The Ride of a Lifetime Leon David Bess,2008-09 Candid forthright graphic at times a bit outrageous; whatever else may be said of Mr. Bess: His place shall never be with those cold and timid souls who knew neither victory nor defeat. -Theodore Roosevelt, Man in the Arena Leon is the kid from the rough neighborhoods of Detroit who on his sheer smarts and gumption became extremely successful and never grew a big head. -Gary Fry, former law partner at EK&J When Leon comes down to Cochise County, he doesn't act like those other Phoenix lawyers. -Wallace Riley, former Cochise County Superior Court Judge When they made Leon, they definitely threw away the mold. -David Wm. West, former law partner at EK&J

Bankrupt David Limbaugh,2007-08-28 Argues that the Democratic Party has besmirched the president's character, undermined worthy Republican efforts, and veered away from its historical practices and roles.

Golden State David Prybil,2010-11-29 On a late-night talk show in the fall of 2003, Arnold Schwarzenegger announces his candidacy for Governor of California. Two months later, he wins, despite having no qualifications for the job beyond playing a hero on screen. With Arnolds rapid rise to power as a seductive backdrop, *Golden State* follows a disparate quartet of characters in the capital city of Sacramento as they feed off this anything-goes atmosphere and undertake a variety of misbegotten schemes of their own, all in pursuit of this same kind of validation and fulfillment. There is tightly wound realtor Missy Carver, determined to find Arnold his Sacramento dream estate and secure the partnership she's sure will make her feel complete; Spencer Brine, a depressed obituarist whose star-crossed love for a local stripper provides him the inspiration for an unlikely rise through the papers ranks; widower Todd Tisdale, lost in former glories, who pins his hopes for saving his struggling tuxedo shop on befriending Arnold, no matter what it takes; and finally, Rowena Pickett, a directionless tanning salon employee who only wants to find love even if it's with a prison pen pal she can't touch. As these characters' lives intersect, often in unexpectedly fateful ways, David Prybil's darkly humorous work examines both the rough underbelly of dashed hopes and the enduring power of the American Dream.

In Justice David Iglesias,2008-05-01 The Bush administration's drive to politicize the Justice Department reached a new low with the wrongful firing of seven U.S. Attorneys in late 2006. Their action has ignited public outrage on a scale that far surpassed the reaction to any of the Bush administration's other political debacles. David Iglesias was one of those federal prosecutors, and now he tells his story. Iglesias has long served in the Navy as part of the JAG corps. One of his earliest cases, about an assaulted Marine in Guantanamo Bay, became the basis for the movie *A Few Good Men*. When Bush chose him to become the U.S. Attorney for New Mexico, it was a dream come true. He was a core member of Karl Rove's idealized Republican Party of the future -- handsome, Hispanic, evangelical, and a military veteran. The dream came to an abrupt end when Senator Pete Domenici improperly called Iglesias, wanting him to indict high-level Democrats before the 2006 elections. When Iglesias refused, the line went dead. Iglesias was fired just weeks later. First, he was devastated. Then, he was angry. Now, he is speaking out. Iglesias recounts his interactions with Bush, Rove, Alberto Gonzales, and other key players as he takes readers into his time at the Justice Department to reveal what top Republican officials said and did, and how they subverted justice.

Living on the Cusp - A Memoire David A. Marshall,2013-11-25 *Living on the Cusp* is an autobiography regarding a colorful life, filled with failures and missed opportunities, but with final success. I, through my life, enjoyed a multitude of various experiences starting by being raised on a large ranch and farming operation with influences from my dramatic parents and older achieving siblings providing a competitive effect while keeping me on a path towards achievements. My perceptions of life have been shaped by being born into the Great Depression, experiencing the events of World War II, being drafted into the U.S. Army during the Korean War, playing my saxophone professionally, being involved in the colorful entertainment industry, working as a professional photographer, and my many business ventures for good or for bad. After my many varied and colorful female relationships I found my loving mate Dorothy, which added to building my success through our thirty-eight years of challenges. My life truly has been that of living on the narrow edge, the cusp, of life while facing the challenges, trauma, and positive events leading to success at the top of my own small, but secure, peak.

