The Three Stooges Scrapbook John Howard Maurer, Jeff Lenburg, Joan Howard Maurer, Greg Lenburg, Norman Maurer, 2000-06 Dour-faced Moe Howard with his sugar-bowl haircut, his bald, chubby brother Curly and frizzy-haired Larry have poked, slapped, ear-yanked and nose-twisted their way into people's hearts across the world - and into film history. Their nearly 200 two-reel comedies, made between 1933 and 1958, have been translated into over 25 languages, entertained nearly six generations of fans and are seen somewhere in the world every single day. The Three Stooges Scrapbook is a historical overview of their time in showbusiness.

The Funny Parts Anthony Balducci, 2014-01-10 Classic comedy routines and individual gags have been around for many hundreds of years, probably thousands; the best of these ribticklers make their merry way through theater, circus, film and television. The challenge to comedians has always been to adapt familiar material in a way that emphasizes their personal style and outlook. The many routines and gags cited in this illustrated history are lovingly deconstructed to show how they have been shaped to suit different eras and performers. These tried and true laugh-provokers are indestructible. Through all the remakes, revivals, recycles and revamps, they have survived robustly to the present day. As these timeless comedy gems are traced to their beginnings and followed through the years, readers are taken on a mirthful journey from Keystone to Zombieland.
