**Cracked it!** Bernard Garrette,Corey Phelps,Olivier Sibony,2019-01-15 Solving complex problems and selling their solutions is critical for personal and organizational success. For most of us, however, it doesn't come naturally and we haven't been taught how to do it well. Research shows a host of pitfalls trips us up when we try: We're quick to believe we understand a situation and jump to a flawed solution. We seek to confirm our hypotheses and ignore conflicting evidence. We view challenges incompletely through the frameworks we know instead of with a fresh pair of eyes. And when we communicate our recommendations, we forget our reasoning isn't obvious to our audience. How can we do it better? In Cracked It!, seasoned strategy professors and consultants Bernard Garrette, Corey Phelps and Olivier Sibony present a rigorous and practical four-step approach to overcome these pitfalls. Building on tried-and-tested (but rarely revealed) methods of top strategy consultants, research in cognitive psychology, and the latest advances in design thinking, they provide a step-by-step process and toolkit that will help readers tackle any challenging business problem. Using compelling stories and detailed case examples, the authors guide readers through each step in the process: from how to state, structure and then solve problems to how to sell the solutions. Written in an engaging style by a trio of experts with decades of experience researching, teaching and consulting on complex business problems, this book will be an indispensable manual for anyone interested in creating value by helping their organizations crack the problems that matter most.

*Swamp Angel* Ethel Wilson,2010-06-25 Walking out on a demoralizing second marriage, Maggie Lloyd leaves Vancouver to work at a fishing lodge in the interior of British Columbia. But the serenity of Maggie's new surroundings is soon disturbed by the irrational jealousy of the lodge-keeper's wife. Restoring her own broken spirit, Maggie must also become a healer to others. In this, she is supported by her eccentric friend, Nell Severance, whose pearl-handled revolver – the Swamp Angel

– becomes Maggie’s ambiguous talisman and the novel’s symbolic core. Ethel Wilson’s best-loved novel, Swamp Angel first appeared in 1954. It remains an astute and powerful study of one woman’s integrity and of the redemptive power of compassion.
