Grande vie des saints Jacques-Albin-Simon Collin de Plancy,1872

English Episcopal Acta 26, London 1189-1228 David Michael Smith,D.P.

Johnson,2003-07-10 This volume contains the acta of three bishops of London: Richard of Ely, William de Ste. Mère-Église, and Eustace of Fauconberg. Both Richard and Eustace saw service as royal treasurer; indeed Richard wrote the handbook on Exchequer practice, the Dialogus de Scaccario. William on the other hand spearheaded the papal campaign against King John during the General Interdict.

Salazar Tom Gallagher,2020 Fifty years after his death, Portugal's Salazar remains a controversial and enigmatic figure, whose conservative and authoritarian legacy still divides opinion. Some see him as a reactionary and oppressive figure who kept Portugal backward, while others praise his honesty, patriotism and dedication to duty. This probing biography charts the highs and lows of Salazar's rule, from rescuing Portugal's finances and keeping his strategically-placed nation out of World War II to maintaining a police state while resisting the winds of change in Africa. It explores Salazar's long-running suspicion of and conflict with the United States, and how he kept Hitler and Mussolini at arm's length while persuading his fellow dictator Franco not to enter the war on their side.