Guilty By Reason of Insanity David Limbaugh,2019-10-29 Today's Democrats are pushing policies that are simply insane, and David Limbaugh proves it in his terrific, and tremendously important, new book, *Guilty by Reason of Insanity*. — MARK LEVIN Few pundits can match David Limbaugh for research, depth of knowledge, and political insight, and in this book, perhaps his best political book, he shows how the Democrat Party has completely lost its mind. — SEAN HANNITY The left has truly lost its mind. The party out of power used to be "the loyal opposition." No longer. Now it's "the Resistance." The left, abandoning any pretense of fairness and decency, has declared political war on President Trump. Waged by a stunningly broad array of militants—the Democratic Party, countless left-wing interest groups, radical academics, the liberal mainstream media, Antifa shock troops, Hollywood, and the tech oligarchs—this political war is aimed not only at conservative ideas but also at Trump supporters, even teenagers wearing MAGA hats. In his shocking new book, *Guilty by Reason of Insanity*, national #1 bestselling author David Limbaugh explains how the left lost its mind—and the threat it now poses to us all. No book you read this year could be more important.

David Brinkley David Brinkley,1995-11-01 David Brinkley, icon of the American airwaves, has written his autobiography, a classic American story which overlaps with some of the great events and important personages of the era. From playing poker with Truman to riding the rails with Churchill to walking the beaches with D-Day veterans, readers are privy to some of Brinkley's most priceless remembrances. of photos.

It's Time to Fight Dirty David Faris,2018-04-10 It's time to do more than protest The American electoral system is clearly falling apart—as evidenced by the 2016 presidential election. In *It's Time to Fight Dirty*, David Faris offers accessible, actionable strategies for American institutional reform which don't require a constitutional amendment, and would have a lasting impact on our future. With equal amounts of playful irreverence and persuasive reasoning, Faris describes how the Constitution's deep democratic flaws constantly put progressives at a disadvantage, and lays out strategies for "fighting dirty" through obstructionism and procedural warfare: establishing statehood for D.C. and Puerto Rico; breaking California into several states; creating a larger House of Representatives; passing a new voting rights act; and expanding the Supreme Court. The Constitution may be the world's most difficult document to amend, but David Faris argues that many of America's democratic failures can be fixed within its rigid confines—and, at a time when the stakes have never been higher, he outlines a path for long-term, progressive change in the United States.

The Government of David David Baird,2018-01-12 This is Baird's first so-called real, published book. He's been chatting, blogging, and posting for many years now, building up a trail/tale of textual weight. His formation was largely academic. One transformational episode with Michael Smith at Virginia Tech, another with Ronald Judy at the University of Pittsburgh. David managed to study philosophy deeply, which can be tricky, and fell in and out of love with Theodor Adorno -- Adorno, who says no one loves, is capable of love; people are spellbound, without exception; beautiful women destroy themselves, no matter how talented, wealthy, or intelligent; one cannot be happy, only remember having been happy in the past; science fiction is a sub-artistic genre. David now characterizes Adorno, like the analytic philosophers, as ultimately a nit-picker...The Government of David can be characterized as ultra-fictional philosophy: UFP. I've been asked, Is that more like fiction, or philosophy? But why should it be one or the other? It's like philosophy -- except that it doesn't claim to be true. Or pretend. How could I know the truth of life, the universe, and everything? Although I propose that God has omega characteristics -- s/he is beyond time, space, law, logic, and causality. That's really the only way God could work, function, exist. As far as our universe? We are x world -- we are the nth world in a series of x worlds (universes). Brain garbage, word salad, word lies, mindless gibberish...? Stream of consciousness. Schizophrenia. Maybe towards the creation of a new world.
