume Seven, Part Two covers the descendants of the immigrant's child Anne (Washington) Wright.

American Masculine Shann Ray, 2011-06-21 Winner of the 2010 Bakeless Prize for Fiction, a muscular debut that reconfigures the American West The American West has long been a place where myth and legend have flourished. Where men stood tall and lived rough. But that West is no more. In its place Shann Ray finds washedup basketball players, businessmen hiding addictions, and women fighting the inexplicable violence that wells up in these men. A son struggles to accept his father's apologies after surviving a childhood of beatings. Two men seek empty basketball hoops on a snowy night, hoping to relive past glory. A bull rider skips town and rides herd on an unruly mob of passengers as he searches for a thief on a train threading through Montana's Rocky Mountains. In these stories, Ray grapples with the terrible hurt we inflict on those we love, and finds that reconciliation, if far off, is at least possible. The debut of a writer who is out to redefine the contours of the American West, *American Masculine* is a deeply felt and fiercely written ode to the country we left behind.

Getting Even Crispin Robb, 2023-11-10 Alex Feldon is the proposed inheritor of his family's company and has plans to modernise the business, much against the wishes of his father, Peter, who is both founder and chairman. Father and son have been at loggerheads ever since the terrible accident two years ago in which Alex's mother was killed and Peter left in a wheelchair. A mysterious, dark stranger suddenly appears on the scene, thrusting Alex into a deadly struggle for ultimate control of the business as he becomes the victim of two near-death experiences. He is baffled by the uncanny force driving his enemy, Logan, who stealthily takes both Alex's job and his fiancée, Sanchia. Logan ingratiates himself with Peter as part of his plan to steal the company completely. Alex fights back by investigating his foe in both UK and Malta, where he exposes Logan's murky business connections. He doggedly pursues several leads uncovering some unwelcome family secrets,

which threaten fatally devastating outcomes for many lives.

Backstage at the Tonight Show Don Sweeney, 2006-04-27 This book is a collection of celebrity vignettes and anecdotes from the peak years of the Tonight Show, and includes behind-the-scenes looks at more than two dozen celebrities, including Joan Rivers, Bill Cosby, Frank Sinatra, Ray Charles, Tony Randall, Don Rickles, Stevie Wonder, Martin Short, Liza Minnelli, Ed McMahon, and Johnny Carson himself. Cowboys, Outlaws, and Family R. Hess, 2020-10-01 Cowboys, Outlaws, and Family, A Western Adventure brings to life the stories of the characters in her first book Second Chance, A Western Adventure; the Preston family and their bunkhouse crew. The Preston Ranch embraces the New Year as 1900 ushers in a new decade and ends the nineteenth century. Building a new house will continue during spring roundup, and one member of the crew suffers a disastrous accident during spring branding. June finds several members of the family traveling to Portland, Oregon, and the ranch foreman takes two young cowboys to check on the herd and captures four desperadoes during their ride. The year closes the nineteenth century with moving one thousand head of cattle to high ground to avoid flooding conditions at the ranch. The year's hard work is celebrated with New Year's Eve games, and news of an upcoming wedding in the twentieth century.
