The Cove Tom Hunt,2020-11-08 Nancy was born and raised in Harbor Cove, a small fish-buying station. Isolation and hardships were part of her everyday existence. From the time she is old enough to stand on wheel watch, she works with her dad on his old wooden tugboat. They tow log rafts for logging companies and hire out as beach loggers to recover logs from rafts that break apart during the storms that are normal occurrence in the Alaskan Panhandle. As soon as she is old enough to be on her own, she leaves home and never lo

Kit of Danger Cove H.R. Langdale,2019-01-06 There's new material here -- with the early glass-making industry of the Cape as a new angle -- and good Massachusetts coast atmosphere soon after whaling days had become chiefly a memory. Kit, a youth staying with his old aunt to escape a smallpox epidemic, decides to explore the whys and wherefores of Danger Cove, a mysteriously threatening harbor where ships are rammed by an unknown force.... Kit's explorations are now impeded, now advanced by the curious activities of a young artist. The characters are out of the ordinary... [There's] enough here to make it above average as supplementary reading for school libraries. -- Kirkus

The Cove Ron Rash,2013-01-01 It is 1918 and the world is at war. But this feels a million miles away for Laurel Shelton. In the house where her parents toiled and died, in the wilds of the Appalachian Mountains, Laurel aches for her life to begin. And then one day a stranger is discovered in the cove near her house. What follows is an unforgettable story of love, fate and divided loyalties.

Trade and Discovery Duncan R. Hook,David R. M. Gaimster,1995 With 1992 marking the 500th anniversary of the most famous of the voyages of discovery, archaeologists and scientists came together to discuss current scientific projects and approaches at a formal conference at the British Museum entitled, Trade and Discovery: the scientific study of artefacts from post-medieval Europe and beyond. The 24 refereed papers in this volume reflect the diversity and vitality of the current state of post-medieval archaeology and the scientific discovery of its artefactual remains.

Cove Cynan Jones,2018-04-10 “To read Cove is to take a masterclass in taking out everything but the essentials. This is writing stripped back to the bone, and storytelling that gets under the skin. Powerful,

terrifying, brilliantly done.”—Jon McGregor, author of *Reservoir 13* Out at sea, in a sudden storm, a man is struck by lightning. When he wakes, injured and adrift on a kayak, his memory of who he is and how he came to be here is all but shattered. He will need to rely on his instincts, resilience, and imagination to get safely back to the woman he dimly senses is waiting for his return. This is an extraordinary, visceral portrait of a man locked in a struggle with the forces of nature.

Refuge Cove Lesley Choyce, 2002-10-01 Greg is an avid sailor. On a solo trip off the rugged Newfoundland coast, he stumbles upon a family of desperate refugees stranded in a lifeboat. Fearing for their lives if they are deported to their homeland, the family convinces Greg to help them, and keep their existence secret. He promises not to call the authorities and takes the family home. When his plan begins to unravel, and the family flees into the teeth of an oncoming storm, Greg goes after them. A thrilling story that demonstrates the importance of community and the power of conviction, *Refuge Cove* is also an exciting adventure.

The Cove Catherine Coulter,2003

The Cove Catherine Coulter,2003 A girl is wanted for questioning about her father's murder, she's hiding in the town of Cove.

The Keeper of the Cove M. J. Konevich,2005-01-01 Something is stirring in Oceanview, a small coastal town in the Pacific Northwest-something that has long troubled the lives and dreams of the local community. Some say it's witchcraft, others, a curse. What they can all agree on, however, is that the newest members to their little town, the Harrisons, are literally sitting on a ticking timebomb. The tiny ocean cove that sits peacefully below their new house has a long past, one which is as dark as any small-town secret can be. The problem is, the dark little secret is waking up, and with it, secrets the Harrisons themselves had thought forever buried. In the end, who knows who's the real keeper of the cove?
